Sir,

I am directed to say that in accordance with the principles laid down in this Department circular letters mentioned in the margin, Provincial Governments and Local Administrations have sanctioned schemes for the grant of educational concessions to children and dependents of persons serving in the present war. In this connection I am to invite attention to paragraph 5 of this Department letter No. F.32-16/41-E, (Part II) dated the 23rd February, 1943, and to suggest that the Provincial Government may consider the advisibility of granting scholarships, if this has not already been done, to the children and dependents of Defence Services Personnel who are killed or are permanently incapacitated while on .....

It is also understood that Military Schools on lines similar to those at Ajmer, Jullundur and Jhelum, may be established in South India, which would train sons of ex-service men so that they may eventually qualify for admission in the War Memorial Academy.

Letter No.33-DCR/28/43, dated the 6th November 1945 from the Government of India, Defence Department, New Delhi:-

.....

Sub:- Post-War Services Reconstruction Fund.

...

As the Provincial Government are aware, the Military Reconstruction Fund was constituted with effect from the 1st April 1942 and consists of monthly contributions by the Government of India at the rate of Rs.2/- for each combatant and Re.1/- for each non-combatant, such contribution being entirely separate from the deferred pay at the same rates which will be paid to the men themselves in due course. Similar Funds have been constituted for the Royal Indian Navy and the Royal Indian Air Force; and the sums accruing to the ~~approximately as follows:-~~ three Funds up to the end of the financial year 1944-45 are approximately as follows:-

	Rs.
Army	9,35,24,000
Royal Indian Navy ..	13,31,000
Royal Indian Air Force. ..	11,84,000

The Government of India have decided that all three Funds should be amalgamated and administered as one Fund and that 20% of the Fund should be kept as a Central Reserve and the balance divided between the various Provinces (including Chief Commissioners' Provinces) and states, the share of each Province/State being in proportion to its strength in the three Services at the outbreak of the War plus the number of recruits provided by it from the outbreak of the War up to the 1st January 1945 or a later date up to which figures may be available. It has also been decided that Provinces should administer their respective shares of the Fund under the provisions of the Charitable Endowments Act and that the Committee of Administration should consist of the Governor as Chairman in his personal capacity and four members, three of whom will be nominated by the Governor and the fourth by the Commander-in-Chief. It has been ascertained that the ~~Ex~~ administration of the Fund under the Charitable Endowments Act will not operate as a bar to the corpus of the Fund being expended and that it will be possible to modify any scheme, should Government think it fit to make alterations at any time. It is suggested that it would be desirable to appoint a competent Secretary for the administration of each Provincial Fund who should act as a liaison officer between the ex-servicemen and the Committee of Administration.

2. The money from which the Services Reconstruction Fund has been built up is to be used for the collective benefit of those who have served in the ranks or as non-combatants in the Defence Services during the recent War. In order that these persons may reap the full benefit from the Fund, expenditure should be so arranged by Provinces that their shares of the Fund would be extinguished in 25 or 30 years. This does not, however, mean that the money should be spent entirely upon measures for the direct benefit of those who have actually served during the War; it can also be used for the advantage of their sons and brothers, wives and daughters, or other dependents or future generations of their families. Nor does it mean that schemes of the nature of permanent scholarships and grants or endowments for the benefit of the soldiers' families are ruled out; effect can be given to such schemes by investing separately the amount required to finance them from its interest.

M

3. The Fund should not be used in order to contribute towards measures which a Government would, in any case, take for the benefit of the public in general as part of its policy of development and social welfare. Nor should grants be sanctioned for schemes, the amounts of which are disproportionately large compared with the numbers of ex-servicemen who will benefit.

4. Schemes eligible for assistance from the Fund may embrace the whole Province, designed to benefit ex-soldiers as a class by providing them with facilities or amenities which the Provincial Government may not be in a position to provide for the people in general.

(i)...

