The Rev. Father Barboza is in charge of school of about 270 children at Chally(Tellicherry) formerly it was lower Elementary but has now become Higher Elementary, and as the accommodation is totally inadequate Govt. have agreed to provide Rs. 6000/- towards rebuilding the school on the condition that the Rev. Father finds a similar amount.

2 This I am afraid is quite beyond his powers as the Community is a very poor one and there have been so many calls for contributions to War Fund and National Savings that there is very little remaining for charity. The school has among its pupils a large number of the children of men serving with the 28/3 Madras Regt and other units. I have seen the place and the children personally and can testify to the excellent work being done by this instituition. It would be a very real loss if the school's expansion were to fail for lack of funds and I would ask you to take up with the Madras Govt. the question of increasing the reconstruction ~~amount~~ grant to at least Rs. 10,000.

In resubmitting herewith the C.C.L.O!s letter dated 31.5.1945, I have the honour to state as follows. An application for building grant in respect of the St. Peter's Higher elementary school, Chally, has been received in this office and the matter is under examination. The plans and estimates have been returned to the Correspondent for revision as required by the Consulting Architect. The scheme has not yet been finally approved and placed on the priority list. According to rules (Chapter III of the Elementary Education Rules regarding Aided schools) only half of the total approved cost of the building scheme will be given as Government grant. In this case also, provision can only be made for a half grant after the estimate is finally approved.

A

I have the honour to report that the number of children of serving soldiers studying in the St. Peter's Higher Elementary School, Chally is 81. Besides there are 13 children of soldiers discharged on medical ground. The total strength of the school is 310. The Community served by the school is that of fishermen and it is too poor to raise funds for the construction of the school building.

P.T.O.

11

The request of the correspondent that Government may meet the entire cost of the building is not supported for the following reasons:--

1) This is not the only school which caters to the needs of children of serving soldiers. There is quite a number of other schools in Malabar with a large number of children of soldiers.

2) It is neither usual nor proper to expect parents of pupils to provide the funds required for constructing the building which is the duty of the management.

3) This will create a precedent and it will be difficult to refuse such requests from other managements.

4) There is no special circumstance which justifies the payment of the entire cost to this school.

I have the honour to be,
Sir,

Your Excellency,

You will remember that at the beginning of the last war, I called on you at Ooty along with two other Priests to speak on behalf of our Italian Missionaries.

I am now here working among these poor people. I have over 1000 Catholics most of them being of the fisher-class. This village of Chalil is only one mile from Tellicherry where your Excellency had been more than once on a visit. Fishing is a very precarious living. I am trying to help them.

We have begun a fishing-netmakers' Cooperative Society for women. It affords them help especially when fishing is at a low ebb. I have 301 children in the School. The children are very backward in education. I am trying to improve their condition by education. Lately we have introduced the higher Elementary Class. But we need the extension of our School. The Government have promised half grant; but I have to put in Rs 6000 myself for the building. I cannot realise the

amount from these poor people. I am therefore appealing to you for your kind and generous help. You and Lady Hope are leaving Madras & India for good and whatever you do for us these poor Catholics, will be gratefully received and your name will be gratefully engraven in our hearts never to be forgotten. You will leave us soon and we Catholics shall

17

Thus have a living remembrance of a Catholic Governor who shares with us the same true Faith and Hope for the future eternal.

With kind regards.

Part II Scheme - 1946-47 - Aided Elementary Schools - Building and equipment grants.

13

...

The D.P.I. proposes that the following provision may be made in Part II of the next year's Budget for payment of building and equipment grants to aided elementary Schools.

Buildings: Rs.77,400/-
Equipment: Rs.21,300/- 17°6

A

The particulars of the schemes for which the provision is intended are at pages 1-5 and 9 c.f. Under the rules the Director is competent to include building grant schemes in the approved list but such inclusion implies no kind of liability on the part of the Government. He has to suggest the provision required for such schemes in Part II of the budget estimates.

P34 of Rules re: to Elementary Schools — rule 4

Under the rules equipment grants to aided elementary schools can be sanctioned by the D.P.I. or the Inspecting Officers.

P37 ibid — rule 5

2. This Department may recommend the provision proposed by the Director for the payment of the building and equipment grants. The provision made during the last four years was as follows:

Year.	Building. Rs.	Equipment. Rs.
1942-43	45,700	11,000
1943-44	27,500	9,000
1944-45	28,800	8,900
1945-46	29,800	11,100
1946-47 (Proposed)	77,400	21,300

EXPLANATORY REMARKS.

