No. 24/SBC. dated 1st April 1946.

Sir,

Sub:- Government Press - Typewriting special pay -  
Sri R. Natesan - grant of -

I have the honour to state that the effect of the orders contained in G.O. No. 535, Ms., Education & Public Health Department dated 11th March 1946 will cause not only much administrative inconvenience to this office but also will entail a distinctive loss to the incumbent and that I will be taking a risk if I were to entrust the typing of confidential correspondence emanating from the Government Press to a junior typist as it is of such an importance which I hope Government will fully appreciate. I cannot at the same time deny promotion to the existing incumbent who has put in 22 years of service.

By the time he retires the present junior typist will have put in enough of service to warrant of my entrustment of confidential correspondence to him. I would therefore press Government, under the circumstances, to reconsider the orders contained in the above G.O. and allow Natesan to draw the special pay until such time the junior typist puts in at least ten years of permanent service and as a general rule to the grant of the special pay to the lower division clerks or typists rising at least to the post of upper division clerk, last grade, and who continue to be engaged in confidential typewriting work.