Or there may be specific schemes to help groups of ex-servicemen to settle themselves in civil life. The former will include e.g.,

All

(1) scholarships and stipends to supplement those provided by the Province or the Centre;
(2) provision of amenity buildings, libraries, etc., in connection with Sailors', Soldiers' and Airmen's Boards or in heavily recruited areas;
(3) special measures for the health of soldiers' families, e.g., provision of maternity benefits, appointment of health visitors, etc.

The Government of India consider that it would be reasonable to expect the Provincial Government to bear a proportion of the cost of such schemes, especially if they benefit persons other than ex-servicemen.

As regards group schemes the following are a few examples:-

(a) co-operative workshops;
(b) co-operative building;
(c) purchase of agricultural implements, bullocks, etc., in connection with co-operative farming;
(d) special technical training facilities, e.g., for tanners, weavers, etc.;
(e) grants in connection with a group scheme of rural housing for the benefit of, and to be carried out by, ex-service personnel.

5. Individual grants which should take the form of an additional assistance in kind may be made in special and specific cases where the local Soldiers', Sailors' and Airmen's Boards consider this to be desirable. Such grants should be given only in cases where the recipient is unable on account of disablement or otherwise to take advantage of a co-operative group scheme which may exist in the locality for the benefit of ex-servicemen and which would ordinarily have been suitable to his particular circumstances.

6. The Government of India suggest that in order to expedite the execution of plans for the benefit of ex-servicemen, Provinces may incur expenditure in advance on such schemes as are eligible for assistance from the Services Reconstruction Fund in accordance with the principles enunciated above, and recover it later from their share of the Fund when it is received by them. It is not necessary to submit the schemes for the approval of the Central Government but an annual report may kindly be furnished describing the schemes that have been financed from the Fund and the expenditure that has been incurred upon them during the year.

(C.No. 52057 C/44) From the Govt. of India, No. F. 32-40/44-E of 27.10.44

War - Ednal concessions to the children etc. of Defence Services Personnel - Grant of scholarships to the children etc. of deceased and incapacitated soldiers

It has been made clear in para 2 of G.O. No. 12 Edn. (a) of 2.1.43 that children and dependants of deceased and incapacitated soldiers should get the ednal concessions which Govt. have provided in connection with the present war. The concessions comprise (b) complete remission of school or college fees, both (h) tuition and special, and examination fees and also M the grant of a cash allowance for books etc. on a scale graduated according to the stage of edn. which the pupil concerned is in. The Govt. of India now suggest the advisability of granting scholarships also to the children and dependants p 2 c.f. of Defence Services Personnel who are killed or are permanently incapacitated while on active service. They had not made any such suggestion in their letter of the 23rd February 1943 to which attention is (S) drawn in the current letter. Anyway they would prefer granting some more liberal treatment to the category of students in question. A scholarship is required to cover boarding, ~~and~~ lodging, ~~and~~ clothing etc.

K There is a separate suggestion that all the war-concession holders who are inmates of recognised hostels should be granted their boarding and lodging expenses by Govt. If that scheme goes through, that will naturally cover the subject matter of the G. of I's

It will not cover the cases of those who are not in hostels. Recognised

reference. If not, it will be a point for consideration whether scholarships should be provided particularly for the children and dependants of 'soldiers' who are killed or permanently incapacitated while on active service. The scholarships, if provided, should ~~primarily~~ probably be of higher value than the ordy. Govt. scholarships. In any event the Govt. scholarships awarded by the Ednal Deptt. will be insufficient as the rates are much out of date with refce. to present day conditions and are available only for 9 months in the year. It would be necessary to consult the D.P.I. and the S.G. regarding adequate rates of scholarships. Dev. may also have to be consulted in regard to scholarships which may have to be awarded in the institutions under their control.

This may be taken up independently

Estimates of cost may be called for as proposed by E.P.H., without the Govt. definitely committing themselves to the proposal. The number and amount of scholarships may be considered in due course. The question whether the G of I may be asked to bear a share of the expenditure on scholarships may also be considered later.

