To

The Secretary, to Government,
Education and Public Health Department, Madras.

Sir,

sub:- Schools - Viscountess Goschen Government Secondary
and Training School for Muslim Women, Trichinopoly -
Conveyance of Gosha girls - Enhanced Expenditure -
Sanction requested.

Ref:- G.O.No.1848 Edn., dated 10-11-1945.

In the G.O. cited above, Government sanctioned an expenditure of Rs.1350/- a year on the provision of conveyance for the gosha girls reading in the Viscountess Goschen Government Secondary and Training school for Muslim Women, Trichinopoly. At present three carts are engaged for this purpose on a monthly hire of Rs.45/- per cart for ten months in the year. This rate has been in force from July 1944.

2. The cart contractor is not satisfied with the rate of Rs.45/- a month for each cart. He has represented that this amount is not adequate in the present conditions, to cover the driver's wages and the feeding charges of the bull and has demanded an increased rate of Rs.60/- a month. The Inspectress concerned has recommended that the rate of hire may be raised to Rs.55/- a month per cart from 1-6-1946.

3. The scheduled rate of cart hire in Trichinopoly town is as 5/- per mile as reported by the collector and the monthly hire of Rs.55/- per cart recommended by the Inspectress is reasonable having regard to the mileage covered by each cart. This proposal involves an additional expenditure of Rs.270/- for nine months in the current year (3 carts x 10 x 9 months is equal to 270) and Rs.300/- a year in the succeeding years. The extra expenditure in the current year can be met from the funds available with me.

4. In the circumstances stated above I ^{endorse} ~~unless~~ the recommendation of the Inspectress and request that the Government may be pleased to raise (i) the monthly hire from Rs.45/- to Rs.55/- per cart from 1-6-1946 and (ii) the limit of annual expenditure on this account from Rs.1350/- to Rs.1650/-.

I have the honour to be,
Sir,

Your most obedient servant,

K. Subramanian

Director of Public Instruction, Madras

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

R.O.C. No. 216-A2/46 dated 16th December 1946.

Sir,

SCHOOLS--Viscountess Goshen Government Secondary and
Training School for Muslim women, Trichinopoly--conveyance
of Goshen girls--Increase in the rate of cart-hire.

Reference:--Government Memorandum No. 72612-B1/46-2 Edn.
dated 10.12.1946.

The contractor will not be satisfied if the rate of cart
hire is increased from the date of the order or from 1.12.1946.
He has been pressing for an increased rate ever since August 1945,
but the Inspector had then informed him that the request would
be considered after a period of six months, if the conditions did
not improve. As the contractor has specifically asked for higher
rate from 1.6.1946 and is continuing the cart service in the hope
of getting the increased rate from the beginning of the current
school year, I request that the rate of hire may be raised with
effect from 1.6.1946.

2 The increased rate of cart hire is proposed
 to be sanctioned with effect from 1.6.46 as has
 been recommended by the Inspectress of Schools.
 But, it is not clear from para. 2 on p. 1 c.f. whether
 the contractor will not be satisfied if the rate is
 increased from the date of the order or from 1.12.46
 & P.H. may be requested to verify this point
 before issuing the draft.

[Memo no. 72612-B1/46-2 E.D. dated 12/12/46]
 Director of Public Instruction, P.O. no. 1
 22-12-46

The D.P.G. reports that the Contractor
 was pressing for an increased rate of hire
 since August 1945 and that he was informed by
 the Inspector that his request would be con-
 sidered after six months if the conditions did

not improve. The Director holds that the
 Contractor has specifically asked for higher
 rate from 1.6.46 and is continuing the
 cart service in the hope of getting the
 increased rate from the beginning of the
 current school year. The increased rate
 may therefore be sanctioned from that date
 (1.6.46).
