Office of the
Director of Public Instruction,
Madras; Dated 29-9-1945.

From Dr.B.B.Dey, D.Sc.(Lond.), F.R.I.C.
Offtg. Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir,
Sub: Inspection - Conversion of certain posts of Junior Deputy Inspectors in the Mohammadan Ranges into posts of Senior Deputy Inspectors and sanction of ordinary T.A. to Mohammadan Senior Deputy Inspectors and Junior Deputy Inspectors instead of the present fixed Travelling Allowance - Proposals.

In connection with Part II of the Budget Estimate for 1946-47, I have the honour to submit for the favourable consideration of Government the following proposals (1) for the conversion of the posts of Junior Deputy Inspectors in Kurnool, Cuddapah and Chingleput Mohammadan Ranges into posts of Senior Deputy Inspectors and (2) for the sanction of ordinary Travelling Allowance under the Madras Travelling Allowance Rules instead of the present fixed Travelling Allowance to the Senior Deputy Inspectors and Junior Deputy Inspectors of Mohammadan Ranges.

2. Compared to the Deputy Inspectors of non-Muslim Ranges who have jurisdiction only in a single taluk and who in a large number of cases are assisted by one or more Junior Deputy Inspectors, the Deputy Inspectors of Muslim Ranges have jurisdiction ranging from 1 to 3 districts. The jurisdiction of and the number of schools in each of the 6 Mohammadan ranges in which Junior Deputy Inspectors are employed are shown below:-

Name of Range.	Jurisdiction.	Total No. of school.	Officers employed.
1. Cocanada Mohammad Range.	Vizagapatam 35 East Godavari 33 West Godavari 28	96	1 Deputy Inspector plus 1 Junior Deputy Inspector.
2. Guntur Mohammad Range	Guntur Dt.	163	-do-
3. Kurnool Mohammad Range	Kurnool & Bellary Dt	120 } 54 } 174	-do-
4. Cuddapah Mohammad Range	Cuddapah Chittoor	96 } 53 } 159	-do-
5. Chingleput Mohammad Range	Madras Chingleput South Arcot	22 } 29 } 51 } 109	-do-
6. Ramnad	Ramnad Madurai Dt.	81 } 38 } 119	-do-

In view of the vast jurisdiction intensive work is not possible in the Mohammadan Ranges even with the assistance of Junior Deputy Inspectors. It is quite necessary to restrict the jurisdiction of a Muslim Range to one district wherever possible and appoint a Mohammadan Deputy Inspector each District, he being assisted by a Junior Deputy Inspector. Wherever the number of schools is large enough to justify the appointment of a Junior Deputy Inspector. This principle can be applied at present in the case of Kurnool, Cuddapah and Chingleput Mohammad Ranges. If this is accepted I propose to reconstitute the above three Mohammadan Ranges in question as follows

and put each range under the control of a Senior Deputy Inspector.

Jurisdiction.

1. Kurnool Mohammadan Range	120 schools	Kurnool Dt.
2. Bellary -do- -do-	54 -do-	Bellary Dt.
3. Cuddapah -do- -do-	96 -do-	Cuddapah Dt.
4. Chittoor -do- -do-	63 -do-	Chittoor Dt.
5. Chingleput -do- -do-	51 -do-	Madras & Chingleput Dts.
6. South Arcot -do- -do-	58 -do-	South Arcot Dt.

Madras and Chingleput Districts can be placed under one Senior Deputy Inspector. The new ranges according to my proposal are (1) Bellary Mohammadan Range (2) Chittoor Mohammadan Range and South Arcot Mohammadan Range. The number of schools inspected by a Deputy Inspector of non-Muslim Range in a Taluk varies from 60 to 100. I consider that in view of the vast jurisdiction of the newly proposed ranges, the number of schools for each Mohammadan Deputy Inspector need not be considered too small. If the above proposal is accepted it will be necessary to convert the posts of Junior Deputy Inspectors attached to the existing Kurnool, Cuddapah and Chingleput Mohammadan Ranges into posts of Senior Deputy Inspectors in order to provide Senior Deputy Inspectors for the new ranges proposed above. I request that the Government may be pleased to approve my above proposal for the formation of the three new Mohammadan Range with effect from 1-5-46. In view of the scheme of compulsion I recommend that the Government may accept as a policy that the Deputy Inspectors of Mohammadan Schools should be fixed on a District War basis as the Deputy Inspectors of general ranges are fixed on a Taluk War basis.

