Sir,

Subject:- Typewriter- Supply to the Rajah Sir Ramaswamy
Mudaliar's Lying-in-Hospital- necessity explained.

Reference:- Government memorandum No. 55378-B/45-1
Education dated 13-12-1945.

I have the honour to forward a copy of the letter
R.C.No. 107/45 dated 27-12-1945 of the Superintendent,
Government Rajah Sir Ramaswamy Mudaliar's Lying-in-Hospital
urging the need for the supply of a typewriter to the
hospital.

2. The institution has a bed strength of 74 at present
and the Government have been addressed separately for
increasing it to 100. There are three clerks (one Upper
Division clerk, one Lower Division clerk with typewriting
qualification and one store-keeper) sanctioned for the
hospital. The Government Tuberculosis Hospital with only
62 beds and 2 clerks, sanctioned for it, has been supplied
with a typewriter.

P.T.O.

In the circumstances stated above, I consider that a typewriter for the Rajah Sir Ramaswamy Mudaliar's Lying-in-hospital, is absolutely necessary.

Your obedient servant,

B. Kuttappa

for Surgeon-General with the Govt. of Madras, Madras.

Copy of letter R.C.No.107/45 dated 27-12-1945 from the Superintendent, Rajah Sir Ramaswamy Mudaliar's Lying-in-Hospital, Madras, to the Surgeon-General with the Government of Madras, Madras.

Reference:- Surgeon-General's No.75147-2-A dated 19-12-1945.

I have the honour to state that this institution is now run on lines of the working of the other Government hospitals in the city and the system of correspondence now adopted is quite different from that followed at the time the institution was under the control of the Corporation of Madras. I have now to maintain correspondence with the Surgeon-General, the Accountant-General, P.W.D. Electrical Department and other similar offices apart from the several periodicals and other returns, while the Institution had to correspond only with the Corporation before. I may point out that the work in the Institution has grown to a considerable extent after its provincialisation and to add the scriptural work to the multifarious duties entrusted to the present staff, will not be in the interests of efficient and proper disposal of business in this office.

As such, a Typewriter is quite essential for this Institution. I request that immediate arrangements may kindly be made for its supply.

Typewriter - Supply to the Govt Rajah Sir Ramaswamy

Mudaliar's Lying-in-Hospital - Sanctioned

86 Ed. dated 10.1.46

Sanction is accorded to the supply of a typewriter to the Govt Rajah Sir Ramaswamy Mudaliar's Lying-in-Hospital, Madras.

The typewriter should be placed in charge of a qualified person and should be returned to the S.G. if at any time such a person ^{ceases to be} available or if for any other reason the machine is not required.

Note:- As the machine is urgently required, the S.G. need not be consulted beforehand. A D. Clerk with typewriting qualification has been sanctioned for this purpose.

Machines are still scarce. Is it really necessary? They manage without all their time. Do hospitals in this district have typewriters in their offices?

The Supply of typewriter is 20. 21/1/46

With reference to ^{marginal} 204 (b) 13
G.O. No. 1684 Cdn. d. 23.10.45 sanctioning the permanent retention of the additional typewriters in the Govt Stanley Hoopl. Madras, on account of increase of work. Rajah Si Rameswamy Mudaliar's Hoopl. is Hoopl.

11/4/45 (Y) has been formalized with effect from 13.11.45 and a l.d. check

15/5/45 (Y) with typewriting quality has been sanctioned for the Hoopl. after

it was taken over to Govt. As it is reported that there were

11/12/45 no typewriters for the Hoopl. while it was under the control of

the Corporation, the Sd. requires the supply of one since it

has now been taken over by Govt. and volume of work in the Hoopl.

is consequently likely to increase.

note is whether he considers the supply
essential.
