Sir,

Sub: Travelling allowance - certain members of the Oriental Manuscripts Library unable to bring their families back to Madras from Tirupati permission for the extension of time for the admissibility of travelling allowance for the family - Requesting.

The Curator of the Oriental Manuscripts, Madras reports to me that he the librarian and the Senior Pandit of his office have been trying to secure a suitable accommodation for them ever since their coming back with the library from Tirupati without any result so far. Owing to the non-availability of accommodation they have not so far brought their families from Tirupati. As they fear that they may not be able to secure ~~suitable~~ suitable accommodation for them within the period of three months within which they should bring their families with reference to Rule 71 of the Madras Travelling Allowance Rules the Curator requests that in the cir-

2
cumstances he and his staff may be permitted as a special case to bring their families to Madras within 6 months from the date of their transfer to Madras i.e. 18--9--1945.

As the difficulty explained by the Curator is real, I have the honour to recommend that his request for the extension of time up to 6 months from 18--9--1945, the date of transfer of the library to Madras for claiming travelling allowance on behalf of the family may be complied with.

I have the honour to be,
Sir,
Your most obedient servant,

M. Ramani
