Dear Mr. Subramanian,

2161

On my way to Mysore to attend the meeting of the Central Advisory Board of Education, I am stopping for a day on January 21st in Madras. I have no particular problems to discuss with you but it struck me that it might perhaps be useful if we could meet and have a general talk in regard to the Overseas Scholarships scheme so that any doubtful points might be cleared up.

I am afraid I do not yet know where exactly I shall be staying in Madras, but you will be able to contact me quite easily through the Vice-Chancellor or the Registrar of the University.

Yours sincerely,

(ASHFAQUE HUSAIN)

M.V.Subramanian, Esq., I.C.S.,
Secretary to the Govt. of Madras,

Scholarship - Overseas.

Note for discussion with Mr. Ashfaque Husain.

1945-6: Sponsored candidates: The Madras Government selected 106 private candidates ~~for the grant of scholarships for studies overseas~~. Of these, the G. of I. selected ~~49 candidates out of these~~ for the award of scholarships by the Provincial Government 49 candidates and ~~8 candidates~~ by the Central Govt. 8 candidates. Four candidates out of the 49 resigned their scholarships. The~~se~~ ~~are 45 candidates remaining~~ remaining no. is 45 - 22 for U.K. and 23 for U.S.A. Information has been received from the Travel Agents that 17 candidates for U.K. and 14 for U.S.A. have actually sailed. Admissions have been secured for 41 candidates (23 in U.S.A. and 18 in U.S.A.).

Government servants: Thirty-two Govt. servants were selected under the Government of India Scheme and five on deputation terms. Seven have actually sailed according to the letter of the Travel Agents received in this Department. It is not known whether other departments have additional information in the matter.

1946-7: The Government of India have allotted 50 scholarships to this Province. An advertisement calling for applications for the scholarships will be published shortly. The personnel of the Selection Committee is also under consideration. // The Govt. have proposed to send 42 Government servants for study abroad: (Education - 10; Development 26; and P.W.D. 6).

4. The Government of India's instructions regarding the award of scholarships are noted on in the sectional notes in the linked file. This Government have not accepted the views of the G. of I. on the following points:-

(1) Minimum Qualifications:- I Class M.A. or equivalent degree - pp.5-7 of Sectional Notes.

(2) Grant of scholarships to state subjects and candidates belonging to other Provinces - p.6 of Sec. notes.

(3) Permission for Govt. servants to appy for the scholarships - pp.11-12 of Sec. note.

(4) Application of communal ratio in the selection of candidates - pp.21.23 Sectional notes.

5. In para 4 of the letter on p.5 c.f. the G. of I. have stated that when sending the names of candidates recommended by

[illegible]

LFI

[illegible]

6

Provincial Government the application and all other documents, such as photographs, copies of syllabuses etc., should be sent. The Government of India have also asked that two or three candidates may be recommended for each subject. ~~Then~~ The Govt. will be recommending the names of 100 to 150 candidates for the 50 scholarships allotted to them. Last time the documents referred to above were sent only after the G. of I. had selected the candidates finally. It may be ascertained whether that procedure may be followed this time also. If photos, etc., are called for from all candidates selected by this Government, it will be giving them unnecessary hopes of selection, apart from the delay that will occur in reporting the names to the Govt. of India.

6. Perhaps ~~he~~ Mr. Husain may also be requested to clarify the implication of the second sentence in para 3. That suggestion was generally accepted - vide para 2 p.5 n.f. of L.F. The Govt.'s requirements were first intimated in the letter on pp.37-38 and pp.41-42 c.f. of L.F.II. It will be seen that for ~~rest~~ most of the subjects only one candidate each was proposed. These requirements have been cut down on the allotment of the number of scholarships being fixed at 50. With one or two exceptions, only one candidate has been proposed for each subject. Perhaps if a candidate is not suitable for a subject for which he is selected by the Provincial Selection Committee, he may be chosen for one of the subjects originally reported to India and not included in the revised list.

7. It may also be pointed out that the general arrangements have not been ~~sent~~ quite satisfactory~~ly~~. vide - the P.W.D. Secy's notes in L.F.III. The point about warm clothing referred to by the Chief Secretary (p.2 n.f. of L.F.I) and A.4 (p.6 N.F.-LF I) may also be discussed.

Ref. Stipends for advanced Studies Overseas.

