Signature pads - Supply of.

The fair copy signature pads supplied to this department years ago having been very much worn out, the Superintendent, Government Press, was requested in this office U.O.No.118/46-1 L.A. dated 2-2-46 to supply three signature pads to which he replied in his letter No. Bdg. Mis. 46 dated 5-2-46 that the supply of fresh signature pads had been discontinued in accordance with the instruction laid down in Government Memorandum No.7361-B.43-2 Edn., dated 5-4-1943 and that the sanction of the Government might be obtained for supplying the same.

The E. & P. H. Department may therefore be requested u.o. to be so good as to accord sanction for the supply of three signature pads to this Department at an early date.
