Office of the
Director of Public Instruction,
Madras, Dated 30-9-1946.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir,

Sub:- Government College, Coimbatore - Opening of Hindi
under Part II of the Inter and B. Com courses and
new subjects under Part III of the Intermediate.

57762

In connection with the Part II Scheme for 1947-48, I have
the honour to submit for the consideration for Government proposals
for the opening of Hindi under Part II of the Intermediate and
B.Com. courses and two new subjects under Part III of the Intermediate
course in the Government College, Coimbatore, from the academic
year 1947-48.

2. Coimbatore is ~~not~~ a leading centre with trading connection
in Northern India and there is a great demand for Hindi in both
the Intermediate and B.A. courses. It was considered desirable to
open Hindi under Part II of the B.Com course started in the college
in the current year but permission was refused by the University for
the teaching of the subject in the current year. I would also invite
the attention of Government to the D.O. letter No.31666 A/46-1, Dn.
dated 15-6-1946 of the Secretary to Government and my reply D.O.No.
528 AK/46, dated 21-6-1946. In the above circumstances, the probable
number of students taking Hindi for the B.Com Course will be 30 while
for the Intermediate will be 50. Accommodation for holding the
classes is reported to be available in the College. I request that
the opening of Hindi under Part II of the Intermediate and B.Com
courses may kindly be sanctioned. An Assistant Lecturer in Hindi in
the scale of Rs.100-10/2-200 will have to be appointed.

3. The Principal, Government College, requests that two new
subjects viz., Elements of Commerce and Accountancy and Economic
History of England and economic geography be opened under Part III
of the Intermediate course in the College. It is stated that these
subjects will be helpful for the students when they are admitted to
the B.Com course in the college. There will be no extra expenditure
on account of the opening of the new group as the existing staff will
be able to handle the subjects. An application fee will have,
however, to be paid to the University. There will be a fee income
of Rs.3795/- on account of the opening of these subjects. I request
that the introduction of these new subjects with effect from July 1947
may be sanctioned.

4. The financial effect of the proposal will be as follows:--

Non-recurring	1947-48	Rs.
Furniture	::	1,750
Books	::	1,500
		<u>3,250</u>
Recurring		
1. Asst. Lecturer Rs.100-200	..	800

5. I am including the necessary provision in Part II of my Budget Estimate for 1947-48.

College - Govt. Coimbatore - opening of Hindi
 under Part II of the Intermediate and B. Com
 Courses and new subjects under Part III of the Inter

From the DPI, Rec No: 3093 K2/46/30-9

In Cir No. 811 Edu & 15-4-46

The Govt sanctioned the opening of B.A.
 (Geography and Maths) and B.(Com) courses
 in the Govt Arts College, Coimbatore with
 effect from the academic year 1946-47. The
 language to be studied other than English
 by the B.(Com) Students is French. In
 June 46, H.M (Edu) intimated that it would
 be desirable that the Asst Lecturer to be
 appointed to teach French in the College, should
 be qualified to teach Hindi also and the
 option might be given to students to choose
 either French or Hindi, as Coimbatore
 is a leading centre with trading connections
 in North India. The DPI was asked to
 state whether the suggestion could be
 given effect to. He considered that it would
 not be possible to combine the teaching
 of French and Hindi in one and the same
 person, that if Hindi was to be offered
 as an alternative language in addition
 to French, a separate Asst Lecturer in
 Hindi would have to be appointed and that
 it was then too late to get the affiliation
 for the new subject (Hindi) from the University.
 The question was not pursued for the
 reason that it might be considered in
 the next academic year (1947-48), the
 Director being asked to address the Govt
 and the University sufficiently early.
 But no orders were taken on the proposal
 in circulation.