37(k) - Education - Primary - Direct Grants to Non-Government Primary Schools - B.Non-European - I Ordinary Areas - (k) B.I. 2. Buildings.

The outstanding liabilities on 1-4-46 will be Rs.99,587/- or Rs.99,600/- in round figures and they are made up of Rs.44,970/- relating to new schemes (Nos.11,12,15,17,20,21,22 and 24 to 26) and Rs.54,617/- relating to old scheme (Nos.1,2,4,5, 8,10,16,18). All the new schemes are urgent and essential schemes and they are likely to be completed in 1946-47 and payment claimed in that year. Among the old schemes all the schemes except Nos.(2) and (5) are likely to be completed and payment claimed in the year 1946-47. No provision is necessary in 1946-47 in respect of scheme No.(2) as it will mature for payment only in 1947-48. As regards scheme No.(5), the management has completed only the building for the orphanage and so a provision of Rs.11,132/- is necessary in respect of this scheme in 1946-47. Though provision exists in the current year in respect of schemes Nos.(4) and (18), payment could not be made in the current year, as the works have not been completed till now. Extension of time was granted for both the schemes and they are likely to be completed and payment **claimed** in 1946-47. So provision is necessary in respect of these schemes also in 1946-47.

p3 infra

p3 infra

Summarising the above, a provision of Rs.77,352/- or Rs.77,400/- is proposed in Part II of the Budget Estimate for 1946-47. No provision is necessary in Part I of this budget.

Sir,

St Peters Higher Elementary School, Chally (Tellicherry) - Building grant.

With reference to your letter C.C.L.O/41/1310 d/ 31.5.45 addressed to the Chief Secy I am directed to say that the question of sanctioning a grant towards the cost of constructing a building for the school mentioned above is under examination by the D.P.I., a copy of his letter Rc No: 8523 B/44 d/ 2.7.45 is enclosed for information.

Note:– The C.L.O.'s point is that Govt. should find more than one-half of the cost of the proposed school building – nearly the whole of about 5/6?. The D.P.I.'s letter (p.7 c.3) appears to indicate that there is no reason for departing from the usual principle of "half-grant". The D.P.I.'s view should probably be accepted as neither of the reasons given at c.7-3, viz: the poverty of the management & the circumstance of the school giving instruction to children of members of the Defence ~~[illegible]~~ Services would justify any special treatment of the case. It seems sufficient to send the reply proposed in the draft on previous page. For orders.

The orders in circulation are that, instead of giving the usual half grant permissible under the Grant-in-aid Code, a full grant of Rs 10,000 may be given, as a special case, towards the cost of the proposed extensions to the St.Peter's Higher Elementary school, Chally.

The D.P.I. has not yet finally approved the estimate for the proposed extension as the plans and estimates are under revision. He has separately proposed a sum of Rs 4,340 to be provided as half-grant for this work in the consolidated Part II scheme proposals for next year. As Part II scheme proposals along with next year's Budget will be approved only in March 1946, it will not be in order to ~~sanction the payment of~~ authorise the D.P.I. to pay the grant now itself be in advance of the issue of orders on the Budget for 1946.) It will be sufficient to inform the D.P.I. that the question of giving a full grant for the work is being considered as a Part II scheme for 1946-47. E.P.H. may be requested to modify para.1 of the draft order accordingly.

REF: G.O. No. 841 Education dated 18-4-46.

Item 7 on p19 (E)

I have the honour to state that an amount of Rs.4900/- was sanctioned by the Government in their order cited above, towards the Building grant on behalf of the Desiya Vidyasala Elementary School, Sokkampalayam in Coimbatore District. As the scheme was not ripe for payment, the grant could not be sanctioned during 46-47. No provision has been made for the work in the current years' Budget Estimate.

2. The building has been completed and the Correspondent now states that the building work was carried out during the years 1945-1947 when the prices of building mate

materials and labour were 300% of those prevailing at the time of submitting the estimates and hence that the actual expenses have gone up to Rs.15,250/-.and requests that a half grant on this actual expenditure may be sanctioned. As the consulting Architect to Government recommends the payment of Rs.7625/- i.e. half the actual cost of Rs.15250/- in view of the increased prices of materials, I request that the Government may be pleased to increase the grant from Rs.4900/- to Rs.7625/-.
