Sir,

Sub: Office of the Registrar of Books, Madras - Sri N.R. Krishnaswami, B.A.L.T., Promotion as 1st grade Reader Exemption from the prescribed qualifications.

In submitting herewith a copy of letter R.C.No. 699/43 dated 7th July 1945 from the Registrar of Books, Madras, I have the honour to request the Government to reconsider the orders already issued in G.O.No. 1433 Edn., dated 25th Octr. 1943 and to exempt Sri N.R. Krishnaswami from the qualification prescribed for the post as he has been doing his work very efficiently.

For Director of Public Instruction.

P.R.K. 18/7/45.

Copy of letter R.C.No. 699/43, dated 7th July 1945 of the Registrar of Books, Madras to the Director of Public Instruction, Madras.

Sub: Office of the Registrar of Books - Establishment - Sri N.R. Krishnaswami, Offg. 1st Grade Reader - Exemption from prescribed qualifications - Recommended.

Ref: (1) G.O.No. Ms 1433, Education, dated 25th Octr. 1943
(2) Your Pros.R.C.No. 3492 C/42, dated 6-3-1944.

I beg to invite your kind attention to my predecessor's letter R.C.No. 699/43, dated 22-1-1944 regarding Sri N.R. Krishnaswami, permanent 2nd Grade Reader and the present acting 1st Grade Reader of this office whose promotion to this post at first ordered in your Proceedings R.C.No. 3492 C/42, dated 22nd September 1943 was subsequently treated as a temporary promotion made under Rule 31(a) of the General Rules for Provincial and Subordinate Services and to state that I fully endorse all that has been stated therein with regard to the need for exempting him from the prescribed qualifications for the following reasons:-

- The qualifications prescribed for the post of 1st grade Reader were prescribed long after he had entered service.
- The rules then in force required a pass in the Account Test alone for promotion to the post of 1st Grade Reader and he passed this test in 1934.
- He is a B.A.L.T and possesses a fair proficiency in Tamil.
- With his present qualifications he has been discharging his duties very satisfactorily as 2nd Grade Reader for several years and as 1st Grade Reader for the past 21 months.
- A similar exemption was granted in the identical case of Sri V. Venkatesam Vide G.O.No. 2236, Education and Public Health dated 21-11-40.
- The Government were pleased to state in the G.O. mentioned above that the question of exemption Sri N.R. Krishnaswami from the qualifications prescribed for the post of Headclerk (now designated as 1st Grade Reader) would be considered if and when an occasion arose for promoting him to the post.
- Among the present members of this office he is the only person who has a good experience of the fundamentals of office routine and a high sense of responsibility and is competent to hold the post of 1st Grade Reader permanently.

I request therefore that you may be pleased to address the Government for a reconsideration of their orders in G.O.No. Ms 1433, Education, dated 25th Octr. 1943 and for the granting of the necessary exemption so that his temporary promotion to the post of 1st grade Reader may be regularised and he may be deemed to have commenced his probation in that post on the 25th September 1943, the date on which he took charge of it. I may add in this connection that the present satisfactory state of affairs of this office as revealed by the latest inspection therefore made by the Deputy Director of Public Instruction in December 1944 was in a larger measure due to his efficient management of this office and that he therefore richly deserves promotion to the post of 1st grade reader on a regular basis.

Sub:- Sri N.R. Krishnaswami - I Grade Reader - Office of the Registrar of Books, Madras - Exemption from the prescribed qualification.

With reference to the post copy of Telephone message dated 8th October 1945 from the Deputy Secretary to Government, I have the honour to state as follows:---

Under the revised regulations now in force, the course of study for the B.A. Degree consists of three parts (Part I English, Part II a second language other --- than English and Part III Optional subjects including any language other than English), the alternative qualification (2) (b) fixed for II Grade Readers in G.O.No. 3467 Public (Services) dated 4-12-1944 refers to the language concerned taken as an optional subject under Part III and the alternative qualification 2 (c) refers to the language concerned taken as a compulsory subject under Part II. Under the old regulations, the B.A. Degree course consisted of only two parts (part I English and Part II -- Optional subjects and a second language was a compulsory subject only in the Intermediate course and not in the B.A. degree course. The additional alternative qualification now suggested viz., "The degree of B.A. of a University in the Province with Tamil, Telugu or Sanskrit as the Second language for the Collegiate Course" differs from the alternative qualifications (2) (b) & (c) in that the term "Collegiate Course" occurring therein will include within its scope the case of a candidate who took the B.A. degree under the old regulations and consequently had studied the language concerned only up to the Intermediate course.