Sir,

I have to refer certain points on the Subject, for I wish to apply in category (4) applied Chemistry Subject (E) oil Technology and hydrogenation. I am a graduate in Chemistry & Physics in III class of the University of Madras. But my age is 35 and I have lost all my certificates except my University certificate. After graduating in the year 1934, with the idea of becoming an apprentice in some manufacturing factories of India, I travelled all over India, but in vain. Finally I had to go to Malaya, where I got the opportunity of working as asst. Chemist in Hume Pipe (F. E.) Ltd, where I was doing researches on Electrodes, materials for glass manufacture. Finally I succeeded and established a big glass factory. My interest was in fats and oils. I established a soap factory and a margarine factory for them. So I have a thorough practical knowledge in oils & fats. After 6 years of working in the firm, war started and I was stranded there. Even in Japanese time I was carrying on my old business under them the Syonan (Singapore) Municipality. In addition I was distilling and extracting oil (Power) from Rubber, which was almost successful, though not economically. So I want to inform you that I have 10 years experience in Oils & fats, especially in Hydrogenation and I can stand a practical test.

5109

Z

M

P.T.O.

1) Reason for the loss of certificates:- During Japanese invasion of Malaya, my house was bombed. So all my belongings were lost. My university B.A. degree certificate was in India in a Frame. So that was not lost.

2) Reason for over age:- I was stranded due to War for 5 years in Malaya. For the loss of 5 years I have secured more knowledge in Oil (mineral & edible) Chemistry.

3) I have a certificate from my General Manager given to me in 1945 after the British re-occupation, to the effect that I was their Chemist.

4) About my birth certificate and other certificates required for this Stipend, I can swear before a Magistrate and get it attested by him.

5) I was just contemplating to establish a Soap factory in my birth place with the help of friends & relations, when I saw this advertisement in the shape of a notification. So if you give me a chance to apply, without the assistance of the Government, I will be of much use to the Industry.

So I request you to go through the matter carefully and send me a reply, as to my eligibility for applying the same. If eligible, please send me the necessary application forms for the same. If not eligible, please send me a reply to the effect. As I am not sure, whether I can apply or not, I am not enclosing a stamped envelope. You post it simply without a stamp. I will pay the stamp fee and receive the prospectus. Please do not disappoint me. A good government will always meet the ambitions of an ambitious man.

Yours obediently

C. No. 5109/46. From Sri. P.C. Nambiar dated 26.1.1946.

pp 1-3 c.f.

Sri. P.C. Nambiar wants to apply for a Scholarship in Applied Chemistry - Oil Technology and Hydrogenation. He says that he has lost all his certificates (except the university certificate) and that he is now 35 years of age, but that he has had lot of practical experience in the subject. He enquires whether he can apply for the Scholarship.

Separate file

In connection with the laying down of the qualifications for the different subjects included in the Appendix II of the advertisement the Adviser (A3) minuted that the applications should not be rejected ~~merely~~ mainly on technical grounds.

pp 1-3 c.f.

From the letter in the current file it would appear that Sri. Nambiar is qualified to undergo further studies in the subject. It is for Development to decide whether the fact of his being overaged should stand in the way of his applying for a scholarship. The file may be sent to that Dept. for very early remarks.

Is anything here left to be checked with reference to any papers he may be able to produce by us.
I am not sure, though, whether A3 has in mind the relaxation of age-limit at all.

The Govt had accepted, as a general rule, that the age limit for applicants for scholarships from private students should be 30 in all cases. In the case of subjects chosen by this dept for the award of scholarships (~~Appendix~~ Appendix II in the notification at (W).), this dept held the ~~view~~ opinion that, in view of the nature of the subjects, an upper limit of 32 years may be adopted if the candidates had produced satisfactory evidence of previous experience. Prima facie

Also in Ed & H Dept
Science subject

There would appear to be no case for further relaxation in regard to age limit in this case from 32 to 35. The basic academic qualification of the candidate is not very high — being only a Graduate in Chemistry & Physics with a III class pass at the Degree Examination and the after career appears to have been a ~~[illegible]~~ varied and without concentrated research or work in one subject. As pointed out by Secy, E&H. Dept, the candidate's assertion in regard to his previous experience have to be accepted with any papers he may be able to produce, and it is unlikely that other better qualified persons satisfying the rules may not be forthcoming for the subject 'Oil Technology & Hydrogenation'. For orders whether the case of the applicant would be deemed to be one justifying the relaxation of the accepted rules for admission to the Scholarships.

Ref: Application in duplicate from Sri. K. Doraswamy, Assistant Chemist, Government Quinine Factory, Naduvattam, for stipend for advanced studies overseas in 1946-47.

Forwarded to the Secretary to the Government of Madras, Education and Public Health Department, Madras through the Secretary to the Government of Madras, Development Department, Madras.

