R.C.No. 722-A/45 dated 22nd September 1945.

Sir,

Provision for the employment of Music Teachers in Government Training schools for Masters.

42632

In connection with Part II of the Budget Estimate for 1946-47 I have the honour to resubmit for the favourable consideration of Government the following proposal for the employment of Music teachers in the Government Training schools for masters.

2. I submitted the above proposal to Government in 1938, stating in full the need for it, but it was deferred by the Government vide my letters R.C.No. 29-A/38 dated 25.11.1938 and 22.2.1939 and Government Order No. 666 Edn., dated 21.3.1939. Music is included in the syllabus for the training course. In Government Training schools generally the students are learning Music by employing a private tutor at their own expense. I consider that it is not reasonable to tax the students to provide an instructor at their own expense. Having included the subject in the syllabus the Government should provide for instructors in the subject. The need for employing Music teachers from provincial funds was brought to my notice last year also. I am convinced that there is a need to employ Music teachers from Provincial Funds. There are now 46 Government Training schools for Masters (including the Training schools for ~~Mas~~ Muhammadans and the Training departments attached to the Government Colleges) Music is taught in the Muhammadan Training schools also. The employment of full-time Music teachers in some schools has been asked for. To begin with I recommend that the Government may be pleased to sanction the employment of 46 part-time Music teachers, one for each of the Government Training schools for Masters in the presidency with effect from the school year 1946-47 on a fixed pay of Rs. 30/- per mensem. It will be practically impossible to secure the services of competent Music teachers on a salary less than Rs. 30/- a month under the present conditions. In certain big training schools with many sections it will be necessary to employ full-time teachers. I shall examine this next year with reference to the hours of work in each school.

3. The financial effect of the proposal is worked out below:-
Recurring: (1946-47).

Pay of 46 part-time posts of Rs. 30 x 46 x 9 .. Rs. 12,420/-.
Music teachers on Rs. 30/- p.m.

Non-Recurring 1946-47:

Cost of musical instruments at Rs. 25 x 46 .. Rs. 1,150/-
Rs. 25/- for each school. or Rs. 1,200/-.

The ultimate recurring cost per annum will be Rs. 16,600/-.
(30 x 46 x 12).

4. I am including the necessary provision in Part II of the Budget Estimate for 1946-47.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of public instruction.

The D.P.I. is requested to furnish very urgently detailed information about the 46 schools in which it is proposed to appoint part-time music instructors and the number of pupils taking music as optional in those schools at present.

2. It is ~~considered~~ ^{has been reflected} that it is sufficient to allow the music instructors a fixed pay of Rs.25/- p.m. as it will be possible for them to take up private employment in addition to ^{their part-time} ~~the~~ work in the Government Training Schools. The D.P.I. is also requested to

SUB:- Provision for the employment of Music
Teachers in Government Training Schools
for Masters:

REF:- Government Memo. No. 42632-C/45-2 Edn.,
dated the 18th October 1945.

With reference to the above Government Memo.
I have the honour to state as follows:

2. Now music is not an optional subject in
the Training Course. It is a "B" Group subject in
the T.S.L.C. Syllabus. The 'B' Group subjects are
not offered for the Public Examination, but they -
should not be ignored. Progress in such subjects is
taken into account in promoting pupil teachers from
Junior to Senior Class and for selection of pupil--
teachers for the Public Examination. Music is compul-
sory in all elementary schools and it is, therefore,
necessary that all the training students in all the
46 Government Training Schools for Masters in the -
Presidency should be taught music.

P.T.O.

3. As regards the suggestion that a fixed pay of Rs. 25 per mensem is sufficient for the part time music teacher, I may state that in the open market now a good music teacher charges Rs. 25 a month for an hour's work a day for 15 days in a month. The work in the school will be comparatively heavier. As a matter of fact the students are now paying the teacher fees ranging from Rs. 25 to Rs. 35 a month. A pay of atleast Rs. 30 a month will be attractive to well equipped and efficient type of music teachers. I consider that Rs. 30/- a month is the minimum that can be paid to the Music Teacher in a Training School.

