No. 28(95)/423

Archaeological Survey of India,
Southern Circle, Mylapore,
Madras. Dated the 14th Feb. '46

16 FEB 1946
Dear Mr. Coorey,

You may remember Dr. Paramasivan was engaged on a very special work, viz., the treatment of temple paintings in which the Madras Museum, the Hindu Religious Endowments Board and my Department are interested. He is now in my Department as an Assistant Archaeological Chemist, and at my request the Director General of Archaeology in India had been kind enough to declare his Headquarters as Madras until further orders, though he must have gone away to Dehra Dun. This I had to do to secure continuity in the very special work of restoration and preservation of the paintings that your Government were kind enough to put him on while he was in the Madras Government Museum Service.

You know the very little office accommodation that we have. We have no laboratory either. May I request you to arrange for his accommodation in the Madras Museum and for his using the excellent laboratory in the Madras Museum. If this is possible it will greatly help the progress of research.

Thanking you,

Yours sincerely,

J. Rameshaiah
Superintendent.

To

The Superintendent,
Government Museum, Egmore, Madras.

Sir,

Ref:- Your No. C-1-1/46, dated 26-2-46.

Dr. S. Paramasivan is now engaged in the work of preservation
of the paintings in the Brihadisvara temple at Tanjore. For this
work and for similar work in other monuments in the Southern Circle,
he may need the facilities available in the laboratory in the Govern-
ment Museum for about a year. Accommodation in the Archaeological
laboratory is requested. While working in the laboratory,
Dr. Paramasivan will use it as his office also. No other person
will be working with Dr. Paramasivan in the Museum, but he will
bring his attender to help him in his work. He will bring the
necessary chemicals himself, but if he uses any of the chemicals
from the Museum, they may be debited to this Department.

* If when he comes he finds it
not practicable to have his office in
the Laboratory, an extra room will be
needed for SVR's office.

Thanking you.

Sd/- T. N. Ramachandran.

Superintendent.

dated 26-2-46 (copy enclosed).

T. N. Ramachandran
Superintendent.

Copy of letter No. C.1-1/46, dated 26-2-46 from the Superintendent, Government Museum, to the Superintendent, Archaeological Survey of India, Southern Circle, Mysore.

With reference to your letter No. 28(95)/423, dated 14-2-46, referred to me for remarks in Government endorsement No. 9563 A/46-1, dated 19-2-46, I am to request you to be so good as to furnish me with the information on the following:--

1. The approximate floor area of the accommodation required.
2. Whether accommodation for Dr. Paramasivan is required in the Archaeological Laboratory here or in any other part of the Museum Buildings.
3. How many persons will be working here including Dr. Paramasivan.
4. For what period the accommodation will be required here and
5. Whether Dr. Paramasivan will bring with him the necessary articles including chemicals for his work.

The receipt of the reply of the S.P. to the reference above is awaited. The work is resumed on 10/4/46, if necessary. Kindly advise as per above.

The S.P. is requested to get in touch with the Archaeological Survey of India, Mysore, for the necessary arrangements. Yours faithfully, B. V. V.

Sir,

Reference Government Endorsement No. 9563 A/46-1 Education dated 19th February 1946.

In his letter No. 28(95)798 dated 1st April '46 the Superintendent, Archaeological Survey of India, Southern Circle, informs me that the Assistant Archaeological Chemist will be requiring laboratory facilities and office accommodation for about a year. It is possible to give the facilities asked for, and to allow the Assistant Archaeological Chemist to hold his office in the Laboratory. No separate office room can however be spared for his exclusive use. Details of the arrangements may be discussed between the Assistant Archaeological Chemist and the Curator for Chemical Conservation in this Museum as they will be sharing the accommodation available in our Chemical Laboratory.

I have the honour to be,
Your most obedient servant,
A. Aiyappan,
Superintendent.