3. As the number of schools is small in each of Vizagapatam, East Godavari, West Godavari and Madura Districts the question of splitting the Cocanada and Ramnad Ranges on a District War Basis may be taken up when there is an adequate increase in the number of Muslim Schools. The jurisdiction of Guntur Mohammadan Range which has 163 schools extends over one District only I consider that these three ranges viz. Cocanada, Guntur and Ramnad may remain as they are for the present.

4. Travelling Allowance to Mohammadan Deputy Inspectors and Junior Deputy Inspectors:

In this connection I request that Government may be pleased for the reasons explained below to permit the Deputy Inspectors of Mohammadan Schools both Senior and Junior to draw Travelling Allowance according to the Madras Travelling Allowance rules instead of the fixed Travelling Allowance now allowed to them. The Deputy Inspectors and Junior Deputy Inspectors of Mohammadan Ranges are allowed a fixed Travelling Allowance of Rs.45/- and Rs.22-3-0 per mensem respectively. Previously the Deputy Inspectors and Junior Deputy Inspectors of both the Muslim and non-Muslim Ranges were given fixed Travelling Allowance. Subsequently in the case of Deputy Inspectors and Junior Deputy Inspectors of non-Muslim Range the system of fixed Travelling Allowance was abolished and they are allowed actual T.A. earned by them each month. But the system of fixed T.A. is continuing in the case of the Inspecting Officers of the Mohammadan Ranges. I do not consider the retention of the system of fixed Travelling Allowance in the case of inspecting officers as desirable for the following reasons:-

(1) In the case of Muslim Junior Deputy Inspectors, their jurisdiction is generally the same as that of the Muslim Senior Deputy Inspectors. They travel in the same conveyances, viz. trains, buses, cycles and bullock carts. Hence a Muslim Junior Deputy Inspector is at a very great disadvantage in getting only half of what is permitted to a Muslim Senior Deputy Inspector.

(ii) the

(ii) The present fixed Travelling Allowance to the Muslim Senior Deputy Inspectors and Junior Deputy Inspectors is not an inducement to them to do the maximum touring. If they do the maximum touring, there is the fear of their expenses exceeding the fixed Travelling Allowance allowed to them.

The Senior Deputy Inspectors and Junior Deputy Inspectors of Muslim Schools of Muslim Ranges are expected to put in 190 tour days per annum. The Dt. Edl. Officers and the Divisional Inspectors of school feel that the Muslim Deputy Inspectors and Junior Deputy Inspectors, inspite of their wide jurisdiction, can do intensive work to advantage if they are given the ordinary Travelling Allowance as in the case of the Deputy Inspectors and Junior Deputy Inspectors of non-Muslim Ranges.

5. The financial effect of the proposal for the conversion of 3 posts of Muslim Junior Deputy Inspectors into posts of Muslim Deputy Inspectors will be as follows: Each new Deputy Inspector's office will have two clerks and 1 attender. The peon sanctioned for the Junior Deputy Inspector will be attached to the Deputy Inspector's office.

Average pay of 3 Senior Deputy Inspectors in the scale of Rs.70-200	119.2 x 3 x 12	756 =	Rs. 4,296
Average pay of 6 clerks on Rs.30-55 (2 for each Deputy Inspector's office)	42 1/2 x 6 x 12	1296 =	3,030
Average pay of 3 Attenders on Rs.19-30	25 x 3 x 12	576 =	900
Fixed T.A. at Rs.45/- p.m. for 3 Deputy Inspectors	45 x 3 x 12	=	1,620
Rent for office buildings	20 x 3 x 12	=	720
		2,628	10,566

Minus

Average pay of 3 Junior Deputy Inspectors on Rs.50-5/2-70	62 4/9 x 3 x 12	= 2,248
of T.A. at Rs.22 1/2 p.m.	22 1/2 x 3 x 12	= 810
		3,058

Net extra cost per annum ... Rs.7,508 or Rs.2,500

A non-recurring expenditure of Rs.600/- will be necessary for the office equipment, furniture etc. for each office.

6. The extra cost on account of the abolition of the Fixed Travelling Allowance and introduction of ordinary Travelling Allowance is not worked out.

Sir,

Sub: Sanction of Ordinary Travelling Allowance to Muhammadan
Deputy Inspectors - Part II Scheme - 1946-47.

Ref: Govt.Memo.No.43569 C/45-2, Education, dated 23-11-45.