I have the honour to be,

Your most obedient servant,

Indian music was originally an optional subject prescribed for students under-
going higher elementary grade training. Subsequently it has been made a compul-
sory subject, although it is not a subject for the public examination at the end of
the training course. The study of music is also compulsory in standards I to V of
elementary schools and optional in standards VI to VIII.

2. Before and after music was made a compulsory subject for study, the Director of Public Instruction recommended more than once that full-time instructors in music might be employed in all Government Training Schools for Masters. But every time it was either vetoed or deferred.

The Director of Public Instruction has renewed the proposal. His proposal is that 46 part-time instructors on Rs. 30 per mensem may be employed and musical instruments for Rs. 25 may be purchased for each institution. In support of the proposal the Director has made the following remarks:—

"In Government Training Schools generally the students are learning music by employing a private tutor at their own expense. I consider that it is not reasonable to tax the students to provide an instructor at their own expense. Having included the subject in the syllabus, the Government should provide instructors for the subject."

Now music is not an optional subject in the training course. "It is a 'B' group subject in Training School-Leaving Certificate syllabus. The 'B' group subjects are not offered for the public examination, but they should not be ignored. Progress in such subjects is taken into account in promoting pupil-teachers from Junior to Senior Class and for selection of pupil-teachers for the public examination. Music is compulsory in all elementary schools and it is, therefore, necessary that all the training students in all the 46 Government Training Schools for Masters in the Presidency should be taught music."

In the circumstances explained by the Director this Department recommends his proposal and suggest that provision may be made for it in the budget estimate for 1946-7 as shown in the summary at the top. As the instructors are to be employed on a part-time basis no dearness allowance will be payable to them.

Part II Scheme for 1946-47 - Employment of part time music teachers in Government Training Schools for Masters.

1/ Indian music was originally an optional subject prescribed for students for ~~the~~ higher elementary grade training. Subsequently music ~~was~~ ^{has been} made a compulsory subject although it ~~is~~ ^{is} not a subject for the public examination at the end of the course.

2/ When music was an optional subject, the Government approved the proposal of the D.P.I. that arrangements might be made ~~for~~ the training schools for masters at Tanjore, Ramnad, Mayavaram and Kurnool, for teaching the subject to students without any cost to Government.

3/ In July 1937, the Director proposed that a part time instructor in Indian music on Rs.25 each p.m. might be employed in each of the four institutions mentioned above. This proposal was considered as a Part II scheme and finally vetoed by Government.

4/ After music was made a compulsory subject for study the Director proposed that full time instructors in music might be employed in each of the training schools for masters at Tanjore and Ramnad on Rs.30-55 p.m. and ~~xx~~ that a part-time instructor might be employed on Rs. 24 p.m. in each of the other training schools for masters in the Presidency on Rs. 24 p.m. This proposal was considered in connection with the budget estimate for 1939-40 and the Government directed that the proposal should be deferred for the time being.

5/ The Director has now renewed the proposal for the employment of music instructors in the Training Schools for Masters

ORDER NO. 10
The Director of Public Instruction, Government of Madras,
in response to the letter of the D.P.I., Tanjore, dated 15.9.45,
has approved the proposal for the employment of part time
music teachers in the Training Schools for Masters at Tanjore,
Ramnad, Mayavaram and Kurnool, for teaching the subject to
students without any cost to Government.

1 In the circumstances the proposal may be supported in this Department. The file may be sent to Finance.

(Part II Scheme for 1946-7.)

In the circumstances set out in the E.& P.H. note above, the proposal for the employment of 46 part-time music teachers in Govt. Training Schools for Masters in the Province may be agreed to in this department subject, however to the following remarks:-

(1) E.& P.H. may be requested to obtain detailed information about the 46 schools in which it is proposed to appoint part-time music instructors and the number of pupils taking music as optional in those schools at present, to examine whether the proposal is justified.

(2) A somewhat similar proposal was considered in 1938-9 but it was deferred as there were more urgent and important needs. The D.F.I. then suggested a rate of pay of Rs 24 p.m. only to the part-time instructors. Having regard to this, the pay now

proposed viz. Rs 30 p.m. seem rather excessive for the part-time teachers. The scale of pay of full-time teachers with Secondary grade training qualifications is only Rs 30-55, and these men cannot engage themselves in subsidiary occupation (e.g. tuition etc.). This is not the case in regard to the part-time music instructors, who can take up other private employment in addition to their part-time work in the Training Schools.

