Case 16133 F/46 From the S. G. P. no 177/Mis d 12.3.46.
Good Press. From Control and Despatching Section
Permanent retention of addl staff.

The S. G. P. requests:-

- (1) That sanction may be accorded to the permanent retention of the staff referred to at T on p 1 CF. and
 - (2) That his proposals contained in para 7 of his letter no 177/Mis d 10.3.44 should be accepted.
- (1) above.

When the S. G. P. submitted his proposals in 1944 in his letter no 177/Mis d 10.3.44 for the permanent retention of the staff sanctioned in G. no 464 Bdu. d 27.3.1941, the Finance Dept. noted that as it was not usual to make temporary posts permanent unless the need for these posts had been established for at least five years. As these posts had been in existence at that time for five years ^{only}, they suggested that these posts might be continued on a temporary basis for a period of another two years. Orders accordingly issued in G. no 544 Bdu. d 12.4.1944 ~~termining the posts temporarily for a period of 2 years~~ ~~As a period of 6 years has since been expired since the posts were originally sanctioned for orders which the staff referred to at T on p 1 CF (the staff sanctioned in G. no 464 Bdu. d 10.3.44 as modified in G. no 640 Bdu. d 25.4.44) may be retained permanently with effect from 1.4.46.~~

2. As the work is of a permanent nature, I request that government may be pleased to sanction the permanent retention of the establishment.

3. In this connection, I would like to invite the attention of the Government to the proposals contained in my letter No. 177/Mis dated 10-3-1946 regarding the necessity for slight alterations in the composition of the staff originally sanctioned in G.O. No. Ms. 464 Edn. dated 22-3-1944 for the reasons already given therein and to state that I was working the sections with the slight alterations sanctioned in G.O. No. Ms. 640, Edn. dated 25-4-1944 with no satisfaction either to me or to the staff engaged. It is a very great hardship indeed to the qualified men engaged to be told that they cannot expect more than what they were being paid in spite of the fact that the work expected of many of them is equal to that of clerks though designated as despatchers. The work is increasing day to day with added responsibilities.

4. I should therefore be failing in my duty if under these
