Dear Austin,

At their Tenth meeting held at Baroda in January 1944, the Central Advisory Board of Education, as a result of a discussion on the question of Basic English in relation to the Indian Educational system, authorised the Educational Adviser to the Government of India to appoint a Committee to report on the matter as and when he considered it necessary.

2. In view of the interest taken in Basic English in England and America, and the fact that the inter-departmental Committee on Basic English in the United Kingdom are awaiting a report on the position of Basic English in India, it has been

2.

decided now to set up a Committee to investigate this subject, with particular reference to the question of the introduction of Basic English in Senior Basic (Middle) Schools in India

3. A meeting of this Committee, subject to the convenience of members is proposed to be convened at Simla during the summer of this year.

4. I fear you may not be able to spare the time yourself. I should, however, be grateful if in that event you would kindly nominate a suitable representative to serve on the Committee.

An early reply will be appreciated

Yours sincerely,

(Signature)

Sir Thomas Austin, KCIE, ICS,
