due in respect of the A.H. College of Technology, Coimbatore. The Registrar, Madras University, has already reported that he had received a similar communication from the Govt. of India and that he would furnish the necy. information direct. The D.P.I. may be asked to return the sets of questionnaire in respect of the Coimbatore Engg. College duly completed.

The Govt. of India state that they are particular about information regarding the College of Engg., Bangalore and Govt. school of Arts and Crafts, Madras. There does not appear to be any such institution as College of Engg. Bangalore under the control of the Madras University. As there are no facilities for the students in the C & M ~~Area~~ Station, Bangalore, to prosecute their studies in Engg. this Government are reserving every year 3 seats for those students in the College of Engg., Guindy. It is apparently a mistake for the Engg. College, Coimbatore. This may, however, be verified by a refce. to the Govt. of India. The Govt. school of Arts and Crafts, Madras, is under the D.I and C to whom 9 sets of the questionnaire have been forwarded. He may be asked to forward in advance the completed sets of questionnaire in respect of the school.

Sir,

Sub: Colleges - Preliminary Survey of Technical Institutions.
Ref: Government Endt.17216-G/50 dated the 20th July 1950.

I have the honour to state that the name of Government College of Technology, Coimbatore may be included in the list. There is no College like 'Arthur Hope College of Natural Science, Coimbatore'. It is, perhaps, a mistake for "Arthur Hope College of Technology, Coimbatore" which is now called "Government College of Technology, Coimbatore".

Among the Engineering institutions, the Madras Institute of Technology, Chrompet may be included. Kalakshetra, Adyar may be included under "Art".

Yours faithfully,

All the technical Institutions under the control of this Department are included in the list embodied in the Government reference cited. But whether the particulars furnished in 1948 are upto date would probably require re-examination. If so desired, this will be done on receipt of a copy of the question~~raise~~naire referred to.
