Plan & Estimate.

Application for half grant.

Copy of the resolution No. IX dated 13.10.43.

Sir,

Subject:- Education - Elementary - Thalayatimund School -
Extension - Application for half grant.

The Deputy Inspector of Schools, Nilgiris Range, Ootacamund in his notes of inspection dated 29-7-1943 on the working of the Thalayatimund Elementary School remarked that it was advisable to consider the question of improving the accommodation of the school early enough as the necessity for bifurcating standard I might arise soon. To give effect to this suggestion, necessary plans and estimates were prepared and put before the Council. The Council in its resolution No. IX dated 13-10-1943 (copy enclosed) sanctioned the plans and estimate and also approved of my proposal to apply for a half-grant from Government towards the cost of the work, which is now estimated at Rs.3,440/- at the current rates.

Accordingly an application was made to the Director of Public Instruction for a subsidy for the proposed extension. But the Director returned the same for the reason that it was too late to consider the scheme in connection with the budget estimate for 1944-45. At the same time, it was stated by him that the application may be renewed for

consideration in connection with the budget estimate for 1945-46.

Memo An additional teacher has been sanctioned for this school in G.O. No. 25740-A1, Education, dated 27-5-1944 and class I will be divided into two sections from the beginning of the next school year. Additional accommodation has therefore become an urgent necessity. I, therefore, submit herewith an application for subsidy together with the plans and estimates for the proposed work, and request that Government may be pleased to sanction the application as early as possible.

PART II SCHEME FOR 1946-47.

[SUBJECT.—Subsidies to local bodies for the construction of buildings for
elementary schools.]

Summary.

Head of account.	Item of expenditure.	Ultimate cost.	Cost in 1946-7
(1)	(2)	(3)	(4)
		RS.	RS.
37. I. Education—Primary—Grants to local bodies for Primary Education— 1. A. Local bodies—i. Ordinary areas —5. Buildings and equipment— Authorised.	Subsidy for elementary school buildings.	22,000	22,000
Total ..		22,000	22,000

It has been usual to make provision in the annual budgets for the payment of
subsidies to local bodies towards the cost of constructing elementary school
buildings. The amounts provided during the last three years were—

Year.	RS. LAKHS.
1943-44	0.04
1944-45	0.03
1945-46	0.12

For 1946-47, it is necessary to consider only five works.

(i) Municipal Council, Tuticorin—Extensions to two school buildings (Elementary School for Girls, Melur and Elementary School, for Boys, Serendakulam).—The works estimated to cost Rs. 6,950 were approved and a subsidy equal to one-half of the cost was provided in the budget estimate for 1944-45. The Council was unable to take up the works. The estimates were revised in 1945-46 and a subsidy equal to one-half of the estimated cost of Rs. 11,900 was provided in the current year's budget. The Council has now reported that the works will be taken up this year and the grant claimed in 1946-47. The estimate as revised again with reference to current rates is Rs. 14,250. The Director of Public Instruction recommends a subsidy of one-half of this amount.

(ii) Municipal Council, Cotaicamund—Construction of a building for the Thalayatimund Elementary School.—The estimate for this work is Rs. 5,650. The Director recommends a subsidy of Rs. 2,825.

(iii) Municipal Council, Tirunelveli—Construction of a building for the Sindupondurai Elementary School and acquisition of lands for the Sindupondurai and the Kallanai Municipal Elementary schools.—The estimated cost of the works is Rs. 12,410 and the Director of Public Instruction recommends a subsidy of Rs. 6,205.

(iv) Municipal Council, Salem—Construction of an additional building for the Ammapet Higher Elementary Boys' School.—The estimate is Rs. 4,500 and the subsidy payable is Rs. 2,250.

(v) Municipal Council, Tadipatri—Construction of a building for the XI Ward Muhammadar Elementary School.—The estimate for the work is Rs. 7,000. The Director of Public Instruction recommends a subsidy of Rs. 3,500.

2. It is proposed to provide a sum of Rs. 22,000 in the next year's budget, as noted in the summary at the top.