12.11.44

The families of soldiers killed or incapacitated on service presumably get pensions. E.P.H. may please ascertain how much they are. There are also, I believe, Services Charitable Funds that make grants in some cases. If it is necesy. to give Govt. educnl. grants for the children to supplement the pensions in any cases I think the G. of I. should meet the cost. This may, however, be considered later if the D.P.I. is now to be asked to give an approx. estimate of cost without the Govt's being committed to the proposal. Ed P.H.(C)

The Govt. of India, on ~~first~~ suggesting ~~a scheme~~ for the grant of ednal concessions to the children of soldiers originally, had made it clear that the entire expre. would have to be met from Provl. Revenues. On that understanding, the cost of all the concessions so far granted by this Govt. in connection with the present war, is met from the Provl. funds. It is, therefore, doubtful whether the Govt. of India would agree to meet the cost (partly or entirely) on account of the grant of scholarships to the children and dependants of deceased and incapacitated soldiers as suggested by Finance.

2 As regards X on page 1 ante the Govt have since dropped the general scheme of providing free boarding and lodging for all eligible children living in recognised hostels and sanctioned the opening of a boys' hostel at Vellore for 200 inmates from the current school year for the children of 'soldiers' domiciled in any district in the Province, special preference being given to children of soldiers who have died or been incapacitated for work on war service. (Previous Finance notes on pages 7 above)

The file deals with the proposal to grant ~~educational~~ scholarships to the children and dependants of Defence

Defence service personnel who were killed or are permanently incapaciated while on active service during the ~~present~~ war (that ~~has~~ ended in 1945.

2. With reference to the Government of India's letter on pages 1-2 c.f., the Director of Public Instruction was asked to furnish an estimate of the cost involved based on the existing number of students reading in all institutions at present, who will be eligible for the proposed special scholarships. Page 3 CF

His proposals are on pages 19-20 c.f. He states that 216 (87 children and 129 dependants) will be eligible for the proposed concession. The rates of scholarships proposed by him are as follows:- p. 19 CF

Primary	Rs.5/-	per mensem	for 12 months.
Secondary	Rs.10/-	-do-	
Collegiate	Rs.15/-	-do-	

Page 20 CF

The above rates are stated to be on the analogy of the rates adopted for the grant of Lady Linlithgow Scholarships to the daughters of ~~the~~ Defence service personnel~~, who have been~~ killed in action in the ~~present~~ 1939-45 war. ~~that has ended.~~ According to the Director of Public Instruction, the probable extra expenditure per annum is Rs.23,220 or Rs.23,200 roundly. M on p.19 CF

This is only the cost of giving scholarships at the proposed rates to existing pupils. The cost would probably increase for some years as more eligible children entered the schools. Dnd

-S on p.6 above

2. E & P.H. and Public support the proposal. page 9 above

3. The following remarks are called for:-

(1). The educational concessions granted to the children and dependants of the Defence service personnel, in general, up to now, are given in G.O.No.610 E & P.H., dated 20-4-45. (Y) Similar concessions granted during the last war are given in Column (1) on page 74 n.f. of G.O.No.272 E & P.H. dated 16-2-1942. (B) It will be seen therefrom that no scholarships were granted during the last war.

(2) In addition, Government have sanctioned the opening of a free boys' hostel at Vellore for the children of soldiers in G.O.No.662 Edn., dated 27-4-45. (X) Since extended to dependants.

(3) Government are already incurring a large amount of expenditure on the grant of educational concessions to children and dependants of the Defence service personnel and much more than in the last war.