2. The recruitment of Sri. K. Doraiswamy to a post of Assistant Chemist in this department falls within the scope of the Madras Civil Services (War Service Personnel) Recruitment Rules. When Sri. V.S. Balakrishnan (whose case has been referred to in Development Department, letter to the Government of India No. Ms. 5014, dated 20.12.1945) joins duty as a Assistant Chemist in the middle of this month as is expected, Sri. K. Doraswamy has to be discharged from service. The strength of the cadre of Assistant Chemists being limited, it is not likely that Sri. Doraswamy will have an opportunity for re-appointment in this Department in the near future.

3. Under the circumstances it is requested that the case of Sri. K. Duraiswamy may be considered as an exception to the procedure laid down in the memorandum No. 57393-C/46-3, Education (Education and Public Health Department), dated 23.1.1946 and his application may be disposed of as Government consider fit.

The Director, Cinchona Dept. has submitted an application from Sri K.Doraiswami, officiating Assistant Chemist ~~of~~ in the Govt. Quinine Factory, Naduvattam for selection to undergo advanced courses of studies overseas. Sri Doraiswami is likely to be discharged from service by the middle of this month and is not likely to be re-employed in the near future. The Govt. have ordered (in full circulation) that applications of Govt. servants from this Province for the Govt. of India scholarship for advanced studies overseas will not be forwarded. The Director has however stated that in the case of Sri Doraiswami an exception may be made and that the application may be disposed of by Govt. as they consider fit.

In reply to a recent enquiry from a temporary Govt. servant in the High Explosive Factory, Kirkee, asking whether he ~~was~~ eligible ~~to apply~~ for the scholarship, as he was ~~a~~ likely to be discharged from service before March 1946, it was stated that his application would not be considered unless he had ceased to be a Govt. servant on the date he applied ~~for scholarship~~. In the file linked below is ~~put~~ put up another application ~~from a~~ from a tempy. Govt. servant employed in the Inspectorate of Military Explosives, Kirkee, ~~requesting that~~ The applicant has stated that he has applied for the scholarship because he is under 'notice to quit by 1.4.46'. Besides this application, there is another in the L.F. from ~~an~~ a temporary clerk ~~appointed~~ ~~for~~ in the Chief Secretariat. This clerk is understood to have been appointed in the Chief Secrt. under emergency powers and that ~~he~~ is ~~liable~~ to be ousted from service at any time.

It is for orders whether ① in view of Devt. Secy's note on page 1 ante, Sri K. Doraiswami's appln. will be admitted provisionally; ② and if so, whether ~~the~~ similar concession will be ~~shown~~ extended to the other two applicants in L.F. and also to any other ~~future~~ similar applicants who might apply in future.

Please see the Secy.'s orders on p. 2 ante. Apparently the Secy.'s intention is that applications from temporary Government servants need not be admitted as a matter of course and that only applications from those who state that they are likely to be discharged from service in the near future need be admitted. There are ten applications from Government servants below. Nos. 1 to 5 may be admitted provisionally as the candidates declare that they are likely to be ousted soon. They may be told that their applications will be considered only if they have been discharged from service on the date of the interview if they are called for it. The remaining five applications may be rejected as the candidates have not stated when they are likely to be discharged.

Sir,

Ref: Govt. Memo. No. 8134-C/2/46-1Edn dated 23-2-46.

I beg to state with reference to the Memo. from the Education and Public Health Department, (copy enclosed) to me that I had applied to be selected for foreign studies according to the scheme of the Madras Government for 46-47. One of the conditions of the application was that I should not be in Government service at the time of my applying. Accordingly when I made the application I was not in Government Service. But seeing that the final selection of Government may take time I applied for the post of Town Planning Assistant on seeing that the post was only temporary. My appointment was approved by Government in G.O.No.532 P.H. dated 21-2-46. The above Memo. is dated 23-2-46 and was received by me on 4-3-46. Under this Memo I stand to lose the chance of being selected for higher studies as I have now joined duty in this Department. This is indeed very hard on me. As a measure against this I would be compelled to resign my present post contrary to my personal promise to the Director of Town Planning but I do not wish to do so. I am to submit that I am willing to work in the Director of Town Planning Office as an apprentice pending the selection and am prepared to relinquish my salaried post for the sake of this opportunity. I would however beg to request that Government may be pleased to consider my case sympathetically and permit me to hold the temporary post of Town Planning Assistant without prejudice to my claims for selection for foreign studies.

Sir,

Sub: Petition from Sri Dayananda Konchady-regarding selection-Overseas studies-

A petition from Sri Dayananda Konchady dated 7th February 1946 is enclosed.

