SUBJECT: Establishment - Education - Secondary - Madura District Board - Special pay to the staff of the Board Middle School, Pannikadu - Request for sanction of

R E F: Letter Ref.A-2-4460/45, dated 18-7-45 from the District Board, Madura.

Submitted.

2. The circumstances under which the allowance was paid under Rule 16 instead of Rule 12 of the Madras Manual of Special Pay and allowances has been explained in the President District Board's letter ROC.No.A.2.4460/45, dated 27-8-45 (copy enclosed). A copy of the remarks No.546-1- dated 3-12-1945 of the Examiner of Local Fund Accounts in the matter is also submitted herewith.

3. I recommend that Government may approve the sanction to the staff of the Board Middle School, Pannikadu, of the special pay under Rules 11 and 12 of the Madras Manual of Special Pay and Allowances by the District Board as was done in another connection - Vide G.O.No.Ms.647 Edn., dated 25-4-45.

(not put up)
1. Copies of the orders of Government in which an increase of the hill allowance has been permitted in the case of other servants of Government and local bodies (G.O.No.Ms.533 Finance dated 7-10-44 and G.O.No.Ms.2819 L.A., dated 30-12-1944) are enclosed. The former permits a 50% increase in the rates specified in rule 16 of the Madras Manual of Special Pay and Allowances while the latter order relates to the servants of the Nilgiris District Board and of the Municipal Councils of Coonoor, Ootacamund and Kodaikanal. It is not known if an increase in the rates specified in rule 12 of the Madras Manual of Special Pay and Allowances has been permitted in the case of servants of Government and local bodies in this presidency.

2. There are schools in certain villages in Madura District which come under rule 12 or rule 16 and G.O.No. Ms.647 Edn., dated 25-4-45 mentions 5 villages as coming under each of the above two rules. Pannikadu under reference is an unhealthy area and will be governed by rule 12.

3. This district board and before it the taluk boards concerned were paying elementary school teachers working in these hill villages a special allowance and the Audit Department objected to the payments as the areas in this district in which these payments could be made are only Kodaikanal Municipality and Thandigudi the former under rule 16 and the latter under rule 12 of the Manual of Special Pay and Allowances. The matter was thereupon referred to Government who stated in Government Memo. No. 38998-A-4-Edn. dated 29-4-45 that the grant of this allowance should be regulated according to rules 15 and 16 of the Manual. These orders did not contemplate the payment of any allowance under rules 11 and 12 and another reference had to be made to Government and clear orders obtained in G.O.No.Ms.647 Edn., dated 25-4-45.

4. As the rates permissible under rules 15 and 16 were not higher than those permissible under rules 11 and 12, payments already made under rules 15 and 16 were not interfered with. The word "Kodaikanal" was wrongly taken to apply to the whole of the Kodaikanal Hills (the Palnis) and not to the Municipality alone and hence the difference in payment. Allowance at the rates permissible under rules 11 and 12 will be paid with effect from 1st May 1945.

(TRUE COPY)

Copy of the Examiner's Note 546-1- dated 3-12-45.

The points raised in the note are answered seriatim.

The orders issued in G.O.No.Ms.647 Edn., dated 25th April 1945 will not be applicable to the staff in the Pannaikadu Middle School without the specific sanction of Government.

2. Though the payment of the allowance under Rule 16 instead of under Rule 12 has not resulted in any excess payment, it was irregular to have made the payment of the allowance before the locality was classified as an expensive one. The irregularity need not be pursued.

3. It is open to Government to sanction the staff in the Pannaikadu School, the special pay under Rules 11 and 12 but the temporary increase of 50 per cent is not admissible as the increase sanctioned in G.O.No.533 Fin. dated 7th October 1944 applies only to the allowance under Rule 16.

The Government have in their order quoted above been pleased to grant hill allowances to the teachers of Kodaikanal Taluk in accordance with rules 12 and 16 of the Madras Manual of Special Pay and Allowances.

There has been a board middle school for the past one year in Pannaikadu village (of which Aladipatty and Uralpatty are hamlets) and this is an unhealthy locality being malarial. The staff of the school are being paid hill allowance at the rates specified in rule 16 instead of rule 12 of the Madras Manual of Special Pay and Allowances. They now ask for an increase of this allowance by 50% as permitted in respect of other servants of Government and local bodies.

I request that Government may be pleased to permit hill allowance being paid to the staff of the above school at the rates prescribed in rule 12 of the Madras Manual of Special Pay and Allowances plus a temporary increase of 50%.

A spleen survey was carried out in both the hamlets of Pannaikadu village. It is 4,400 above M.S.L.

18 out of 311 children (5.7%) had enlarged spleens. The details are appended herewith for your kind perusal. Malaria morbidity figures could not be collected as there is no dispensary within a radius of 18 miles from this village. Quinine is distributed free in this village.

Local enquiry shows that malaria occurs during April to June every year and there may perhaps be an epidemic during these months. As the spleen index is very low I do not think that the village can be declared as an unhealthy locality. The Government may be informed accordingly.

G.O.No.533 Finance dated 7-10-44 is put up at (G). The teachers employed in the Board Middle School at Pannikadu are not at present eligible for either the hill allowance at the rate prescribed in rule 16 of Manual of Special Pay and Allowances or for the unhealthy localities special pay prescribed in rules 11 and 12 of those rules as Govt. have not declared the teachers in that village as being eligible for the special allowances. However the P.D.B. has paid them hill allowance at the rates specified in rule 16 and this payment was objected to in audit. The President has not clearly understood the position that the 50% increase is only in respect of the hill allowance prescribed in rule 16. He therefore requests that the teachers may be paid special allowance at the rates specified in rule 12 and in addition the temporary increase of 50%. The D.P.I. and the Examiner of L.F. Accounts recommend that the teachers may be granted special allowance at the rates specified in rules 11 and 12. As the D.P.H. has stated that there is no need to declare Pannikadu as an unhealthy locality for the purpose of the grant of special pay, it does not appear that the proposal of the D.P.I. and the Examiner can be accepted. The question that remains to be considered is whether in view of the report of the Collector that the village lies in hill tracts, that is in an expensive locality, the teachers there may be granted hill allowance under rule 16 of the Manual of Special Pay and Allowances. They will then become eligible for the temporary increase of 50% also.

The remarks of L.A. and Finance may be invited U.O.

The teachers in Board Middle School at Pannikadu are already being paid H.A. at the rate specified in rule 16 but without proper sanction. What is now wanted is proper sanction similar to that given to teachers in certain other areas in the Govt. S.S. & H.S. In view of the Collector's report that the village also lies in hill tracts, the teachers there

may be granted H.A. under rule 16. They will then become eligible also for the temporary increase of 50% which means 50% more. He is a L.A. and Fin. Sec.

more advantages for him. It is not a 'unhealthy' - which seems to be a hardy justification. We are all bound to break an anomaly of this kind.

I would refer the case to the L.A. for decision. The increase of 50% is a very large payment already made, if any, may have to be waived.

28/3/46-2

10/4/46

10/4/46

In view of what the D.P.H. has reported in p. 12 of the report there seems to be no case for classifying Pannikadu as an unhealthy locality. The proposal of the Secy, 2nd L.A. that it may be treated as a hill tract (expensive locality) and that the rates of hill allow. laid down in rule 16 of the Manual of Special Pay & Allowances may be sanctioned (without the temporary 50% increase) may, it is said, be accepted in this Deptt. and the file passed on to Finance no.

(Similar orders have been issued in regard to ~~or Board~~ ~~concerning the teachers in~~ teachers in

other areas in No 647 Edn of 25.4.45).