(4) A similar proposal to grant boarding allowance to

to the children of soldiers, who are not in affluent circumstances was considered by Government in 1942 and was not sanctioned - Vide A 2's minutes at X on page 79 n.f. of G.O.No.272 E & P.H., dated 16-2-1942 at (B). (B)

(5). The ~~families~~ wives & children of soldiers killed or incapaciated on service are ~~apparently getting~~ presumably given pensions sufficient ~~enough to~~ for their maintenance & the education of the children. ~~maintain themselves, their children and their dependants.~~ Co X on p.3 above

(~~6~~) In the circumstances, this Department may suggest that there does not seem to be a strong case for the sanctioning of the proposal for the grant of scholarships as put forth by the Director of Public Instruction - on pages 19-20 c.f. Ms 9.1.46 Dnd

4. If the proposal is to be sanctioned, the following remarks are called for on the details:-

(i) Amount of scholarship:- p.20 CF

The rates proposed by the Director of Public Instruction are stated to be on the analogy of the rates adopted for the grant of Lady Linlithgow Scholarships, and may be accepted. M on p.19 CF Dnd Ms 9.1.46

(ii) Duration:-

The Director of Public Instruction has proposed that the scholarships should be granted for 12 months in a year. Educational scholarships are ordinarily tenable only for 9 months in a year. Y on p.20 CF. cf A on p2 above

This Department may suggest that the proposed scholarships, if given, may also likewise be granted for 9 months in a year. (1) Dnd Ms 9.1.46

(iii) Conditions of grant.-

The Director of Public Instruction has not proposed any conditions to govern the grant of these scholarships. Suitable conditions on the lines laid down in para 3 of G.O.No.610 E.&P.H. dated 20-4-45 may be prescribed in consultation with the Director of Public Instruction. (2) Ms 9.1.46 Dnd (Y) Z It may also be stipulated that the scholarships will not be admissible to those who reside in Government free boys' hostel, or who are in receipt of any other scholarship either from Government or from a private endowment. cf B on p.3 above (X) Ms 9.1.46 Dnd (3)

(iv) P.W.S.R.Fund.-

Please see Chief Secretary's remarks at A on page 9 abo

The educational concessions granted hitherto, to the children and dependants of the Defence service personnel ~~have~~

~~have been~~ are being met only from Provincial funds. With reference to M on page ~~25~~ 26 c.f., and A on page 26 c.f., the expenditure on account of the grant of scholarships ~~as~~ proposed, would seem to be a legitimate charge to be met out of the P.W.S.R.Fund. The Chief Secretary apparently considers that orders should issue quickly, and that if it is to be debited to P.W.S.R. Fund, it may result in delay. It is submitted that the question of debit to P.W.S.R.Fund ~~will not in any way~~ ~~affect~~ ~~delay~~ need not affect the issue of orders on the proposal. ~~In the circumstances this Department may suggest that~~ The expenditure may with reference to para 6 on page 26 c.f. be met in the first instance from Provincial revenues and ~~recovered later from~~ the Committee in charge of the P.W.S.R. Fund may be requested to reimburse it when it ~~when the administration of the Fund~~ is constituted.

5. Financial procedure.

Though educational concessions like remission of school and examination fees, grant of allowance for purchase of books etc., have been sanctioned by the Government up to now, scholarships have not been sanctioned so far, and the proposal would therefore seem to constitute a new item of expenditure. Further the expenditure involved is also large, viz. Rs.23,200/- recurring per annum. In the circumstances, it would seem that the "new service" procedure should be followed in this case.

(Y)

If any expenditure is likely to be incurred in the current year, steps will have to be taken to provide the necessary additional appropriation.

As the estimated extra cost involved does not exceed the limit of Rs.25,000/- recurring per annum, the sanction of the Governor-General for the expenditure need not be obtained.

9.1.46

9.1.46 It seems to me that it is clearly the responsibility of the G of I. to make adequate provision for the maintenance during education ~~of~~ up to a suitable age of the children of service en killed or permanently incapacitated on war service. .P.H. have not obtained any information as to the size of the nsions paid by the Army to the wives & children of service en killed on service & to permanently incapacitated service-men for the upport of themselves & their families, as was suggested at X on p.3 n.f.