The appointment of Sri K.Dayananda, as temporary Town Planning Assistant was approved by Government in G.O.No.532 P.H. dated 21-2-46. He joined duty on the 22nd of February 1946.

p20/Ⓚ

In the circumstances stated by him viz. that he made his application to Government for selection for overseas training prior to his appointment in this Department on 22-2-1946, and that the Government Memo. No.8134-C2-/46 Edn. dated 23-2-46 was received by him only subsequently, ~~the~~ Government, may favourably consider his case and be pleased to permit him to hold the temporary post of Town Planning Assistant without prejudice to his claims for selection for foreign studies.

I am informed by him that his training, if he is selected for it, will be in subjects allied to Town Planning, viz. Public Health, Engineering, etc. if not in Town Planning itself.

Overseas Scholarships - Govt. servant who resigned his appt. in P.W.D - Enquiring whether he can now take up appt

Sri K. Dayananda was one of the applicants for overseas scholarships. As he had mentioned in his appln. that he had been ~~been~~ selected for appt. as Town Planning Assistant and was awaiting orders for appt, the candidate was informed that if he was appointed to Service before final selection, his appln. would not be considered further. The candidate was ~~thereupon~~ subsequently appointed as Town Planning Asst. and he petitioned to Govt requesting that although he was in Govt Service, his appln. for scholarship might be considered eligible still. As Govt. ~~had~~ decided that no Govt Servant, either temporary ~~or~~ permanent should be eligible for the scholarships, ~~the~~ Sri K. Dayananda was informed that no exception to the general condition can be made in his case. The candidate therefore resigned his appt. ~~as~~ Town Planning Asst. and was granted interview by the Selection Committee on 18.3.46.

p. 23 (k)

Sri Dayananda now asks if he can take up an appt. in P.W.D. or any other Dept. There appears to be no objection to the candidate's taking up an appt. now. It is not known whether the candidate will be selected for the award of a scholarship. Even if the candidate is selected, he may, by being employed ~~under Govt~~, usefully spend his time until he sails abroad instead of keeping idle. For orders whether the candidate may be told that Govt. have no objection to his taking up an appt.

TNB 25/3/46

It does not seem that the candidate can be allowed to take up any Govt. appt. until the final results of the selection by the Govt. of India are known.

For orders

BKM 26/3/46 S

Put up after the Committee's list comes in. If he is not selected we may (without mentioning that) merely tell him we have no objection to his taking up (without mentioning that (sel.)) appointment. Sir,

I beg to bring the following to your kind notice and favourable consideration.

2. I hold a B.Sc. degree from the Madras University and in addition have satisfied the examiners of the Institution of Civil Engineers, London in all the subjects with the exception of Mechanics and Engineering Drawing but because of my performances in all the other subjects, I have been specially permitted to take these two subjects alone in April next. Thus by April next, I would be completing Sections A and B of the Associate Membership examination of the Institution of Civil Engineers, London.

3. In addition to the above, since the 1st of July 1943, I have been working as an indentured apprentice under Mr. C.W. Spencer, O.B.E., Chartered Civil Engineer and Director, Messrs. Gannon, Dunkerley & Co., Engineers, Madras.

4. I give below my Engineering experience:

a) Drawing and Design Office.

b) Construction of a Swimming pool 30 metres x 10 metres, one of the biggest of its kind in Asia.

c) Construction of Defence Works inside the Madras Harbour (All Reinforced Concrete type)

d) Construction of "The Hope Club" a huge club for commissioned and non-commissioned officers.

e) Construction of a three storeyed building as extensions to the Madras Secretariat, which is in progress.

5. During the period of my stay on works, I have gained considerable experience in supervising all types of Reinforced Concrete Construction.

6. After submitting my application for taking higher training abroad, I interviewed the Secretary, Education Department, who informed me that since I do not possess a B.E. degree of the Madras University, I cannot be considered for selection.

Sir,

On 2nd. Jan. '46 I requested in a letter to you to kindly forward to my address an application form along with particulars regarding scholarships the Govt. of Madras may be awarding this year for studies overseas. In reply I was "informed that he may watch for the advertisement which will be published shortly in the newspaper by this Govt." I have failed to notice in the Calcutta newspapers especially The Statesman any advertisement published by the Govt. of

Madras regarding the overseas scholarships within the last 20 days. And to-day I received from a friend of mine in Madras a cutting of your advertisement in 'Hindu' dated 25th Jan '46.

May I bring to your kind notice that to those of us belonging to the Madras Province who are residing outside the Province our Provincial Govt. is doing an injustice in not letting us know the opportunities that do exist in our own province by confining its advertisements to the local papers only. The cutting I received from my friend has taken 5 days to reach Tatanagar — the great Steel Town on Bombay-Calcutta main line — where I am at present employed. How can any of us who are nearly 4 to 5 Mail-days-away from Madras hope to get the application forms and forward the same with the necessary 'documents' within 15 days of the date on which the advertisement appeared in the Madras newspapers?

