 EDUCATION AND PUBLIC HEALTH DEPT.

In their order cited, the Government accorded sanction for supply of 100 (25 urgent and 75 ordinary) flat file cases for use of the Statistical Branch. The supply was obtained and distributed for use in the Statistical Branch. Since January the work in the Statistical Branch has increased considerably and the staff has been expanded and reorganised. The staff in 1945 and as at present is compared below:

Upper Division clerks.	9	13	4
Lower Division clerks.	18	23	5

The expanded staff has been finding it difficult to manage with the existing stock of flat file cases and considerable inconvenience is caused for want of additional file cases commensurate with the increase in the staff. The Board therefore requests that the Government may be pleased to sanction the supply of 250 flat file cases for the use of the Statistical Branch.

Returned.

2. Last year, supply of 100 flat file cases II sort to the Statistical Branch, was sanctioned in G.O.No.Ms.124 Education & Public Health Department dated 26-1-45. The increase of staff from '31' in January 1945 to '42' in February 1946 is small and the claim for 2 1/2 times the present scale is too high.

3. Sanction may, therefore, be accorded for the supply of 150 (50 urgent and 100 ordinary) flat file cases, II sort to the Statistical Branch Board of Revenue, Civil Supplies.
