No. Ascts/46. dated 28th March 1946.

Sir,

Sub: Books and Publications - Publicity Department
Commemoration Volume - "Spring Board - Madras
in 1945" - Post War Reconstruction Booklets -
unsold copies - sale of.

Ref: (1) Public (War) Department Memorandum No. 320/46-2
dated 16-3-46 and No. 255 dated 4-2-46 - p 3 of mlf
(2) G.O. No. 2355 Public (War) dated 4-10-45 p 7 of mlf
(3) G.O. No. 48 Public (War) dated 8-1-46
(4) Letter of Director of Publicity, Madras
No. 12/3/46 dated 4-3-46.

With reference to the above I have to state that
unsold copies of the following publications as detailed below
have been received from the Director of Publicity, Madras for
sale at the Publication Depot at Mount Road, Madras. These
were printed at private presses and published as a departmental
publication by the Director of Publicity and sold on agency
basis on varying terms by some leading booksellers. The cost of
printing thereof was debited to "64 B. Civil Defence" and their
sale proceeds credited to the corresponding departmental revenue
head. As these publications have to be treated as distinct
from those printed at this press and as this office is
concerned only with the sale of priced Government publications,
the cost of printing of with and the sale proceeds thereof are
accountable under Stationery and Printing budget, the undertaking
of sale of these publications involving maintenance of different
sets of ledgers and accounts including sale and pro-forma accounts
of receipts and charges and the correspondence connected therewith
will throw a heavy burden on the staff of the Publication Depot.
Out of the seven pamphlets in English relating to the post war
reconstruction, printed copies of three more have yet to be
received for stock and sale. Further the language of all the
seven pamphlets have to be printed at the Government Press and
stocked for sale on different terms. The cost of printing of
these language volumes is to stand finally debited to
"56 Stationery and Printing - II Printing - Government Presses"
and the sale proceeds credited to "XLV Stationery and Printing -
Provincial".

In the circumstances stated by him, the appointment of an accountant and an attender for a period of one year may be agreed to. The S.G.P. may however be asked to disband the add. staff as soon as the work gets reduced to such an extent that the existing staff can manage it.

2. As regards the 25% commission asked for by the S.G.P., it is not clear why the Press should be allowed Commission on sales of Govt. publications unless the commission is to be passed on to ^{private} booksellers by the S.G.P. This may be verified from him. If the Commission is intended only for being passed on to private book-sellers, Finance may agree to the proposal.

15-4-46. Para 2 above. The S.G.P.'s request that he may be permitted to charge a commission of 25% is only in respect of sale of publications that were printed at private presses (and not at the Govt. press). The sale proceeds of these publications will be credited to "LII-A and defence" and not to the head "XLI - staty. and printing".
