Thro'
The Proper Channel,

The humble memorial of P. Chundu Kutty Assistant

Master Board Boys School, Ullari, Post, Rindlandy.

Respectfully sheweth:—

(1) that, on account of the present war conditions, the market prices of rice, cloth, kerosine, gingily oil, coconut oil and other necessities of life have abnormally increased. This is clear even from the index tables published by Government.

(2) that, in Malabar, the rice in price has been the highest in the Presidency.

(3) that, consequently, the memorialist finds it extremely hard to maintain himself and his family on his/her present salary of Rs. 203.

(4) that, owing to the inadequacy of his/her present salary to meet the abnormal increase in the cost of living, he/she is running into debt and will soon be on the verge of insolvency.

(5) that his/her present position, therefore, demands immediate pecuniary relief.

(6) that, realising the difficulties of their low paid servants, Government themselves have sanctioned varying rates of dearness allowance to their servants and have permitted Local Boards to grant similar allowance to their servants.

(7) that, private employers like factory owners and quasi public agencies like Railway Companies have also given generous aid to their low paid employees to allow them to tide over these difficult times.

(8) that the Malabar District Board has not yet granted the dearness allowance allowed in G. O. No. 2788, L. A. dated 19-9-'42 to its servants and

(9) that, therefore, he/she humbly prays that the benign Government may be pleased to consider his/her present pitiable circumstances and to issue immediate orders to the District Board making it obligatory to grant dearness allowance to the memorialist at the rates sanctioned to Government servants treating the expenditure as a prior charge on District Board funds.

For which act of justice and generosity, the memorialist shall, as in duty bound,

NOTE.

Apparently, the D.P.I. requires the services of his personal clerk - a stenographer - for doing office work during his journey and halt at Mysore. The clerk may be allowed to accompany him.

Ordinarily, the D.P.I. is allowed to take with him two peons, on tour within the Province. Reference is

in this connection invited to Fin.'s note on p.4 N.F. of "L".
Unlike Lucknow, Mysore being near, the conditions in regard to receipt and /despatch of tappals, etc. are likely to be akin to ordinary tour and this dept. may therefore support the Dir.'s request to take with him also two peons.
