Re.No.1343 B/46 dated 2-4-1946.

Subject: Elementary Education - Local Bodies - Schools
opened after 1-4-1921 - Distribution of subsidies
for the year 1946-47 - Proposals - submitted.

The amounts of subsidies to be sanctioned to the several local bodies for the maintenance of Elementary schools opened after 1-4-1921 are the same as those sanctioned in G.O. 594 Edn., dated 16-4-1945 except for the District Board, Tinnevely for which the subsidy may be sanctioned as shown below:

- | | |
|--|--|
| 1. S.No. and name of local body. | S.No.19. Tinnevely. |
| 2. Amount of grant payable. | 92,459 (This includes a subsidy of Rs.5,483/- for midday meals subject to adjustment at the end of the year 1946-47) |
| 3. Subsidy for Manual Training and prevocational classes. | 1,310. |
| 4. Total. | 93,769 |
| 5. Amount payable in each of the first eleven months of 1946-47. | 7,814 |
| 6. Amount payable in March 47. | 7,815 |
| 7. Remarks. | G.O.626 Education dated 24-4-1945 and G.O.No.569 Edn., dated 13-3-1946. |

Attention is invited to my letter No.No.2100 B/43 dated 7-3-1946 disposed of in G.O.No.569 Edn., dated 13-3-1946. The annual subsidy payable to the District Board for the maintenance of the Maravar schools works out to Rs.4,996/-. (Vide annexure for details). The annual subsidy payable on account of midday meals works out to Rs.5,483/-. This is based on the actual expenditure on 4,557 meals at 0-1-9 per meal (being the latest figure available for January '46) and the amount is subject to adjustment. Hence the additional subsidy payable to the District Board is Rs.10,479/- over and above the usual subsidy of Rs.83,290/- sanctioned in G.O.No.594 Edn., dated 16-4-1945 and the total recurring subsidy payable in 1946-47 will therefore be Rs.93,769/-.

2. The expenditure is debitable to the head "37.1. Education - Primary - Grants to local bodies for primary education - 1.A. Local Bodies - 1.A. I. Ordinary areas - 1.A.I.4. Teaching authorised" in the Budget Estimate for 1946-47.

POSITION IN THE COLLEGES

The attendance in the Pachaiyappa's College was thin to-day also. Students in small groups were to be seen here and there inside and outside the compound of the College. Policemen were found posted at a number of points outside the College premises.

The Women's Christian College worked with the normal attendance of students to-day.

Miss Rivett, Principal of the College, stated that on Monday and Tuesday a few of the students absented themselves from the College, but the strikers decided to call off the strike on Tuesday evening. From Wednesday classes have been working normally.

The Principal added that she had received the Government Press Communication on the matter but that before it was received the College Council had decided to postpone the terminal examinations after the Michaelmas vacation and to close the College for the vacation from Monday next.

PRESIDENCY COLLEGE PRINCIPAL'S NOTICE

Lectures and classes were not held in the Presidency College to-day, the authorities postponing to Monday any penal action against absentee students. Some students, unaware of this decision of the authorities, came to the College this morning and returned home later.

The Principal's announcement was as follows:

"It has already been announced that the Government of Madras have ordered that all students who do not immediately abandon the strike and return to College, and maintain regular attendance are to be struck off the rolls of the College.

"This penalty already announced to take effect from Friday, September 4, has been postponed to 10-30 a.m. on Monday, September 7, on which day it must be enforced.

"Lectures and classes will not be held on Friday, September 4, and I ask students of the College to use the next few days in thinking seriously of the disastrous effects of a long interruption of their studies."

The inmates of the Victoria Hostel, Triplicane, hoisted yesterday a Congress flag over the hostel buildings. Noticing it had been removed in the night, the students this morning, got another flag and hoisted it with the songs and ceremonies usual on such occasion.

Attendance of pupils in the Queen Mary's College was thin. According to the authorities of the College, attendance in the classes is "about the same as earlier in the week". The Principal has put up a notice on the notice board informing students that the Government have decided that if the students who are on strike do not return to work on Monday, September 7, their names will be struck off the rolls and she would, therefore, advise the students to reconsider the position seriously and call off the strike and attend their classes.

LOYOLA COLLEGE

Classes in the Loyola College continue to be poorly attended, although, it is learnt, the attendance to-day represents a slight improvement over the previous working days.

The Principal has put up the following notice on the board:

"In accordance with the directions of the Government of Madras, students are informed that continued absence from classes will be penalised by their names being struck off the rolls and by loss of scholarships and concessions. Picketing and preventing others from attending classes are forbidden. However, those who have been recalled home by parents and permitted to go will be considered to have been granted leave till the end of the term.

"In view of these, I once again urge students not to compromise their studies and distress their parents by keeping away from classes. Let them answer the papers of the terminal examinations to the best of their ability. In valuing their papers, the staff has been instructed to bear in mind the disturbed atmosphere and to make allowance for it."

PICKETING AT MEDICAL COLLEGE

The vast majority of the students of the Madras Medical College, men and women, stayed away from their classes to-day. Some of them squatted on the stairs leading to the different class rooms and picketed peacefully.

The Principal of the College has issued the following notice, regarding the flying of the national flag over the College Hostel. "No unofficial flag is permitted to be flown on Government buildings such as the Madras Medical College Hostel (men and women's sections) being, as they are, leased or rented by the Government. For the past week unofficial flags have been flown over the hostel and have, when removed under the Principal's orders, been replaced. Students are again requested to remove the flags themselves and to prevent them from being re-flown, failing which the hostel will be closed."

The Principal has also issued another notice on the question of the students absenting themselves from their classes which warns the students to consider the serious effect that would result from non-attendance at classes (that is, suspension or being struck off the rolls) and the reaction this would have on their future qualifications and career and on their families. Punishment for misconduct would be adhered to. Students who were desirous of attending classes and of behaving correctly should not be intimidated by those who disobeyed disciplinary regulations, so that later they might not suffer penalties which were avoidable.

The large majority of the students of the Stanley Medical College also stayed away from their classes to-day. There was peaceful picketing by students.

The national flag has been hoisted over the men's and women's sections of the College hostel.

remarks:-

Dr. Bant, Tumkur the subsidy payable for
Maravan ed. comprise the following items

- (1) for the maintenance of school
 - (2) for the supply of midday meals
- the D.P. has included both the amounts payable for
the items in the lump sum subsidy. It would be
proper to sanction the subsidy for midday meals
separately or along with the subsidy payable for
midday meals in compulsory areas in the Tumkur
D.P. In this view the maintenance subsidy alone has
been included in the lump sum subsidy

Corporation of Madras the city limits have been
extended so as to include the area of the Saidapur
municipality. The subsidy for U.M.C. Saidapur has
been included in the amount due to the Corporation
