In continuation of my letter Roc.No.2733/45, Cl. dated 13-3-1946 I forward herewith a statement showing the particulars of expenditure incurred by the respective committees for the feeding of children in 1945-46 ie. up to the end of February 1946- paid in March 1946. The expenditure has been grouped under the different heads as required in G.O.No.Ms.36, Edn., dated 7-1-1946.

pp11-12cf (U)

As per this statement, the total expenditure in 1945-46 comes to Rs.10006-6-0. But, calculating the cost of feeding at the rate of 1 anna 9 pies per pupil for 88360 pupils fed in all, in 1945-46 (i.e. for 88360 meals) the expenditure comes to Rs.9664-6-0 as already reported in my letter dated 13-3-1946. The excess in expenditure is apparently due to the purchase of some provisions required for use in the subsequent month of March 1946.

The particulars of expenditure towards salaries of teachers, rent, contingencies etc., have already been furnished to you, in my letter referred to above.

I submit herewith a statement showing the subsidy payable to ten District Boards for incidental charges in connection with the supply of midday meals, as required by Government. The variations between the figures in columns 4 and 5 are mainly due to the fact of the actual supply of meals and made to a considerably smaller number of pupils, than the number fixed for the centres concerned.

2. Particulars for the other districts will be submitted on receipt of details of meals supplied and the number of days of supply from the Presidents concerned.

SUBSIDY - Elementary Education - Compulsion - Introduction in selected villages - Payment of subsidy - 1945-46 - Chingleput.Dt. Bd.

...

The D.P.I. has recommended the payment of a subsidy for Rs.3,500/- to the Dt. Bd., Chingleput, towards the cost of introduction of compulsory elementary education for 1945-46. The last date for sanctioning the payment of subsidies is 15th March 1946. It is now too late to sanction any payment this year, unless special reasons are adduced in favour of the ~~sanction~~ payment. Perhaps the subsidy may be paid early in April. The Finance Department may see for remarks. (that dept. have been orally consulted in the matter).