With reference to Government Memo. cited above I have the
honour to state as follows:

The extra cost if ordinary travelling allowance is sanctioned
to the Deputy Inspectors of Muhammadan Ranges, in lieu of the
Fixed Travelling Allowance will be Rs.1000/- approximately as
shown below:-

PRESENT COST

For 15 Senior Deputy Inspectors at Rs.45-0-0 per mensem.	
Fixed Travelling Allowance per ANNUM is $45-0-0 \times 15 \times 12 =$	Rs.8100 0 0
For Junior Deputy Inspectors at Rs.22½ per mensem	
Fixed Travelling Allowance per annum is $22-8-0 \times 6 \times 12$	.. 1620 0 0
Total	.. Rs.9720 0 0
Total amount that will be required if ordinary Travelling Allowance is allowed	.. Rs.10720 0 0

Extra cost Rs.10720-0-0 minus Rs.9720-0-0 = Rs.1000-0-0

The 50% enhanced rate, sanctioned for the war period has
not been taken into account, as the increase is only temporary.
I may explain that in actual practice no increase in expenditure
is anticipated on account of the proposed conversion of the
Fixed Travelling Allowance into Ordinary Travelling Allowance.
From actual experience of scrutinising the bills of Deputy
Inspectors for many years it is seen that except in the case of
Senior Deputy Inspectors on a salary of Rs.250/- the others are
never able to claim more than about Rs.30/- per mensem.

A few Senior Officers in the higher grade draw Rs.45/- or
more. There are very few Muhammadan Deputy Inspectors on a pay
of Rs.250/-. Therefore the other Muhammadan Deputy Inspectors
if given the ordinary Travelling Allowance will never be able
to claim Rs.45/-.

The D.P.I. has proposed -

- (2) the institution of the system of payment

of ordinary T.A. under the M.T.A. Rules instead of the F.T.A. to the Senior and Junior Deputy Inspectors of Muhammadan Ranges.

(1) above. The inspection of elementary schools for Muhammadan boys is being done by a separate staff of Muhammadan Dy. Inspectors. The Presidency is divided into 15 ranges for the purpose, each of which has a Deputy Inspector of the Senior Grade and six of the ranges have each a Deputy Inspector of the Junior Grade also. Of the six ranges which have both a Senior and a Junior Deputy Inspector, all except Guntur cover more than one revenue district. The jurisdiction of and the number of schools in each of the 6 Muhammadan ranges in which Junior Deputy Inspectors are employed are as shown below:-

Name of range.	Jurisdiction.	Total number of schools.	Officers employed.
1. Cocanada Muhammadan Range.	Vizagapatam 35 East Godavari 33 West Godavari 28	96	One Junior Dy. Inspector and one Senior Dy. Inspector.

points out

The Director ~~xxxxxxxxxx~~ that the number of schools in three of these ranges viz., Kurnool, Cuddapah and Chingleput, is large and the jurisdiction vast. He, therefore, recommends that the post of Junior Dy. Inspectors in these ranges may be converted into post of Senior Deputy Inspectors. and the three ranges in question reconstituted into single district ranges. In support of this proposal ~~the Director~~ ^{Madras being included in Chingleput} states as follows:-

13
"In view of the vast jurisdiction intensive work is not possible in the Muhammadan ranges even with the assistance of Junior Deputy Inspectors. It is quite necessary to restrict the jurisdiction of a Muslim range to one district wherever possible and appoint a Muhammadan Deputy Inspector ~~for each district~~ ^{wherever} assisted by a Junior Deputy Inspector ~~wherever~~ the number of schools is large enough to justify the appointment of a Junior Deputy Inspector. This principle can be applied at present in the case of Kurnool, Cuddapah and Chingleput Muhammadan Ranges."

This department supports the Director's proposal for the conversion of the 2 Junior Dy. Inspectors in Kurnool and Cuddapah Muhammadan ranges. Having regard to the ^{comparatively} small number of Muhammadan Schools viz., 109, in the Chingleput range, this department considers that the question of the conversion of the Junior Dy. Inspector in this range may be deferred for the present.

