Sir,

Sub: GRANT - Building - Sanitary installations and compound wall -
Deaf and Dumb and Blind school, Teynampet, Madras.

In submitting herewith a copy of the application dated 13-2-1946 from the Mother Superior, School for the Blind, Deaf and Dumb, Teynampet, Madras now at Srivilliputtur, I have the honour to state as follows:-

2. The school is still at Srivilliputtur but the management proposes to construct a compound wall and put up sanitary installations to their building at Teynampet at an estimated cost of Rs 34403/- before the school is brought back to Madras.

3. In view of the fact that the institution is intended for the Deaf, Dumb and Blind and that the neighbourhood is an open and unprotected area with a Cinema theatre and an arrack shop, the construction of a compound wall to the school building is absolutely necessary. I also consider that the other sanitary arrangements proposed by the management are necessary.

4. In the circumstances, I request that Government may be pleased to permit me to place the scheme on the approved list. The amount of grant payable to the institution may be decided after the plans and estimates have been scrutinised and approved by the Consulting Architect.

Copy of application dated 13th February 1946 from the Rev. Mother Superior, School for Blind, Deaf and Dumb, Madras to the Director of Public Instruction, Madras

Sub: Application for grant for sanitary installation and compound wall.

I have the honour to submit the enclosed plans and estimates for 2 schemes for favour of your approval and sanction of half grant.

Up to now our school and boarding houses have had no modern sanitary equipment and in a large institution like ours flush out latrines lavatories are quite essential.

A compound wall is also absolutely necessary in a school which caters for deaf and blind children. The Compound has walls on the front side but the plot of land recently given to us by Government needs a wall very urgently - without it the compound is open to trespassers and our children are also exposed to straying out of the precincts.

I earnestly pray that my request for the grant on the above schemes may be sanctioned urgently as these works should be completed before the school is shifted back from Srivilliputtur.