The advertisements of the Central Govt and the other Provincial Govts. appeared in The Statesman more than one month or so in advance of the last date fixed by them for the receipt of applications. Is it too much to expect a similar procedure from our Provincial Govt as well?

May I therefore request you, Sir, to reconsider the time limit allowed and extend it by at least 10 days for the benefit of those residing outside Madras Province.

With the hope that my request will be conceded, I am enclosing a stamped and addressed envelope for the prescribed application form.

Yours sincerely

3rd Feb '46.

para 8, p1 of ⓐ

The last date for the receipt of applns is 9th Feb. 46. The original intention was to give three weeks time to the candidates for sending their applications. However, on account of some delay in settling qualifications for certain subjects, specially those in Appendix II of the advertisement, and in view of the fact that the final list of candidates selected by the Provincial Govt has to be sent to the G. of I by 31-3-46, the time limit for the receipt of applns had to be restricted to 9-2-46.

There was also some delay in the newsp. offices (owing to the difficulty in finding space) in [illegible] between [illegible] the matter to the [illegible] and publication of it.

3 Following the precedent of last year, the advertisement in question was not published in any of the North Indian Newspapers. In view of this, the shortness of time for sending applications seems to be a real grievance to Madrasees employed in Northern India. Only about 90 applications have so far been received.

It is for consideration whether an extension of time till 16th ⊗ Feb. 46 may now be granted. If so, the decision to give an extension of time

A at p.1 of nw will be the principal consideration. But even apart from this, the interval between the last publication in the papers, & the last date fixed, does not actually allow sufficient time for candidates to obtain the forms etc. & to obtain the certificates from principals, write the testimonials etc. 'B' at p.1 also reflects this difficulty. So I think it necessary that we allow an extension of time; 16th Feb. may be fixed as the last date, & the announcement may be by way of a 'press release'. /A.

Respected Sir,

Applications for advanced studies overseas have been called for by the Govt. of Madras. The conditions of eligibility do not seem to provide any room for applications from the final year students, who will be completing their course by this March. May I request you to be kind enough to issue a notification clarifying this point – whether those students can apply or not – which will save ~~of~~ much time, money & trouble of many a student intending to apply.

Yours most obediently
Sir,
E.C.Chandrasekharan.

Scholarships for advanced courses of studies overseas_1946-47

~~Selection of students for undergoing technical and science courses in other countries.~~

Memorandum ~~No.~~

With reference to his application in connection with the selection noted above

is asked to appear before the Selection Committee $\frac{\text{at} \quad \text{a.m.}}{\text{at} \quad \text{p.m.}}$ on

at the Secretariat Buildings, Fort St. George.

M. V. SUBRAMANIAN,
Secretary.

Stipends for advanced studies overseas, 1946–47.

The Government of India have decided to continue in 1946–47 the scheme for sending to other countries a certain number of students at Government expense for advanced courses in subjects directly related to post-war needs. Arrangements for instruction will be made primarily in the United Kingdom and the United States of America and, if possible, in other countries which may offer adequate facilities.

2. In the scheme there will be about fifty places for stipendiary students nominated by the Provincial Government. For these places the Government propose to nominate candidates for the courses specified in Appendices I to IV. Applications are invited from qualified candidates, who are British Indian subjects belonging to the Madras Province.

3. Applications from States subjects or candidates belonging to other Provinces will not be considered. Applications of 'evacuee' students will be considered only if they have not lost British Indian nationality and have a connexion with the Madras Province. Applications from Government servants, either temporary, officiating or permanent, will not be considered.

4. *Qualifications*—**For courses included in Appendix I**—(*a*) *Academic qualifications.*—The B.E. degree of the Madras University or the certificate of the Indian Institute of Science, Bangalore, in the branch of Engineering to which the proposed course relates.

NOTE.—Candidates possessing a degree in Mechanical Engineering may apply for Aerodynamics, Aircraft navigation and Aircraft instruments.

(*b*) *Age.*—Candidates should not be more than 30 years of age on the 1st July 1946. But candidates with satisfactory evidence of having a good record as teachers may also apply if they are not more than 40 years of age on the date mentioned above.

Women candidates may also apply.

For courses included in Appendix II—(*a*) *Academic qualifications.*—Minimum qualification specified against each subject in the appendix.