In view of these considerations, Finance may perhaps suggest that it is sufficient to allow them a fixed pay of Rs 25 p.m. ^{for the month} for the present. As they are employed only on a part-time basis, they will not be eligible to any dearness allowance.

If the above suggestion is accepted, the extra cost on account of the scheme will be about Rs 13,300 p.a. recurring, and Rs 1,150 non-recurring on the purchase of musical instruments, assuming that part-time instructors will be employed in ^{all the} 46 schools.

E. & P.H. may be requested to prepare the necessary Note on the Part II scheme after obtaining the information at Komp 2

above.
The comment made at Q Ref "there are more urgent and important needs" still seems to hold good. However orders may be taken.

 Part-time music teachers during summer vacation.

Reference:--Your telephonic message on my post copy of telephonic
 message dated 28.3.1947.

The Principal reports that the part-time Lecturer of the
 Law College, Madras, are continued on the staff of the college
 during summer vacation since the orders sanctioning their appoint-
 ment do not require their discharge during summer vacation. Please
 see for instance G.O. No. 2551-Education dated 6.12.1946
 regarding the appointment of Sri T.P. Gopalakrishnan for a period
 of 3 years from the 10th November 1946. On this analogy part-
 time music teachers employed in Government institutions may be
 continued during summer vacation since their continuance has
 been sanctioned upto the end of the school year 1947-48 in
 Government Memorandum No. 1532 G-1-47-2 Education dated 18.3.1947
 and since their continuance on the staff of the school in future
 is also necessary.

The D.P.I. is informed
 that the part time music teachers
 employed in the Govt. Trg. Schools
 for Masters with ref. to the order in
 G.O. No. 851 En. No. 22.4.46 may
 be continued on the staff of the
 schools concerned during the summer
 vacation like the regular full time employees
 provided their services are
 utilised when the schools reopen after
 the summer vacation.

on account of the proposal to employ the
part-time music teachers, provision has
been made for 12 months' pay —
(ultimate cost: $30 \times 46 \times 12 = 16600$ nearly)
Further other part-time teachers in the
econ. dept. are also paid salary
for the vacation. In the circumstances it

The question has been raised whether the 46
part-time music teachers sanctioned in
G.O 851 Edn & 22.4.46 may be continued
during the summer vacation and allowed the
pay of Rs 30 per m during that vacation. Part-time
music teachers are not ^{regular} Govt. servants

and as such they cannot, ordinarily, be allowed
pay during the vacation. E to H however, point
out that other part-time teachers in the
education department are also paid salary
for the vacation. E to H may be requested to
put up the G.O in which other part-time
teachers in the Education dept were allowed
pay during the summer vacation, so as to enable
the dept. to examine the ^{position} fully before it is
accepted. In this dept the mere fact
that the extra cost incurred while estimating
the extra cost on account of the employment
of part-time music teachers, the full
period of 12 months was taken into account
cannot be taken as sufficient justification
for allowing the part-time music teachers
pay during vacation which

on p 6 above. It is stated that the part-time lecturers in the Law College, ^{Madras} are being allowed pay during vacation. Apparently there is no other branch in the ETP.H dept. where such part-time Govt. servants are appointed.

2. It is reported that ^(part-time) lecturers in Law College Madras are continued on the staff of the College during the summer vacation and allowed pay during that period since the orders sanctioning their appointment do not require their discharge during summer vacation. It does not seem that the question whether such part-time lecturers need be allowed pay during summer vacation was specifically considered. In any case the question whether part-time music teachers ~~need~~ need be allowed pay during the summer vacation rests on the point whether

music-teachers will be available for appointment on the re-opening of the schools every year, if those teachers whose services are not continued during the summer vacation. It seems that in the interest of the institutions it is desirable to continue the same teacher, as far as possible, for a number of years so that the experience gained in the ^{teaching of music in} first year may be useful in succeeding years. In the circumstances it is for consideration whether this Dept. may agree that the part-time music teachers referred to in this file may be allowed pay ^{in lieu of their services being utilized after the vacation.} during the summer vacation. If so the
