The Principal of the College has applied for further continuance of these posts.

2) ITEMS 1 & 2 - These posts were sanctioned consequent on the increased strength due to the opening of the Natural Science Course for the Intermediate. With the opening of the B.Sc. Courses there is need for the continuance of these posts.

ITEMS 3 & 4.- The strength of the college has increased considerably. It was 270 in 1944-45 and in the current year it is 462. These posts were sanctioned consequent on the increased admissions in 1945-46 in the History group of the Intermediate class. The strength of the History groups has increased to 143 from 123 in 1945-46 and it is therefore necessary to continue these posts.

ITEM 5.- The strength of the Telugu section is at present 20 and the Principal anticipates increased admissions in future years.

ITEM. 6. - It is reported that in view of the growing strength consequent on the opening of new courses, the clerical work has increased enormously and that the post of additional clerk is absolutely essential.

3) I recommend that all the posts may be continued for a further period of 3 years from the date of expiry of the present sanction.

for Director of Public Instruction.
