R.C. No.386-A/46, dated 15th April 1946.

Sir,

SUBJECT:- Engineering College, Guindy- Telecommunication branch - purchase of equipment - permission requested.

ENCLOSURES _____

SPARE COPIES _____

In G.O. No. 1176 Education dated 1-8-45, Government sanctioned an expenditure of Rs. 1,50,000/- for the purchase of equipment for the Telecommunication branch of the college of Engineering, Guindy. The expenditure is to be spread over a period of 5 years. In my letter to Government R.C. No. 16-A/44 dated 20-10-45, I reported that out of this sum of Rs. 1,50,000/- an amount of Rs. 27,000/- would be spent in 1945-46 and provision would be made for a sum of Rs. 50,000/- in 1946-47. The principal could actually spend only Rs. 7,000/- in 1945-46. He proposes to spend Rs. 70,000/- in the current year, from the total provision made in the budget for 1946-47.

2. With regard to the purchase of the equipment the principal has tried his best to secure articles from a sterling area as far as possible. He however states that articles worth about Rs. 18,350/- Dollars have to be purchased from the United States of America alone. At present 3 methods for the purchase of goods of American manufacture are open to the Department

- (1). Purchase through the agents in India of the American firms.
- (2). Purchase through the India Supply Mission and
- (3). Purchase through local dealers in these goods who have purchasing agents in America.

With regard to (1) the enquires made show that the agents of some of the American firm in Bombay demand at the rate of Rs. 6/- to Rs. 10/- for every dollar of purchase. This is abnormally high and has therefore to be avoided. Regarding purchase through the India Supply Mission (No. 2) the principal fears that it may take a long time to get the goods actually in India if orders are placed through the Mission. The Mission has to deal with an enormous number of orders for supply both for the Civil Military purposes and so it may not be able to look items as speedily as required by the College.

(2). That the firm will make out invoices on the name of the College so that the College can claim a refund of customs duty paid over and above the 3 % limit with reference to the notification No. 33 22-6-35 of the Finance Department (Central Revenues) of the Government of India.
