 Government of India,
 Department of Education,
 New Delhi, the 3rd April, 1946.

From The Secretary to the Government of India

To The Secretary to the Govt. of Madras,
 Education & Public Health Department,
 Madras.

1905

Sir,

I am directed to enclose a copy of a letter which has been received from Mr. P.D.Kumaresan. one of the Madras Government sponsored scholars. The letter explains itself. The High Commissioner for India and this Department are in sympathy with the request of the scholar. Since, however, he is sponsored by the Provincial Government it is for that Government to treat this case as a special one and send him such grant as may be possible on compassionate grounds.

I have the honour to be,
 Sir,
 Your most obedient servant,

A.M.S. Royani
 For Secretary.

Copy of D.O. letter dated the 6th February 1946, from 3
P.D. Kumaresan, International Language Club, 20 Addiscombe
Grove, East Croydon, SURREY, to Dr. Thomas Quayle, Secretary,
Education Department, Office of the High Commissioner for
India, Aldwych, LONDON.

I am a Government of Madras sponsored scholarship holder
a student who arrived at Liverpool on board "M.V. Georgic" on
December 25th, and entrained at Liverpool on Boxing Day by the
10 a.m. train to London. Owing to the heavy rush at Lime Street
Station, Liverpool, luggage of some of us could not be loaded
in the luggage wagon in time. Mr. Sathe who met us at Liverpool
told us that the luggage would be sent by a train and asked us
to board the 10 a.m. train.

The next day, while the others received their luggage at
Croydon, one of my suitcases was missing. I enquired at the
Lost Property Office at Euston, and they telegraphed to Lime
Street Station and received a reply that the suitcase could
not be found. I reported the matter to Mrs. Datta, who has
very kindly taken much pains in trying to trace it. Last week
I heard from the Station Masters of both Liverpool and Euston
that the suitcase could not be found.

I have sent in a complaint to the D.P.M., 66 Drummond
Street, N.W.1., but have not much hope as our luggage was not
booked at Lime Street Station.

I have been put to immense difficulties in this country
ever since I landed because I lost the suitcase. I may mention
here that all the correspondence pertaining to my selection for
the scholarship has been lost with the suitcase. I was hoping
to find the suitcase, but now have lost all hope. I find I am
not in a position to replace the lost articles. As the suitcase
was left behind on the orders of Mr. Sathe, the representative
of the Office of the High Commissioner, sent to meet us at
Liverpool, I would be very grateful if the Education Department
would help me towards replacing them.

A list of the articles contained in the suitcase, and
their value is herewith enclosed.

Thanking you.

The Secretary to the Government of India,

Sir,

TECHNICAL Training abroad - Students sponsored in 1945-46 - Sri P.D. Kumaresan - Loss of suitcase.

Overseas scholarships - 1945-46 -
Sri P.D. Kumaresan - Loss of suitcase.

1. Sri P.D. Kumaresan is one of the private students selected in 1945-46 and sponsored by the Government for undergoing advanced courses of studies in the U.K. In his letter on page 3 c.f. the student reports that soon after his arrival in the U.K. on December 25th, 1945, he lost one of his suitcases which contained articles worth about Rs. 675/-. He requests that he may be helped to replace the articles lost. In forwarding the student's letter to this Govt., the Govt. of India state that they and the High Commissioner for India are in sympathy with the request of the scholar; and that as he is sponsored by the Madras Govt., it is for this Govt. to treat this case as a special one and send the student such grant as may be possible on compassionate grounds.

2. It may be noted that the student did not lose his suitcase through any negligence on his part. In view of the circumstances in which the student has lost his suitcase, it is for consideration (a) whether any special grant on compassionate grounds is possible in this case and (b) if so, whether the total value of the articles lost (Rs. 675/-) will be paid by this Govt. alone, or whether half the amount half the Govt. of India may be asked to consider the question of paying half the amount in the view that the cost of sending the students overseas for studies under the scheme is shared equally by the Madras Govt. and the Govt. of India.

3. The case may be sent to Finance for remarks.

Finance(Exp-C).

The proposal of E & P.H. at 'A' on page 1 above may be agreed to in this department. (The expenditure involved is Rs 338/-).

2. It is presumed that the payment will be made in England; if so, the expenditure may be debited to "37. s. Charges in England - Non-European - E. Post-war Reconstruction - Technical Training in the United Kingdom and the United States of America - Scholarships". As the suit case

was lost by a student who has gone for post-war technical training, ^{the exps may be debited to the above head, though the nomenclature of the head does not cover} there is no need to open a separate sub-head, ^{as exps are incurred on salaries} only for the ~~total~~ expenditure of Rs 338/-.