Item (2) above.- Prior to 1931, all Deputy Inspectors were receiving Fixed T.A. In that year the system of F.T.A. was discontinued in the case of Dy. Inspectors of non-Muhammadan Ranges and they were allowed T.A. as for journeys on tour for the reason that in a good number of the Non-Muhammadan ranges more than 50 schools were within a radius of 5 miles from the headquarters of the Deputy Inspectors and that they were not able to make up the minimum tour ~~for~~ of 190 days required for drawing the full T.A. This difficulty did not arise at that time in the case of Deputy Inspectors for Muhammadan Ranges, and so F.T.A. was continued for them. ~~In 1931~~ ^{also} The Director reported that financially it would be more advantageous to Govt. if the system of F.T.A. was allowed to continue in the case of Dy. Inspectors for Muhammadan Ranges, and ~~xxx~~ ^{was therefore} it was ordered that the system of F.T.A. should be continued.

The Director now requests that the system of F.T.A. should be discontinued. In support of this proposal he states as follows:-

"The present F.T.A. to the Muslim Senior Deputy Inspectors and Junior Dy. Inspectors is not an inducement to them to do the maximum touring. If they do the maximum touring, there is the fear of their expenses exceeding the F.T.A. allowed to them."

The Deputy Inspectors of Muhammadan Ranges are expected to put in 190 tour days per annum. The D.E.Os. and Divisional Inspectors of Schools feel that the Muslim Dy. Inspectors in spite of their wide jurisdiction can do intensive work to advantage if they are given the ordinary T.A. as in the case of Dy. Inspectors of non-Muslim ranges."

As the idea now is to make the Muhammadan Deputy Inspectors tour more and tour ~~int~~ intensively, this Department supports the Director's recommendation. The extra cost on account of the change of T.A. ^{system} is ^{about} estimated to be Rs.1000/-.

Necessary provision as shown in the summary at the top may be made in the B.E. for 1946-7.

The Director of Public Instruction has proposed -

(1) the conversion of the posts of Junior Deputy Inspectors in Kurnool, Cuddapah and Chingleput Muhammadan ranges, into posts of Senior Deputy Inspectors;

(2) the grant of ordinary T.A. under the Madras Travelling Allowance Rules instead of the Fixed Travelling Allowance to the Senior and the Junior Deputy Inspectors of Muhammadan Ranges.

(1) above.- The inspection of elementary schools for Muhammadan boys is being done by a separate staff of Muhammadan Deputy Inspectors. The Director points out that the number of schools in three of these ranges viz., Kurnool, Cuddapah and Chingleput, is large and the jurisdiction vast. He, therefore, recommends that the post of Junior Deputy Inspectors in these ranges may be converted into post of Senior Deputy Inspectors and the three ranges in question reconstituted into single district ranges, Madras being included in Chingleput. In support of this proposal he states as follows:

"In view of the vast jurisdiction intensive work is not possible in the Muhammadan ranges even with the assistance of Junior Deputy Inspectors. It is quite necessary to restrict the jurisdiction of a Muslim range to one district wherever possible and appoint a Muhammadan Deputy Inspector for each district, he being assisted by a Junior Deputy Inspector wherever the number of schools is large enough to justify the appointment of a Junior Deputy Inspector. This principle can be applied at present in the case of Kurnool, Cuddapah and Chingleput Muhammadan Ranges."

This Department supports the Director's A proposal for the conversion of the 2 Junior Deputy Inspectors in Kurnool and Cuddapah Muhammadan

Muhammadan ranges. Having regard to the comparatively small number of Muhammadan schools viz., 109, in the Chingleput range, this department considers that the question of the conversion of the Junior Deputy Inspector in this range may be deferred for the present.

Item (2) above.- Prior to 1931, all Deputy Inspectors were receiving Fixed Travelling Allowance. In that year the system of Fixed Travelling Allowance was discontinued in the case of Deputy Inspectors of non-Muhammadan Ranges and they were allowed Travelling allowance as for journeys on tour for the reason that in a good number of the non-Muhammadan ranges more than 50 schools were within a radius of 5 miles from the headquarters of the Deputy Inspectors and that they were not able to make up the minimum tour of 190 days required for drawing the full travelling allowance. This difficulty did not arise at that time in the case of Deputy Inspectors for Muhammadan Ranges. The Director also reported that financially it would be more advantageous to Government if the system of Fixed Travelling Allowance was allowed to continue in the case of Deputy Inspectors for Muhammadan Ranges. The system of Fixed Travelling Allowance was therefore continued.

The Director now requests that the system of Fixed Travelling allowance should be discontinued. In support of this proposal he states as follows:

"The present Fixed Travelling allowance to the Muslim Senior Deputy Inspectors and Junior Deputy Inspectors is not an inducement to

to them to do the maximum touring. If they do the maximum touring, there is the fear of their expenses exceeding the Fixed travelling allowance allowed to them.