2. The alternative qualifications, which has been proposed as one of the two alternatives suggested by the Government in their U.O. Note No. 32730-B/45-1 Education dated 8-8-1945 will not be far below the standard of proficiency required for purposes of the Registrar's Office and cases in which the rule regarding this qualification is applicable will be very rare in future. It is not sufficient, for purposes of this new alternative, if one of the languages referred to therein is taken in the Intermediate course alone as under the present University regulations in force since 1929 the study of second language is compulsory in the B.A. course also. Hence the new alternative qualification will not be far below the alternative qualifications already fixed for II Grade Readers. It may be mentioned in this connection that the main object in suggesting this new alternative qualification is to regularise the appointment, as I Grade Reader, of Sri N.R. Krishnaswami, who took his B.A. degree in the year 1928 under the old regulations with Sanskrit as his optional subject as well as compulsory language in the Intermediate course and who therefore possesses a good knowledge in that

Subject:- Establishment - Office of the Registrar of Books - Sri N.R. Krishnaswami - Promotion as First Grade Reader - Exemption from prescribed qualifications.

In 1941, at the instance of the Director of Public Instruction, the Govt. revised ^{the} qualifications for the posts of Ist and IInd grade Readers in the Office of the Registrar of Books. - vide G.O.No.414 Pub(Ser) dated 27-2-1941. In that connection, the D.P.I., recommended that two members of the staff, Sri V. Venkatesan and Sri N.R. Krishnaswami may be exempted from the qualifications prescribed for the post of Head clerk (the designation of which had been changed to Ist grade Reader). The Govt. accepted D.P.I.'s recommendation in the case of Sri Venkatesan and stated that the question of exempting Sri Krishnaswami would be considered at the time of his promotion to the post of Ist grade Reader. In 1943, the D.P.I. promoted Sri Krishnaswami as Ist grade reader and addressed Govt. for exempting ^{him} from the prescribed qualifications (laid down in G.O.No.414 Pub (Ser) dated 27-2-41), but the Govt declined to accept the Director's recommendation - vide G.O.No.1433, Edn., d/ 25-10-43. At the instance of the Registrar of Books, the Director requests the Govt., to reconsider the orders in 'Y' and to ^{exempt} Sri Krishnaswami from the prescribed qualifications so that his promotion to the post ^{of 1st Grade Reader} may be regularised.

2. The grounds now adduced for a reconsideration of the case are ~~in~~ side lined in blue chalk on p.1 c.f. Items (a) to

(c).

P.T.O.

(c), (e) and (f) had already been considered. The fresh reasons ^{now} adduced ~~now~~ are items (d) and (g) on p.1. c.f. and portion marked 'A' on p.2.c.f. The D.P.I. states that ^{of the Registrar of Books} there are no qualified persons in the office ~~for~~ promotion to the post of Readers. According to the existing orders, relaxation of rules in individual cases is not permissible.

The alternatives open are (1) to alter the qualifications prescribed so that the appointment of Sri N.R. Krishnaswami may be regularised or to provide for recruitment by transfer. The D.P.I., expressed himself against the latter alternative in 1940. His remarks may now be invited

U.O. reply No.3492-C/42.

Office of the D.P.I.,
Madras, 7-9-1945.

Of the two alternatives suggested in the U.O. Note the second, namely, providing for recruitment by transfer to the post of 1st grade Reader is not desirable, as already stated, in the interests of the office of the Registrar of Books which does work of a special nature.