(*b*) *Age.*—Candidates should not be more than 30 years of age on the 1st July 1946. But candidates with statisfactory evidence of having previous experience of the subject in which they propose to specialize may also apply if they are not more than 32 years of age on the date mentioned above.

For courses included in Appendices III and IV—(*a*) *Academic qualifications*—(*i*) *Electrical Engineering.*—A degree in Electrical Engineering of the Madras or Benares University or certificate in Electrical Engineering of the Indian Institute of Science, Bangalore, with first-class or equivalent distinction.

(*ii*) *Mechanical Engineering, Civil Engineering and Highway Engineering.*—A degree in Civil or Mechanical Engineering of the Madras University with special aptitude for the subject chosen.

(*b*) *Age.*—Candidates should not be more than 30 years of age on the 1st July 1946.

5. Applications should be in the prescribed form, copies of which can be had from the Secretary to the Government, Education and Public Health Department, Fort St. George, Madras, on requisition accompanied by a sufficiently stamped and addressed envelope. The application should be sent in duplicate, addressed to the same officer. Along with the application should also be sent the following documents:—

(1) a duly attested copy of the Matriculation or the Secondary School-Leaving Certificate or other satisfactory evidence of age;

(2) duly attested copies of two (and not more than two) testimonials from the authorities of the University or other institution where the applicant last studied; the names of two referees, who must not be related to the applicant and who are in a position from their personal knowledge to testify to the applicant's fitness for the proposed course of study, should also be given;

(3) a certificate of physical fitness with particular reference to the applicant's ability to bear the climate of the country to which he proposes to go; the certificate may be from any registered medical practitioner, but before an applicant is finally selected he will be required to furnish a certificate from a medical practitioner not lower in status than a Civil Surgeon if the certificate already produced is not from a practitioner of that status;

(4) in the case of an evacuee, a certificate from a Gazetted Officer of the Madras Government to the effect that he has not lost British Indian nationality and has also a connexion with the Madras Province; and

(5) a Treasury or Bank receipt for Rs. 5 (Rupees five only) to be paid into a Government treasury or into the Reserve Bank of India, Madras, or any of its branches **to the credit of the Government of Madras** under the head of receipt "XLVI. Miscellaneous." On no account will this fee be refunded.

NOTE.—Where the fee is remitted into a treasury outside the Madras Province, the words "Madras—Provincial" must be written prominently in red ink on the right hand top corner of the chalan.

6. The selection will be made by the Selection Committee which will be constituted for the purpose. Selected candidates may be required to appear before the Committee for interview at their own expense, on a date which will be notified in due course.

No member of the Selection Committee or any officer connected with the Committee must be approached by or on behalf of an applicant. *Any attempt to canvass directly or indirectly will forthwith and without any exception disqualify an applicant.*

7. A copy of the terms and conditions subject to which stipends will be awarded to selected candidates will be sent to each applicant along with the form of application.

8. Every application, in duplicate, with all the enclosures securely fastened to it, should be sent so as to reach the authority mentioned in paragraph 5 above, not later than the 9th February 1946.

Applications which are received after that date or which do not comply with the conditions herein prescribed will not be considered.

  (*b*) Electrical measurements.
C. Civil Engineering—
  (*a*) Structural Engineering.
  (*b*) Highway Engineering.
  (*c*) Public Health Engineering.
E. Aeronautical Engineering—
  (*a*) Aerodynamics, Aircraft navigation and Aircraft instruments.

APPENDIX II.

For absorption in Industries (Government and private enterprise).

Subject.	Minimum qualification.
A. Mechanical Engineering—	
(*a*) Design and manufacture of centrifugal pumps, deep well, bore well and tube well pumps and air lift pumps.	A degree in Mechanical Engineering of an Indian University.
(*b*) Design and manufacture of machine tools ..	* A degree in Mechanical Engineering of an Indian University.
(*c*) Manufacture, installation and testing of boilers.	A degree in Mechanical Engineering of an Indian University with experience of boiler testing.
(*d*) Manufacture of agricultural implements ..	* A degree in Mechanical Engineering or B.Sc. in Agricultural Engineering of an Indian University.

Preference will be given to candidates with practical experience in the subject.