The Deputy Inspectors of Muhammadan Ranges are expected to put in 190 tour days per annum. The District Educational Officers and Divisional Inspectors of Schools feel that the Muslim Deputy Inspectors in spite of their wide jurisdiction can do intensive work to advantage if they are given the ordinary travelling allowance as in the case of Deputy Inspectors of non-Muslim ranges."

As the idea now is to make the Muhammadan Deputy Inspectors tour more and tour intensively, this Department supports the Director's recommendation. The extra cost on account of the change of travelling allowance system is estimated to be about Rs. 1,000/-.

Necessary provision as shown in the summary at the top may be made in the Budget Estimate for 1946-47.

INSPECTION - Conversion of posts of Junior Dy. Inspectors, Kurnool and Cuddapah Muhdn. Ranges, into posts of Senior Dy. Insprs. - Grant of ordy. T.A. to Dy. Inspr of Mohdn. Ranges instead of F.T.A. Orders passed.

From the D.P.I., Rc.No. 753.A.41 dated 29-9-45 and 8-12-45.

ORDER/Ms.No. 794 Edn. dated 12-4-46

The Govt. sanction (with effect from 1-5-46) the proposal of the D.P.I. that the two Muhdn. ranges of Kurnool and Cuddapah be reconstituted with effect from 1-5-46 into four single-district ranges and that the posts of Junior Dy. Insprs. of ^{Mohdn. Ranges} schools in Kurnool and Cuddapah on Rs. 50-70 be converted into posts of Senior Dy. Insprs. on Rs. 70-200. They also sanction the employment in each of the offices of the Dy. Insprs. of Bellary and Chittoor Muhdn. Ranges, two clerks on Rs. 30-55 ~~each~~ and one attender on Rs. 19-30. The requisite provision on account of rent, furniture, etc. for the Dy. Inspectors' Offices has been made in

the Annual Estimate of Expenditure for 1946-47.

The D.P.I. is informed that the Govt. do not see sufficient reason to accept his proposal to reconstitute the Chingleput Muhdn. Range into two Ranges.

2. The Govt. direct that the Dy. Insprs. of Schools (Senior and Junior scales) in Muhdn. ranges be paid, in lieu of the F.T.A. now drawn by them, T.A. admissible under the M.T.A. Rules, for journeys on tour.

To the D.P.I.
To the A.G. (thru' Fin.)

43569. From the D.P.I. No. 753-A/41, dated 28-9-45.

Inspection - Conversion of certain posts of Junior Dy. Insprs. in Muhammadan Ranges into posts of Senior Dy. Insprs. - Sanction of ordinary T.A. to Muhammadan Dy. Insprs. - Part II Scheme.

The inspection of elementary schools for Muhammadan boys is being done by a separate staff of Muhammadan Dy. Insprs. The Presidency is divided into 15 ranges for the purpose, each of which has a Dy. Inspr. of the Senior Grade and six of the ranges have each a Deputy Inspector of the Junior Grade also. Of the six ranges which have both a Senior and a Junior Deputy Inspector, all except Cuntur cover more than one revenue district. The D.P.I. points out that the number of schools in three of these ranges, viz., Kurnool, Cuddapah and Chingleput, is large and the jurisdiction vast. He, therefore, recommends that the post of Junior Deputy Inspectors in these ranges may be converted into posts of Senior Deputy Inspectors and the three ranges in question reconstituted into single District ranges as shown at "M" on p.2 C.F. He also proposes that two clerks and an attender may be sanctioned for each of the new Senior Dy. Insprs. In the circumstances stated, the proposal may be accepted.

The net extra cost per annum on account of this proposal is reported to be about Rs.7,500.

2. The Director further recommends that both the Senior and Junior Dy. Insprs. of Muhammadan Ranges may be permitted to draw T.A. according to M.T.A. Rules, instead of F.T.A. now allowed to them.

