Sir,

Subject:- C.F. 119 - Cash Book - Printing of - In two sizes.

It has been suggested by the Inspector-General of Police, Madras in his letter No. 1092/SG/45 dated 16-1-46 (copy enclosed) that C.F. 119 (Cash Book) may be printed in two sizes i.e. one in the smaller size as now supplied for use in small offices where cash transactions are few and the other in the foolscap size for use in the offices where transactions are heavy. Of the few heads of departments that have been consulted in the matter, the Inspector-General of Prisons and the Board of Revenue in whose departments this form is mostly used, are of opinion that it would be better to print this form in two sizes. There being no objection to print and supply the Cash book in two sizes, sanction may be accorded to print and issue the form in two sizes.

The following defects are noticed in C.F.119 (Cash Book) of smaller size supplied by you now.

(1) The space provided for writing the particulars is insufficient.

(ii) Entries have to be made in small letters.

(iii) even in the case of small items, more lines have to be used for each item.

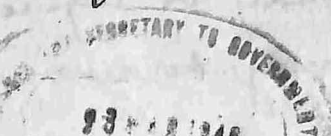

2. It is therefore suggested that the cash book may be printed in two sizes i.e., one in the smaller size as now supplied by you, for use in stations and small offices where cash transactions are light, and the other in the foolscap size for use in District Police offices and other offices where the transactions are heavy.

3. The pages in the new book of smaller size may also be numbered.