Subject.	Minimum qualification.
B. Electrical Engineering—	
(a) Manufacture of electric lamps and accessories.	A degree or Diploma in Electrical Engineering of an Indian University and training for at least two years in a Mechanical Workshop.
(b) Manufacture of electric fans, small motors and starters.	A degree in Electrical Engineering of an Indian University and training for two years in repair work.
(c) Manufacture of batteries and dry cells ..	A degree in Electrical Engineering or an (Hons.) degree in Chemistry or Physics of an Indian University.
(d) Design and manufacture of Radio Sets ..	A degree in Electrical Engineering or an (Hons.) degree in Physics with specialization in Radio Engineering.
D. Chemical Engineering—	
(a) Wood and lignite distillation and utilization of products.	A degree in Chemistry (Hons.) with Organic Chemistry as a special subject.
(b) Manufacture of films	A degree in Chemistry of an Indian University.
(c) Manufacture of paints	A degree in Chemistry of an Indian University. Preference will be given to candidates with practical experience in paint works.
(d) Electro chemistry with special reference to acids.	A degree in Chemistry or Applied Chemistry with Electro chemistry as a special subject.
E. Aeronautical Engineering—	
Ground Engineering	A degree in Electrical or Mechanical Engineering of an Indian University.
F. Marine Engineering—	
Marine Engineering and design of ships, power boats.	A degree in Mechanical Engineering of an Indian University.
H. Applied Chemistry—	
(a) Chemistry of insecticides and fungicides ..	A degree in Chemistry of an Indian University followed by three years' experience in a testing laboratory.
(b) Leather chemistry and treatment of leather.	A degree in Chemistry of an Indian University.
(c) Plastics and manufacture of products like Bakelite.	A degree in Chemistry of an Indian University.
(d) Manufacture of drugs and Pharmaceuticals ..	A degree in Chemistry (Hons.) with Organic Chemistry or Bio-Chemistry as a special subject, or B.Sc. (Hons.) in Technology—Pharmaceutical Chemistry—of the Andhra University.
(e) Oil technology and hydrogination ..	A degree in Chemistry of an Indian University. Preference will be given to candidates who have specialized in oils and fats.
I. Applied Physics—	
(a) Fuel Technology and design of furnaces and kilns.	A degree in Chemistry of an Indian University.
(b) Sound technology, accoustics and recording ..	A degree in Physics of an Indian University.
(c) Soil Physics	B.Sc. (Hons.) or M.Sc. or Ph.D. of an Indian University.
K. Metallurgy—	
(a) Manufacture of alloy steels	A degree in Metallurgy or Chemistry (Hons.).
(b) Manufacture of springs and heat treatment of metals.	A degree in Metallurgy or Physics (Hons.) of an Indian University.
L. Other forms of Applied Science—	
Manufacture of micanite	A degree in Chemistry preferably with Metallurgy or Inorganic Chemistry as a special subject.
M. Technical subjects—	(Not covered above.)
(a) Ceramics and manufacture of ceramic ware ..	A degree in (Tech.) Ceramics of the Benares Hindu University or in Chemistry of an Indian University.
(b) Factory management	A degree in Mechanical Engineering of an Indian University with practical experience in workshop or factory for three years.
(c) Light metal spinning	A degree in Metallurgy with specialization in non-ferrous metals or a degree in Physics (Hons) of an Indian University.
(d) Lithography and printing technology ..	Diploma of L.P.T. granted by the Technological Diploma Examination Board, Madras.
e) Canning and food preservation	A degree in Chemistry of an Indian University with specialization in Bio-Chemistry.

NOTE.—An exception is made in this case to the general rule that only graduates should be sponsored.

SCHOLARSHIPS for studies overseas - Interview of candidates.

62

It happens that the dates of some of the University Examinations synchronise with those fixed for interview. A few candidates who have been called up have represented that they will not be able to come on the dates appointed as they have to sit for examinations and have asked for alteration or postponement of dates. Wherever possible suitable alterations of dates have been made. But in the case of the 3 candidates referred to in the letters on pps.1-7 c.f. no suitable alterations in dates can be made, as the candidates cannot come before 31st March. Since the list of candidates selected have to reach the G. of I. by March 31st the requests for postponement of interview dates in respect of these three candidates will have to be rejected. For orders.

Department of Education,
Fort St. George, Madras.

Dear Sir,

Miss Lily Mathew, one of my M.Sc. Students, who is an applicant for a foreign Scholarship, has been invited by your Office for an interview on Monday 25th March. Unfortunately for her, the University examinations in Physical Practical for the M.Sc degree examination for which she is ~~appear~~, appearing, also happen to fall on 25th to 28th March. She would, thus be able to appear for interview only on 30th March at the earliest.

On her behalf, I would therefore request you to alter the date of her interview to 30th or to a later date.

Yours faithfully,
C. S. Venkateswaran

Sir,

With reference to your memorandum (dated 10/3/'46) desiring me to be present before the selection comittee for studies overseas on 25/3/46, I regret to say that I shall be unable to attend on the date specified as the date of the M.Sc. University Examination (for which I am a candidate) coincides with it.

