Enclosures: No. SBC/2-40/Mis. dated 25th February 1946.

Sir,

Sub:- Establishment - Temporary - Government Press -
 Despatch of Publicity matter - Retention.

With reference to Government Memorandum No. 57924 F-2, Edn.,
 dated 15-1-46, I have the honour to state that I have been
 studying in detail as to what extent the despatch and other works
 in the Government Press will be affected by the abolition of the
 Publicity Department since my detailed examination of the posi-
 tion regarding the additional staff required, consequent on the
 around increase of work in the Government Press in all direc-
 tion including that relating to Civil Supplies, Civil Defence
 (since brought on peace time basis in respect of certain cate-
 gories) and several other offices created in recent years,
 contained in paras 3 to 12 of this office letter No. 29 Mis dated
 24-5-45. The additional despatch staff proposed therein which
 was the minimum to meet the situation was sanctioned by Govern-
 ment in G.O.Ms.No. 1286 Edn., dated 22-8-45. Though there is
 reduction in the despatch of publicity matter, this has been more
 than counterbalanced by the further increase in other directions
 viz., distribution of forms and pamphlets, in connection with
 demolition,

pp 25 CR 4 (N)

pp 1-27 (R3)

demolition, further extension of food rationing and procurement to more districts on wider scale, introduction of bread rationing, etc.. The position is further aggravated to a breaking point with the coming of elections involving the distribution of a huge volume of printed rolls and numerous number of elections forms and ballot papers connected therewith to the various Returning and Registration Officers. Whatever increase of staff that was proposed for sanction in this matter was only to supplement to the minimum the existing staff in all sections taken together. The expansion has already reached a stage necessitating further bifurcation of the despatch work which is now dealt with in three sections. As this will involve the strengthening of the supervising staff, of which I am now short, I could not attempt it but will have to approach Government for it at an early date.

2. Under these circumstances, I would request that Government may be pleased to continue the staff covered by the following sanctions to be reviewed again at the time of their expiry when proposals are submitted for their further retention and also to revise the sanction for retention accorded in G.O. Mis. No. 80 Edn. dated 10-1-46 to the period applied for in my letter No. SBC dated 18-12-45.

In his letter no 813c d 18.12.45 the S.G.P.
requested that sanction may be accorded to the
further retention in the Govt. Press for a period of one
year from 8.1.46, of the temporary staff referred
to at A on p 1 of C.F. (This staff was sanctioned in G.O.
no 23 B d d 4.1.1945.)

Consequent on the decision of
the Govt. to abolish the Publicity Dept with effect
from 1.3.46, the staff was sanctioned only up to

counterbalanced by the further increase in other
