From (Name) Dr. S.R.U.Savoor, M.A., D.Sc., I.E.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

I have the honour to state that the Correspondent, New Tranquebar Training School, Trichinopoly District, has reported that the bonds executed between the years 1929-1934 by 28 students of the school, who failed to fulfil the conditions of the bond executed by them, are not traceable since 1934 (i.e. from the time of transfer of the school to Irungalur) and that there is therefore no possibility to proceed legally against those even though their whereabouts are known. It is stated that the names of defaulters were published in the Fort St. George Gazette in 1942, that the whereabouts of 15 out of the 28 defaulters have been traced and that of the remaining 13 could not be ascertained. Among the 15, whose whereabouts are known, 7 are employed as teachers. No action is necessary in their cases. Stipends will have to be written off in 3 cases, as they are reported to have died or joined Military Service. Further particulars are being called on behalf of these three candidates. One has fulfilled the terms of the bond. The remaining four alone are unemployed and no legal proceedings can be taken against them in the absence of

bonds. On the whole, write off of stipends will have to be considered on behalf of 20 students (3 plus 4 plus 13). Some of them have alone served as teachers for broken periods. Only a proportionate amount has been taken into account in all such cases in arriving at the total amount (of Rs. 2,447-13-4) to be written off as irrecoverable (vide list attached).

2. The explanation of the management for the loss of the bonds is not satisfactory. The present Principal of the school is unable to throw any light in the matter, as he took charge of the school only in June 1945. There seems to be no use in pressing the matter further, as the bonds were lost before the school was actually established at Irungalur in 1934, under a new management. The new management at least should have brought the matter to the notice of the District Educational Officer concerned. But this does not appear to have been done.

3. The departmental officers who conducted the school inspections have shown grave negligence. Their explanation that the loss of the bonds was not brought to their notice is very unsatisfactory. I shall issue orders viewing with grave displeasure the negligence shown by them.

4. The management will also be severely warned for the negligence shown in not bringing it to the notice of the department that so many bonds were missing.

5. In these circumstances, I request that the sum of Rs. 2,187-11-10 (excluding items 1 to 3) as shown in the annexed list may be written off as irrecoverable.