The examination continues from the 18th inst to the 28th inst. I shall be at liberty to attend on any day on or ~~before~~ after the 30th March if it is possible to postpone the interview to that extent.

Yours faithfully
Lily H. Matthew.

Ref: My application for stipend for advanced studies- 1946-47.

p 3 [illegible]

Sir,

I enclose herewith a certificate from the Principal, Presidency College, Madras, as to my teaching experience while I was a Demonstrator in Presidency College, Madras. I have completed the period of probation satisfactorily in category 4-class II of the Madras Educational Subordinate service on 8-10-42. I have also served as a Demonstrator in the Pachaiyappa's College, Madras for two years 1937-39. I have thus acquired experience as a teacher of five years standing.

In addition, I have submitted a Thesis for the Madras Universit for the M.Sc. Degree in January 1946, after completing three years in Research of Industrial nature. I have two patent applications to my credit for the successful production of Benzidine and Para Aminophenol on a commercial scale from materials available entirely in India. In the course of these investigations I have arrived at very important results of technical importance to industry - which by contract I am unable to ~~enumerate~~ divulge

Though I was called for interview before the selection committee last year I find that I have received no intimation to that effect for selection for this year. Though I am a little above thirty years, in view of my experience as a teacher and as a Research worker I request my application for selection may be considered favourably. I may mention for your guidance that in the instruction to candidates for the above, people of forty years are permitted to apply if satisfactory evidence of having a good record as teachers is produced. Further for courses in Appendix II candidates below thirty two years are permitted to apply if they have previous experience.

In view of the above considerations I request I may be called to appear before the selection committee.

Thanking you,

Yours obediently,

S.C.Rajagopalan

Tech. Edn. - Scholarships for studies overseas - Interview by the Committee - Selection of candidates:

Pl. see the letter from Sri C. Rajagopalan below. He is a Brahman possessing a II Class degree but having practical experience to his credit. He applied for the scholarship last year also and he was then called for interview. This time he was not listed up for interview because in the statement put up, the fact that he was called last year was not indicated, & on the other hand, by mistake, it was stated that he had not been called up last year. As Brahman candidates xxxxxx who possess II Class qualification and also practical experience and who were called for interview last year have been called this year also, an interview card may be sent to Sri C. Rajagopalan now. This note may be sent to the Chairman of the Committee xxxxxx for approval.

Sir,

Sub:- Overseas Scholarship.

I beg to acknowledge the receipt of your telegram of the 12th. inst. reading as under.

"Overseas Scholarships Appear Before Selection Committee Fort. St. George Eighteenth March 14-30 HRs - Edhealth-"

On receipt of the same I wired as under

"Your Telegram Twelth. Appearing For Interview Before Federal Public Service Commission Nineteenth For Indian Railway Service Engineers. Request Postponement Interview To Twenty Sixth - Satyanarayana Murty".

In further clarification of the same I may state that I appeared for the exam. for Indian Railway Service of Engineers conducted by the Federal Public Service Commission. Having been found eligible for the interview I have been directed to take my **Viva-Voce** interview here on the 19th inst. I will therefore be obliged if you could kindly postpone my interview to a later date. To avoid any unforeseen contingency of my staying here after the 19th. I requested for postponement to the 26th inst. But I may however add that I would present myself earlier if my interview finishes here as per schedule.

Thanking you.

I beg to remain

(B) The application of Mr.Joga Rao is placed below. He has stated that he expects to be awarded a scholarship by Mr.W.D.Pawley for further studies in Aeronautical Engineering in U.S.A. He has also stated that the amount will be enough for a year's study. With reference to the petition on page 7-8 ante, the Chairman has enquired whether there is a ruling to the effect that the scholarship should not be given to a candidate who is already in receipt of another scholarship. There has been no ruling on this point. But it is only reasonable that a candidate who is already in receipt of a scholarship should not be awarded a Govt. scholarship in addition, as the latter is granted on the assumption that the candidate has no other resources for prosecuting his studies abroad. Further, it is not known what the commitments of the candidate would be under the Pawley's Scholarship and whether they will conflict with those ~~of~~ under the Government scholarship; under the Govt. scholarship scheme, the candidate has to give an undertaking to serve the Government or the Government of India for a minimum period of 5 years. In the circumstances, ~~the~~ if the candidate is finally selected, he ~~xx~~ may be informed that he will have to give up the Pawley's Scholarship. In forwarding his name to the Govt. of India this fact may be specifically mentioned.

This may be placed before the Committee.

(C) This applies to the stage of final selection by G.o.I.

Recommendation may be made accordingly, & to G.o.I. at that stage — if it arises in the case.