As regards the other alternative, namely, altering the qualifications prescribed for the post of 1st Grade Reader so that the appointment of Sri N.R. Krishnaswami as 1st Grade Reader may be regularised, the following proposal is submitted:--

3 Certain alternative qualifications were prescribed for the Second Grade Readers of this office in G.O.No.Ms.3467 Public, (Services), dated 4th December 1944. As appointment to the post of first Grade Reader is to be made only by promotion from among the second grade Readers and as it is desirable that the educational qualifications prescribed should be common for both the first and second grade Readers, the alternative educational qualifications introduced in the G.O. referred to above may also

be prescribed for the first Grade Reader.

Besides, with a view to regularising the appointment of Sri N.R. Krishnaswami as first grade Reader with effect from the afternoon of 24th September 1943 (the date on which he actually took charge as such) the following additional alternative educational qualification, namely, "the degree of B.A. of a University in the Province, with Tamil, Telugu or Sanskrit as the second language for the Collegiate course" may be introduced for both the second and 1st grade Readers and the amendments introducing alternative qualifications for the first grade Reader may be given retrospective effect from the 24th September 1943. It may be mentioned, in this connection, that the new alternative educational qualification now suggested for both the grades of Readers is the same as that prescribed for Junior Assistants and Assistant Translators of the Government Translators' Department whose duties are, to a certain extent, similar to those of the Readers of this office.

Director of Public Instruction.

To the Secretary to Government, E. & P.H. Department, u.o.

Edu. & P.H. Deptt (B)

(1) The D.P.I.'s proposals may be accepted.

2. The commission need not be consulted in the matter as the posts of "Readers" are excluded from the purview of the commission.

3. A draft order accepting the D.P.I.'s proposals is submitted for approval. It may be sent to Pub(Ser) for perusal before issue. The necessary amendments to the Madras Ministerial Services Rules will be issued by them.

How does the qualⁿ at 'x' above differ from the qualⁿ newly prescribed in (L) for 1st Grade Readers? Is it far below these qualⁿ? It is undesirable to reduce qualifications to suit a particular case.

A draft TM to the D.P.I., 4 submitted.

Forwarded at P.M. by Post d. 8.10.45 to the D.D.
CM. 6383 - from the D.D., letter No. R.C. 3492 of d. 30.1.46

Please see the letter from the D.D. on pp 11-12 of. He states that the proposed qualification at 'X' on p 3 ante is not far below the alternative qualification already fixed for Readers & Grade on p 2 of of Govt. 3467 (Pub. Ser.) d. 4.12.46.

The difference between the proposed qualification and the existing qualification is explained in para 1 of the D.D. letter on p 11 of. It is due to the change in the University Regulations in the year 1929. The D.D. also reports that Sri. N.R. Krishnaswami possesses a good knowledge in Sanskrit as he studied it as a compulsory language in the Intermediate Course and as an optional subject for the ~~same~~ ^{same} course. He also subsequently acquired proficiency in Tamil and Hindi. It is also evident from the D.D. letter that this proposed qualification will only cover the case of Sri. N.R. Krishnaswami and will not affect recruitment to the post of Readers & Grade ^{according to the existing qualifications} since a graduate of the year 1928 will be ineligible for recruitment ^{in future} on the ~~same~~ ^{same} of age limit. as he will be overaged.

2. In the circumstances, the proposals of the D.D., to para 3 of her memo on p 2 ante and at 'X' on p 3 ante may be accepted. The draft order below may be sent to Pub (Ser) for perusal before issue. The necessary amendments to the Madras Ministerial Service Rules will be issued by that Dept.

According to 'X' above, the D.D.'s proposal to introduce alternative qualⁿ is intended ~~only~~ ^{to} make Sri. Krishnaswami eligible for regular appointment as I Grade Reader. It seems to me that this alternative qualⁿ is below those already prescribed and should not therefore be added to them as an alternative. If it is going to benefit

I cannot quite see how the study of language arts up to the Intermediate course gives the same proficiency as the study of the language up to the standard required for a Reader or as a compulsory subject under Part II or an optional subject under Part III of the Departmental Course.

