Sir,

ENCLOSURES.....

SPARE COPIES.....

I have the honour to state that inspite of strenuous efforts made by me, drafting four additional hands from other sections though such a course has been found very detrimental to the interest of efficient working of these sections, arrears yet to be cleared in the opening and verification upto 31-12-46 of service registers are appended. Unless these are expedited there will occur a great delay in the fixation of pay in the revised scales of pay already sanctioned and under further consideration by Government. After the fixation of pay there will arise an abnormal volume of work in the preparation of supplemental claims arising thereby. I am already experiencing great difficulties even in the matter of monthly disbursement of wages without undue delay. The clamour for timely disbursement of monthly wages is ever on the increase. It will be heightened if there is to be any abnormal delay in the fixation of pay and claim of supplemental dues thereby. The already depleted experienced staff is further reduced by sickness among them. Many an important section is working with inexperienced staff leading to further accumulation of arrears. I would therefore request that Government may be pleased to sanction immediately for a period of six months the following* further additional staff to bring not only the service registers upto date but also to expedite the work of fixation of pay and preparation of supplemental claims as expeditiously as possible after the fixation, etc. To fill in some of these posts sanction for which is now applied for I have no other alternative than to recall such of those experienced hands on deputation in other departments who can be safely entrusted with the work.

3 Accountants on Rs 140-5-190
3 Upper Division Clerks on Rs 80-3-95-5-125.

2. In the meantime, I would request Government to expedite sanction of my proposals for the revision of establishment as finally embodied in my U.O.Note No.40/M 47, dated 19-4-47.

new scales of pay sanctioned in Nov 72 July 6-2-47.
 The Superintendent has now addressed Govt for the sanction of ~~three~~ ^{six} additional posts, viz.,
 3 Accountants and 3 Upper division clerks for a period of 24 months from the date of appointment for the work connected with the fixation of pay.

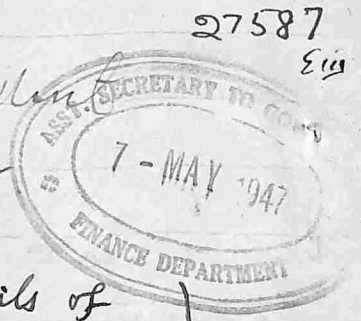

The staff proposed by the Superintendent may perhaps be agreed to. For orders may be sent to Dir. for remarks.

The statement on page 2 of contains details of the work connected with the fixation of pay of the Press employees. It would seem sufficient to employ an additional Accountant and an upper division clerk for a period of three months from the date of employment.
