Dated 8th April, 47.

Sir,

Sub: Education - Special schools - District Board - Industrial school -  
Tanjore - Attender's post in the District Board office - transfer to  
Assistant Engineer's (Highways) Office, Tanjore - Sanction.

I enclose herewith Special Officer's letter No. Rc.A7-37862/DB/46, dated  
23-3-1947 to Government.

As regards para 4 of Special Officer's letter a report has been called  
for from the Superintending Engineer (Highways) IVCircle on the feasibility or  
otherwise of attaching the work to the Assistant Engineer (Highways) Tanjore.  
His report is awaited. It will be forwarded on receipt separately.

2. There is no objection to sanction an attender for a further period  
of one year from 30-3-1947. But the question of permitting him to work under  
the Assistant Engineer (Highways) Tanjore as a permanent arrangement will  
depend on the question whether the Assistant Engineer could undertake this work  
in addition to his legitimate duties. However pending decision on this question  
this arrangement may be permitted as a temporary expedient.

Sub: Education - Special Schools - District Board  
Industrial School Tanjore. Attender's post  
in the District Board Office - Transfer to  
the Assistant Engineer's Office, Highways  
Tanjore - Sanction requested -  
----

The Inspector of Municipal Councils and Local  
Boards, Madras, was pleased to sanction the entertainment of  
one attender in the District Board's Office, Tanjore, temporarily  
for a period of one year from the date of entertainment to attend  
to work connected with the District Board Industrial School, Tanjore.  
Accordingly, one attender was entertained from 30.3.46 and the period  
of one year expires on 30.3.47.

2. The Divisional Engineer (Highways) Tanjore  
West, Tanjore, has in his RC.No.7266.A7.45 dated 16.12.46 (copy  
enclosed) requested the posting of one attender to the office of  
the District Board Assistant Engineer, Tanjore who is the Corres-  
pondent of the District Board Industrial School, Tanjore. It has  
therefore been suggested that the attender now working in the Dis-  
trict Board's Office may be transferred to the office of the Assis-  
tant Engineer Tanjore, and the Special Officer has in resolution  
No.11 dated 7.2.47 (copy enclosed) sanctioned the continuance of  
the post of attender and resolved the continuance of the post of  
attender and resolved to transfer the attender's post with effect  
from 30.3.47 from the District Board Office to the Assistant Engi-  
neer's Office, Tanjore.

3. The Inspector of Municipal Councils and Local  
Boards, Madras, was first addressed in the matter but he has stated  
that if the appointment of an attender for the office of the Assis-  
tant Engineer, Tanjore is considered necessary, Government must be  
addressed through the Chief Engineer (Highways) Madras, (copy  
enclosed).

4. The appointment of a technical man as Corres-  
pondent of the District Board Industrial School, Tanjore was found  
necessary and the Assistant Engineer, Tanjore, has all along been  
the Correspondent of the school. Now that the District Board Engi-  
neering Department has been re-organised, I have addressed the Chief  
Engineer (Highways) Madras, requesting permission to utilise the  
services of the Assistant Engineer (Highways) Tanjore, as Correspon-  
dent of the District Board Industrial School, Tanjore.

5. I therefore request that Government may be  
pleased to sanction the entertainment of an attender for a further  
period of one year from 30.3.47 and to permit him to work under the  
Assistant Engineer (Highways) Tanjore in his capacity as the Corres-  
pondent of the District Board Industrial School. Sanction may also  
be accorded for the payment of salary to the attender from District  
Board funds.

Sub: Establishment - Assistant Engineer's Office Tanjore - additional work - due to control of Industrial School - posting of attender - requested -

-----  
The work of the Assistant Engineer's Office, Tanjore is already too heavy for two clerks to attend to. The Assistant Engineer's control over the Industrial School as its correspondent involves still additional work and the two clerks sanctioned for this office are quite inadequate. Arrears are on the increase day by day and I am afraid useful check is not practicable.

I request you therefore to kindly post, at a very early date, an attender to the Assistant Engineer's Office Tanjore, to attend to the work relating to the Industrial School, Tanjore and prevent further deterioration of work, for which I cannot be held responsible.

Pr. rec the letter from the C. B. (H) at p. 1 of and  
the letter from the Special Officer, M. Board, Tanjore at pp. 3-4 of.  
The Special Officer requests sanction to the employment of  
an Attender for a period of one year from 30.3.47 for work  
connected with the M. Board Industrial School, Tanjore and  
to permit the Attender to work under the Asst. Engr. (H),  
Tanjore, who is the correspondent of the school. The question of  
permitting the M. Board to utilise the services of the A.S. (H),  
Tanjore as correspondent of the school is stated to be  
separately under consideration. The C.B. has stated that a  
report on the matter has been called for from the S.E. (H),  
IV Circle and that it will be forwarded separately. It may  
be dealt with on receipt. Regarding the M. Board's request  
for the employment of an Attender, the C.B. has no objections.  
But he states that the question of permitting the Attender to  
work under the Asst. Engr. (H) will depend on the Asst.  
Engr. being able to undertake the work in addition to his  
legitimate duties. However pending a decision on the question,  
the C.B. states that the Attender may be permitted to  
work under the Asst. Engr. as a temporary measure. This  
depl. may agree with the C.B. (H).

sanction for the payment of salary of the Attender from