16/2/46

X

on p 11 of

only Mr. Krishnaswami, there is no particular reason why it should be made an alternative qualⁿ at all. Moreover, the effect of the proposal will be the same as that of relaxing the rule in Mr. Krishnaswami's case. What we have to consider is, therefore, whether Mr. Krishnaswami possesses adequate qualⁿ to hold the post of I Grade Reader regularly. The question of fixing an alternative qualⁿ, is suggested by the D.D., may be dropped.

On the question of relaxation, please see the previous D.D. remarks on p 2 of and the order in arch at p 3 of (Y) below. The D.D.'s recommendation for relaxing the rules was not accepted then, because it was considered that Sri. Krishnaswami was not qualified to hold the post regularly. What is stated at p 1, 2, 15 of will not, it seems, be sufficient reason for recommending the order in (Y). Pub (Ser) may see before arch.

Sri N.R. Krishnaswami is now acting as 1st Gr. Reader in the office of the Registrar of Books. He has been acting in this post from 24-9-43. The qualifications prescribed for this post and the qualifications possessed by ~~Sri~~ Sri Krishnaswami are given side by side on p.1 of the notes in G.O. 1433 Edn., dated 25-10-43. ^{Here} Sri N.R. Krishnaswami is said to have offered Sanskrit under Part II ~~for~~ the Intermediate examination. The D.P.I. in his letter on page 11 c.f. now says that Sri Krishnaswami took his B.A. degree with Sanskrit as his optional subject as well as compulsory language in the Intermediate course and that, therefore, he possesses a good knowledge of Sanskrit. The qualifications possessed by Sri Krishnaswami even as now amended by the D.P.I. fall short of the qualifications prescribed for the post in the rules.

2. In 1943 the D.P.I. recommended that Sri Krishnaswami may be exempted from possessing the qualifications prescribed for the post so that he may be appointed to it regularly. This question was considered and it was found that there was no case for relaxation of the rules - vide the notes and the orders in circulation on page 3 N.F. of (Y). The D.P.I. has again requested Govt. to reconsider the orders and regularise the promotion of Sri Krishnaswami as 1st Grade Reader, as there are not qualified persons in the office of the Registrar of Books for appointment to this post at present. If the rules are not to be relaxed, the D.P.I. proposes that an alternative qualification may be prescribed for the post of 1st Grade Reader. The alternative qualification proposed is the possession of the degree of B.A., of a University in the Province with Telugu, Tamil or Sanskrit as 2nd language in the Collegiate course. The D.P.I. has made this alternative proposal solely to suit the particular case of Sri Krishnaswami. As Sri Krishnaswami has studied Sanskrit as compulsory language in the Intermediate course he will become eligible for the post if the alternative qualification prescribed by the D.P.I. is approved.

Even if the D.P.I.'s proposal to prescribe this alternative

qualification is approved, the effect will be the same as relaxing the qualification rules in favour of Sri N.R. Krishnaswami.

3. This Department has considered that the question of fixing an alternative qualification as suggested by the D.P.I. may be dropped and that there is no case for a reconsideration of the orders already issued in G.O. 1443 Edn., dated 25-10-43. Pub(Ser.) have agreed with this department. The file may be sent to A-4 for orders.

The file relating to Venkatesh's case contains only the draft order, and refers to c.f. n.f. Please information as to Venkatesh's qualifications, the date of his appointment, the date of his passing to B.A., the language or languages offered by him, and whether he was offered for the B.A. or the intermediate, have to be obtained. In the absence of this information, we should not ignore the apparent precedent. It has to be remembered in the order in (Y), Para 2, the question of exempting Sri N.R. Krishnaswami will be considered if and when an occasion arose for promoting him. It could not have been the intention to raise hopes in him only for the purpose of refusing to reject his claims automatically. The information may be called for from the Registrar of Books, confidentially.

for the post. The DP I has now requested the Govt to reconsider the order and to exempt the Reader from possessing the prescribed qualifications so that his promotion to the post of 1st Grade Reader may be regularised. This can be done by relaxation of the qualification rule. It is considered that there is no case for relaxation. + Public (Sec) agree with this Dept's view.

The file may now be circulated to AG for orders whether the DP's request may be negatived.
