Servants for higher studies over seas -- 1945-46
Sri A. Srinivasan, Laboratory Assistant,

2. In view of the statement of Sri A. Srinivasan
that the Government of India have sanctioned a halting allowance
of Rs. 7/- per day to its stipendiaries for the period of stay
in Calcutta prior to their embarkation it is recommended that
the Government of Madras may be pleased to sanction on behalf
of Sri A. Srinivasan a halting allowance for the period of his
stay in Calcutta.

3. It may be stated here that another candidate,
Sri S. Srinivasan, officiating Electrical Laboratory Assistant
College of Engineering, Guindy, was relieved from the College
on the afternoon of 16.11.1945 to proceed to Calcutta and
thence to the U.S.A. for higher studies. It is not known
whether he too had to stay for a similar period at Calcutta
before embarking. A report has been called for from the
Principal, College of Engineering, Guindy.

GAW/19.12.45.

Extract of letter dated 28.11.45 from Sri A. Srinivasan Electrical Laboratory Assistant proceeding on deputation to U.S.A. for higher studies.

I arrived here on the 20th to report as per Telegraphic Instruction from the Travel Agents. The embarkation is scheduled only today the 28th and as such I had to have prolonged stay of 9 days in Calcutta. The difficulty of obtaining accommodation in Calcutta is so acute that I had to incur a large expenditure for my stay here. I learn that Government of India have sanctioned a halting allowance of Rs.7/- per day to its stipendiaries for the period of stay in Calcutta. I therefore request you to address the Government of Madras to extend the same for me also and sanction a halting allowance for stay in Calcutta.

Pl. see the letter from the D.I. on
p. 1 ante. The Court have no information
about the grant of any halting allowance
by the C. of I. Recently the request of
three private sponsored candidates selected
by this Court, for grant thereof a similar
allowance was not complied with. If
such an allowance is granted only
to Court servants, private sponsored
Candidates will also come forward
with their claims. Besides the Director
has addressed the Court in the
matter only on the basis of a

 If the question is to be considered further,
 the C.O. I may be ^{asked} enquired as to whether
 they have granted any such concessions
 to the private students sponsored by them
 and whether the concession is applicable
 to their Govt. servants also.

 ROUTINE.

The case of Government servants need not be necessarily
 equated with that of stipendiaries: We give more or less
 complete "coverage" to the former. For travel to port of
 embarkation, I suppose, they draw T.A. according to the rules

A

Q Routine slip kept below

Why should not that be extended to "Halting allowance"
 according to the T.A. Rules?

The Govt. servants are
 eligible for T.A. as on tour for travel to
 port of embarkation. It is not clear
 whether they are eligible for any
 'Halting allowance' under the Rules.
 Finance may be consulted.

 have allowed them T.A. as per M.T.A Rules
 for journeys and halts in India connected

to paying him halting allowance at the
