Draft Ans.

There have been representations received from associations of *ele.* teachers, some of who have waited in deputation formally or informally. Information is available about this) and various demands have been put forward. As the member has not specified which particular deputation he refers to in clause (a), the rest of the question cannot be answered categorically. The representations which have been received mainly relate to the question of salary as that question has been decided by the general revision of salaries made, and the same has been fully explained in the Note issued in the Department. No separate action is proposed to be taken in the presentation received from associations of elementary school teachers.

Please see the question in the current file. There is information in this dept regarding the deputation received by H.H. (Edw) from teachers. The present minister who is in charge of Education (H.H. (Edw)) may not be able to answer the question.

The demands of the teachers are generally that pay should be raised. There have been partly met. It has not been found possible to meet the demands in full mainly on financial consideration.

For orders as to the answer to be given to the question.

Perhaps it may be as follows:-

I have no information regarding the deputation from teachers. As regards demands of teachers, there have been partly met. It has not been possible to meet the demands in full, as the liabilities

very considerable.

There have been
Representations received from
Associations of Elementary school
teachers some of whom may have waited in deputation formally
or informally (to no information is available about this)
and various demands have been put forward.
As the member has not specified which particular
deputation he refers to in ^{clause} (a) the rest of the question
cannot be answered categorically. The representations
which have been received mainly relate to the question
of salaries; as that question has been decided by the
general revision of salaries recently made, and the
position fully explained in the Press Note issued in the
Education Department, no separate action is proposed to
be taken on the representation received from associations
of elementary school teachers.

* 418 Q.—SRI S. NAGAPPA: Will the Hon. the Minister for Education be pleased to state—

- whether the Hon. the Minister has received any deputation from the elementary school teachers;
- if so, what their demands are;
- how many of them have been met so far;
- what are the remaining demands; and
- when they will be met?

THE HON. SRI B. GOPALA REDDI:—“(a) The answer is in the negative.

“(b) to (e) Do not arise.”

SRI S. NAGAPPA:—“Am I to understand from the answer given by the Hon. Minister that he did not receive any deputation? He may not have received, Sir, but what about his predecessor?”

THE HON. SRI B. GOPALA REDDI:—“He may ask his predecessor, Sir.”

SRI S. NAGAPPA:—“Is it the policy of this Government, Sir, not to encourage and not to put into practice the policy of the previous Government?”

THE HON. SRI B. GOPALA REDDI:—“Certainly, it is the policy of the Government, Sir, to follow the predecessors' example.”

SRI S. NAGAPPA:—“If that is so, Sir, may I ask the Hon. Minister, whether his predecessor received any deputation or not.”

THE HON. SRI B. GOPALA REDDI:—“I do not know, whether my predecessor has received any deputation.”

SRI S. NAGAPPA:—“Is the Government aware, Sir, that there is dissatisfaction in the teacher-world as regards their salaries? Will the Government consider this question afresh and do them justice?”

THE HON. SRI B. GOPALA REDDI:—“As I said yesterday, Sir, not only among the teachers but in every section of the Government service, there is dissatisfaction.”

M. MUHAMMAD ISMAIL SAHIB BAHADUR:—“Is it right on the part of the Hon. Minister, Sir, to reply that for a certain answer the Member might refer to his predecessor? Is he not following the policy of the previous Government, Sir?”

THE HON. SRI B. GOPALA REDDI:—“The specific question is, whether the Hon. Minister has received any deputation from the elementary school teachers and it is not whether the ‘Government’ has received any deputation. If that is put so, perhaps I would have said ‘Yes’.” (Laughter.)

MR. SPEAKER:—“Order, order.”

ABDUL HAMEED KHAN SAHIB BAHADUR:—“May I tell the Hon. Minister, Sir, that it is not Mr. Gopala Reddi who is asked this question. It is the Minister and therefore it does not made any difference who the Minister is. I do not therefore understand the meaning when the Hon. Minister says that question was asked not of the Government but of the Minister. The Minister, Sir, is part of the Government.”

THE HON. SRI B. GOPALA REDDI:—“I draw a distinction between the Government and the Minister. If the question had been put, ‘Has the Government received a deputation?’ I would have replied ‘Yes’.”

M. MUHAMMAD ISMAIL SAHIB BAHADUR:—“May I then know, Sir, whether all the other answers which the Hon. Minister has been giving hitherto are from his personal point of view or as a Member of the Government?”

THE HON. SRI B. GOPALA REDDI:—“As a Member of the Government, Sir.”

MR. SPEAKER:—“I may suggest to the Hon. Minister that he may go through the files and if he finds anything connected with the deputation, he may answer the question. I would also suggest to the hon. Member to put a separate question. We now pass on to the next question.”