Prior to 1931, all Dy. Insprs. were receiving fixed travelling allowance. In that year, the question of abolishing the F.T.A. was considered. In C.O. 1354 L.W. (Tdn.) dated 1-8-1931, the system of F.T.A. was discontinued in the case of Dy. Insprs. of non-Muhammadan Ranges and they were allowed T.A. as for journeys on tour for the reason that in non-Muhammadan Ranges more than 50 schools were within a radius of 5 miles from the headquarters of the Dy. Insprs. and they were not able to make up the minimum tour of 120 days required for drawing

the full T.A. This difficulty did not arise at that time in the case of Dy. Insprs. for Muhammadan ranges and so F.T.A. was continued for them. The D.P.I. was, however, asked to send a separate report about the advisability of abolishing the system of F.T.A. for them also: vide para 3 of C.O.1354 Law (Fdn.), dated 1-8-31. In Octr. 1941, the D.P.I. reported that financially it would be more advantageous to Govt., if the system of F.T.A. was allowed to continue in the case of Dy. Insprs. for Muhammadan Ranges and the Govt. ordered that the system of F.T.A. should be continued - Vide C.O.1982 Law (Fdn.), dated 18-11-31.

3. The Director now requests that for the reasons stated below, the system of F.T.A. should be discontinued:-

(1) Though the jurisdiction of the range is wide, the Dy. Insprs. are not able to do the maximum possible touring to do intensive work, as there is the fear of their expenses exceeding the F.T.A. allowed to them. This is borne out by the statement on p.2 CF. of "R".

(2) The Dy. Insprs. in the non-Muhammadan Ranges draw T.A. according to M.T.A. Rules.

The extra cost involved on account of the change of T.A. has not been reported.

The D.P.I.'s proposal may be supported in this department.

4. The file may be sent to Finance u.o. for remarks.

Part II Scheme for 1946-47.

E & P.H. recommend the proposals of the D.P.I.:-

	Extra cost per annum.
1. To convert the existing posts of Junior Deputy Inspectors in Kurnool, Cuddapah and Chingleput Mahomedan Ranges into posts of senior Dy. Inspectors and to distribute the jurisdiction as indicated at M on page 2 C.F. Note: This involves the employment of an additional staff of 6 L.D. clerks, 3 Attenders.	Rs. 9,893

2. To sanction ordinary rates of T.A. to the Senior and Junior Deputy Inspectors of Mahomedan Ranges in lieu of F.T.A.	Cost not known.
--	-----------------

2. Item (1) above:- In the circumstances explained in para 2 on pages 1-2 C.F. and in view of the number of Mahomedan schools, this department may agree to the conversion of the Junior Deputy Inspectors in Kurnool and Cuddapah ~~Mahomedan~~ ^{Muhammadan} Ranges and the redistribution of the jurisdiction on a ~~distinction~~ ^{district} basis as proposed. Having regard to the small number of Mahomedan schools in the Chingleput Range (109) ~~and the compactness of the area~~, the case for the bifurcation of this range and the conversion of the post of Junior ~~Inspector~~ ^{Dy} does not seem equally strong. In fact the Cocanada Mahomedan Range comprises 3 districts and it is not proposed to bifurcate it. In the circumstances, the proposal in respect of Chingleput Range may be ~~deferred~~ ^{deferred} for the present until more experience is gained of the introduction of compulsory Elementary Education and its effect on the number and strength of Mahomedan schools.

If the above suggestion is accepted, it will be necessary to convert 2 posts Junior Deputy Inspectors into 2 Senior Deputy Inspectors with an additional staff of 4 L.D. clerks and 2 Attenders. The extra cost on account of this staff including rent works out to Rs. 6600/- per annum recurring

Item (2) above:- The proposal is urged on the ground

Handwritten notes in the left margin of the second page, including 'A above the ranges', '49479', and various calculations and remarks.

that the present T.A. to the Muslim Senior Deputy Inspectors and Junior Deputy Inspectors is not an inducement to them to do the maximum touring ^{and} that if the ordinary rates of T.A. are allowed they will be able to do intensive work to advantage. The extra cost involved on account of the change of T.A. has not been reported. Before Finance agree, E & P.H. may be requested to obtain an estimate of extra cost.

There can be no objection to T.A. being given according to the T.A. rules. ^{not} do not have to make a profit on T.A.

Please see the note of Finance Dept on Mr. 3-4 above. That department agree to the conversion of the two posts of Deputy Inspectors in the Kurnool and Cuddapah Muhammadan Ranges. ^{Junior} but not to the conversion of the post of Deputy Inspector in the Chingleput Range.

As regards grant of ordinary T.A. to Muhammadan Deputy Inspectors, Finance agree. The extra cost involved on account of this change of T.A. will be obtained from the D.P.D. after orders are passed. For order whether A must be passed

The Finance Dept's proposal may be accepted.
