The articles are urgently required for the College and the expenditure of Rs.22300/- (Rupees twenty thousand and two hundred) only will be met from the sanctioned appropriation under "Laboratory charges " in 1946-47. The prices quoted in the indent for the articles for the Chemistry laboratory are those taken from a catalogue of 1940, and the supplies are unable to quote their present prices as they have not got the information with them now. In almost all cases the prices will be about 300% more than those in 1940 and provision
