Sir, 25 MAR 1946

Education - Elementary - Tinnevely District Board - Establish-
ment - Additional clerks for Elementary Education - Section -
Sanction requested.

In their order No.1872 Edn.& P.H., dated 13-12-44, the Govern-
ment were pleased to permit the employment of one clerk for every 175
teachers under the District Board and where the excess exceeds a multi-
ple of 175, one more clerk may be employed where the excess is not less
than 120. On the basis of the above instructions, seven clerks are
employed in the Elementary Education Section of this District Board.

It is submitted that the above distribution has been ordered
based on normal conditions. But recently Government have sanctioned
the introduction of Compulsory Education in 9 centres in the District
with effect from August 1945 and have also issued orders for the supply
of Mid-day meals to poor pupils attending the schools in the Compul-
sory area. Further 10 new schools exclusively for Maravas have also
been opened in the year and here also Mid-day meals are to be provided
to poor Marava pupils attending the schools. In consequence of the
two schemes quoted above the correspondence has increased and it is not
found possible with the existing staff allotted to the Elementary Edu-
cation branch to cope up with the work. Again the poor pupils atten-
ding the schools both in the compulsory area and the Marava schools
have to be supplied with books and slates. Money has to be advanced
for the above two purposes, and the accounts rendered have to be
checked and adjusted and where accounts have not been received, acti-
has to be taken. Several registers have also been maintained.
Subsidy due from Government for the staff appointed under Compulsor
and Marava Education has to be claimed properly.

I therefore request that Government may be pleased to sanction
the entertainment of at least two more clerks for the Elementary Edu-
cation

(P.T.O.)

Section of this District Board - one an Upper division clerk and another a lower division clerk to attend to the additional work involved by the introduction of Compulsory Education and Marava Education in this district.
