From

Curator, Madras Record Office, CHITTOOR.

To

The Secretary to Government,
Education and Public Health Department,
Fort St.George, MADRAS.

Sir,

Sub:- Research - Access to records - Miss.J.L.Jesudason -
Permission.

I enclose an application from Miss.J.L.Jesudason, a
research student of the Madras University, requesting permission
to do research among the records on the subject of Public Health
Administration in the Madras Presidency. Although she states that
the period of her research is 1850 to the present day the Honorary
Reader in charge of Politics and Public Administration through
whom the application has been forwarded explains that in the first
instance it will be sufficient if she is permitted to consult the
printed records and papers laid on the Editor's table available
in the office at Madras. The Honorary Reader is evidently aware
of the restrictions imposed upon research among the current records
of Government. The original records of the last 50 years are not
thrown open for research and the only papers of this period to which
access is allowed are the printed copies of the proceedings of
Government which are placed at the disposal of the Press. There

does

does not seem to be any objection to allowing Miss. Jesudason to consult the latter at the Egmore Office where they are now available. Permission to consult them has previously been granted to research workers as for instance, in G.O.No.1160 Education dated 27-8-1943 and G.O.No.566 Education dated 10-3-1939.

2. After the papers placed at the disposal of the Press are examined the student may desire to consult the original records from 1850 to 1895. Permission may therefore perhaps be granted to her for consulting the records of that period also. As these records are however now at Chittoor she may have to conduct the research at Chittoor. The research will of course be regulated in accordance with the rules contained in G.O.No. 58 Finance dated 5-1-1932 and 297 Finance dated 2-5-1935.