A

The children of such service-men are already entitled to ~~getting~~ the benefit of free education with a generous allowance for books & incidental expenses under this Govt's general scheme of educatl. concessions for dependants of service men. I do not see why this Govt should go further & give special scholarships to them all to cover maintenance during education. If the pensions paid by the G of I. in such cases are not sufficient to cover maintenance of the children during education, then it is the G. of I., I submit, that should supplement them by giving special scholarships towards the maintenance of the children during their education. It may be noted that all the pupils of whom the D.P.I. has collected particulars & to whom he proposes to give the scholarships are already getting their education with the help of this Govt's general concession, & no evidence has been put forward to indicate that they are experiencing difficulty regarding maintenance. If there are children who really need the special scholarships it would presumably ~~probably~~ not be those who are now studying ~~already~~ in educl. institutions, but the others, if any, who have stopped their education & taken up employment for want of adequate means for their maintenance during continued education.

The D.P.I.'s estimate of Rs. 23,200 p.a. ~~[illegible]~~ as the cost of the scheme covers only pupils & students now enrolled in the schools & colleges. If special scholarships are made available to all children of the class in question, probably some who have stopped their education will resume it. In any case the no. of such children reaching school age is likely to exceed the no. completing their education for a number of years to come. The D.P.I.'s estimate of the cost of the scheme is ∴ too low, & I should think the cost would rise to at least Rs. 30,000 p.a. before long. If this estimate is accepted, the Govr. Genl's prior sanction under the §93 situation will be necessy. for the expre.

(4)

(1) Under para 3(1) of G.O.No.610, Edn. dated 20-4-1945, in all cases the soldier or officer, with reference to whom concessions are claimed, should have had at least six months approved military service. In deserving cases, a shorter period may also be admitted. The Director suggests that the scholarship should be withdrawn if the student fails in a class but should be re-granted on promotion to the next higher class. The Director's proposal is based ~~on~~ upon the practice followed in regard to ~~the~~ grant of Govt. scholarships which are withdrawn if the student fails to secure annual promotion. In view of '' in the memorandum ~~note~~ on page 27 c.f. it is for consideration whether the scholarship may be granted even if the student fails in a class once.

(4) Condition 5 suggested by the Director of Public Instruction:- The Director suggests that the scholarship should not be held in conjunction with any other Government scholarship. ASST. SECRETARY TO GOVERNMENT

ROC No. 846 W3/49 dated 14--6--1949.

Sub:-- War--Educational concessions to children and dependants of soldiers - award of scholarships under G.O. No. 886 Edn. dated 26-4-46 - Eligibility for students who stay in the same class for a second year.

46562

In G.O. No. 873 Edn. dated 25-3-1949, Government have ordered that the Educational concessions granted to children and dependants of Defence service Personnel may be restricted to one year in each class instead of two as at present from the academic year 1949-50. A query has been raised as to whether the children and dependants of deceased and incapacitated soldiers are eligible for scholarships as per G.O. No. 886 Edn. dated 26-4-46 for a second year in each class with reference to the orders referred to above.

2. The Scholarship awarded under G.O. No. 886 dated 26-4-46 is an additional concession granted to children and dependants of soldiers, who are in receipt of educational concessions under G.O. No. 610 Edn., dated 20-4-45. With reference to G.O. No. 886 Edn., dated 26-4-46, the pupils are eligible for scholarships for two years in a class. Since government have restricted the award of the Educational concessions to children and dependants of service personnel to one year in each class, the children of such category are not eligible for the scholarship admissible under G.O. No. 886 dated 26-4-46 for their stay in the second year in each class. I request you to let me know whether my presumption is correct and if so obtain the necessary orders of Government in the matter.

3. I request the favour of early orders in the matter.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

p.c.f. From The D.P.I. No. 846 W3/49 d/14-6-49

Please see the letter from the D.P.I. at p.c.f. The presumption of the D.P.I. at 'A' on p.c.f. appears to be correct. There does not appear to be any necessity to allow the scholarships for two years in a class when all other concessions have been restricted to one year.
