URGENT

No. A757. Dated New Delhi the, 12th October 1945.

From, Rai Bahadur A.C. Das Esquire,
Deputy Secretary to the Government of India.

The Secretary to the Government of Madras
Education and Public Health Department
Madras

Subject:-Supply of imported paper..

Sir,

I am directed to say that the procedure for the supply of imported paper (such varieties as are not manufactured by the Indian Paper Mills) to Provincial Governments Indian States, etc., for official use has been under the consideration of the Government of India for some time.

2. It is proposed to ban the sale of imported paper by any dealer in British India to any Government or quasi-Government indenter, including Indian States, except against a permit to be issued by the Controller of Printing and Stationery, India, and/or any other authority that may be empowered to do so.

3. To deal with the matter, the Government of India consider that either of the following two methods may be adopted as may be convenient to the Provincial/State Government.

(a) A permit may be issued by the Controller of Printing and Stationery, India in favour of each Government, whose estimated requirements of imported paper during 1945-46 were communicated to the Controller last year. The Governments will make purchases against that permit. Every purchase made will be noted on the reverse of the permit by the selling firm. or

(b) a quota may be fixed for each Government on the basis of the estimated requirements for 1945-46 and an officer be authorised to issue permits up to that extent as and when necessary.

4. It is requested that the Government of India may be informed as to which of the two methods outlined in the preceding para. will be preferable and convenient to your Government?

5. In case method (b) is preferred the name and designation of the officer who is to be authorised to issue permits may kindly be furnished to this Department.

6. A very early reply is requested.

I have the honour to be,
Sir,

Your most obedient servant,

Sir,

SUPPLY OF IMPORTED PAPER - Ref:- Govt. Endt. No. 46224-B/45-1 Edn., dated 19-10-1945.

Of the two methods suggested by the Government of India, method (a) will not be suitable as Government do not purchase the requirements of the Government offices in this Presidency. Method (b) will be preferable and convenient. The quota may be fixed for the Government of Madras on the basis of the estimated requirements for 1944-45 furnished to Government with this office letter No. B-3-4498/45 dated 18-9-1944 and 24-9-1944 with reference to Government Endt. No. 45501-B/44-1 Edn., dated 15-9-1944. The Supdt. of Stationery may be authorised to purchase his requirements as and when necessary up to the extent fixed in the quota. In which case the supply orders on the firm should be treated as a permit. Government of India letter is returned herewith.

SUPPLY OF IMPORTED PAPER - Govt. Edn. & P.H. Department Post-copy of telephonic message dated 6-11-1945.

52829
By the statement that Government do not purchase the requirements of Government Offices it was meant that Government in Education & P.H. Department do not purchase the requirements directly. Imported papers were previously obtained by the Superintendent of Stationery either through the Director General of Stores, Blackpool or through local dealers who were in a position to import our requirements. Imported carbon papers are being obtained through the Director General of Stores for 1945-46. Imported Litho Paper and Tracing Paper required for 1945-46 are expected to be received from Messrs. J.B. Advani & Co., Ltd., Madras and Messrs. Typewriter & Office Appliances (India) Co., Ltd., Madras respectively.

If method (a) is adopted, the permit will be issued to the Secretary to Government, Education & P.H. Department. It is not known whether this permit can be transferred to the Superintendent of Stationery who is expected to purchase the requirements of the Government of Madras as and when required.

Replies to Government Endorsement No. 45501/B/44-1 Edn., dated 15th September 1944 are B-3-4435/44 dated 8th September 1944 and P.T.O.

and 29th September 1944 and they relate to the requirements of imported paper for 1945-46. The presumption of the Deputy Secretary is correct.

In view of what is stated by the Sgs on

p. 7 ante, it is for orders whether the draft letters on p. 4 ante may now issue.

Re 45-46 indent for paper the Dgt. since wanted certain quantities of paper each year. Will not this indent have to be increased to meet this demand? Any other indentors? *20 paper*

With ref to D & S queries on p. 8 ante, attention is invited

to the varieties of imported paper usually obtained by the Sgs - vide H. 19.20 of G.O. No. 1688 Cdn. d. 10.11.44. From the requirements of D & S on p. 1 of ^{above} Ltr. it is observed that only 'Art' paper falls under the category of imported paper. The Sgs has not indent for this paper for 1945-46. The other indentors for imported paper are -

(1) S. J. S. Archaeological Survey of India, Southern circle (2) Madras Port Trust (3) Reserve Bank of India and (4) H. C. General for India & China. Supplies are made on payment to these indentors. Presumably the Sgs would have taken the requirements of these indentors for imported paper into consideration when stating that the quote may be fixed

Please say whether this will cover the
requirements of the Director of Publicity

No. 50403B/45-5. Edn. dated 17-1-46 D.S., has raised the question
whether the varieties of paper formerly indented for by the D of
P will now be required in view of the closure of the Publicity Deptt.
with effect from 1-3-1946. This may be sent to Public (War) in
continuation for advice whether the varieties of the paper mentioned
by the C.R. and S. India should be obtained.

dated 23-1-1946.

Public (War) Deptt.

Please see the letters from the Controller of Printing and
Stationery, India on pages 11 and 15 c.f. and the letter from the
Govt. of India, Deptt. of Industries and Civil Supplies on page 13.c.f.
the query of E.P.H. Dy. Secy. on page 9 above and the notes of E.P.H.
extracted above.

2. It is submitted that in view of the abolition of the
Publicity Deptt. with effect from 1-3-46 it is not necessary to
indent for the annual supply of the various varieties of the paper
originally required by the D of P. for particulars of the paper
required by him please see page 1 and 9 c.f. But it is not known
whether any of these varieties of paper and particularly the
English Finish printing paper a sample of which is on page 17 c.f.
will be required by the D of P for the printing of the P.W.R. book-
lets or their translations. Reference is in this connection invited
to d.o. No. 194/46-5 dated 28-1-46 to R.P.C.

Z above:- The popular version of ~~over~~ ^{our} five year plan is to be
published in a series of seven pamphlets. Four of them have come out
and the D.P. hopes to bring out the other three before his organiza-
tion closes down. No paper is needed for the English edition of the
pamphlets.

As regards the vernacular editions, the D.P. has reported that
some 750 reams of cheap white paper will be necessary. He is feeling
doubtful if typesetting, proof reading &c would be over by the time
he relinquishes charge. Even though the translations may be over
before the publicity organization closes down, the printing &c. has
to be entrusted to some other authority - most probably the S.G.P.
(The connected file is being submitted separately). The S.G.P. may
be expected to make his own arrangements in consultation with the
Supdt. of Stationery to find the necessary paper. No action need be
taken in this file regarding paper for the translations.

has been asked to obtain 'English Finish Printing paper' and 'Tinted cover paper' from Bombay and the Titaphus Paper Mills respectively if those varieties of paper are required for purposes other than the D. G. P. The Secy will no doubt ~~send~~ send a report on the matter to Govt; ^{if he does not do so} ~~but~~ ^{as} a report may be called for from ~~him~~ on 11.2.46.

3. The Sgs (~~the~~ memo referred to in para 2 above) has also been asked to report whether Art paper is required by him for purposes other than that of the Dgr. His report may be awaited till 11.2.46.

4. After receiving the reports of the Sgs, action may be taken to reduce our indent ^{on the Sgs} for imported paper if necessary. The Sgs will presumably send a report about Colours folder also (Item 4 under Paper Printing on p. 15 of L. 94 Ednd. 11.1.46). If not, it may be omitted from the indent for imported paper as the paper is meant exclusively for publicity purposes.
