Education and Public Health Department.

SIR,

Sub: Teachers' provident Fund - Power to condone delays in
deposit of contributions upto a period of 3 years and
Breaks in contribution - Delegation to the District
Educational Officers and Inspectresses suggested.

Under rule 5(b) of the Provident Fund Rules for teachers
in Non-Pensionable service, the contribution of a subscriber to
the fund along with that of the management should be deposited in
the Post Office Savings Bank before the 15th of each month. But
owing to various reasons such contributions are not deposited in
time. The reasons are, generally belated disbursement of salaries,
change of managements, of schools and migration of teachers from
one school to another. In G.O.No.MS.No.179 Edn., dated 5-2-45 the
Government were pleased to condone all the delays thus arising &
prior to 2-6-43 irrespective of the periods and the reasons for
the delays. Delays in deposits made after 2-6-43 require con-
donation, at present, by the officers as shown below:-

Delays upto 6 months - Dt. Educational Officers or Ins-
pectresses concerned (G.O.No.744
Edn., dated 22-6-43.)

Delays exceeding 6 months but not exceeding 3 years. Director of public instruction,
(G.O.No.522 Edn dated 6-4-44).

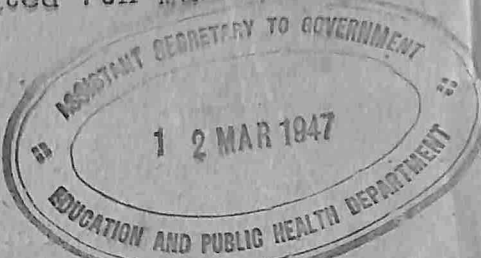

Delays exceeding 3 years - Government (G.O.No.522 Edn. d/6-4-44).

2. The Government have ordered that condonations for delays
exceeding 3 years will not generally be granted unless there are
very special reasons.

3. Now that condonation has been granted by Government in
respect of all the delays in deposits made prior to 2-6-43, as
indicated in para 1 supra, the number of papers received for con-
donation of delays for periods less than 6 months in the offices
of the Dt. Educational Officers and the number of papers relating
to such delays exceeding 6 months but not exceeding 3 years
received in the Director's Office are not very many. Definite
instructions from time to time have been issued to the Inspecting
Officers to see that the managements deposit the contributions
promptly and on pain of withdrawal of recognition at their schools
in cases of default. A regular drive to ensure the timely deposit
of contributions and to estimate all kinds of delays has been
made during the past few years with the result that the cases of
delays are appreciably going down.

4. In these circumstances, I suggest that the Government may
be pleased to delegate the power of condonation of delays for
periods exceeding 6 months but not exceeding 3 years also which
at present exercised by the Director to the District Educational
Officers and Inspectresses concerned. This is calculated to
relieve the Director's Office of much routine work and at the
same time ensure speedy disposal of these papers. It will also
save much time will be saved by empowering the Dt. Edu-
cational Officers and Inspectresses to grant this condonation
themselves without submitting the papers to the Director. The
power of condonation for delays exceeding 3 years may however
be retained by the Government.

5. Similarly the power to condone the breaks in contribut-
ion may also be delegated to the Dt. Educational Officers and Ins-

6. If Government are therefore pleased to approve of these recommendations, necessary amendments to rules will be proposed.

TEACHERS' PROVIDENT FUND - Teachers in non-pensionable service - Power to condone delays in deposit of contribution a period of three years and breaks in contributions - Delegation to D.E.Os. and Inspectresses.

From the Director of Public Instruction, C.No.442-J/47 dated the 7th March 1947.

In G.O.No.744 Education, dated the 2nd June 1943, the Government directed that all pending cases of delay, irrespective of the period when they occurred should be reviewed and disposed of. With a view to ensure speedy disposal of the cases, the District Educational Officers and Inspectress of Girls' Schools were authorised to condone delays upto a period of six months from the date on which the deposit was due.

2. In G.O.No.522 Education, dated the 6th April 1944, the Government authorised the Director of Public Instruction to condone delays in depositing the teachers' subscriptions or the management's contributions or both to the Provident Fund upto a period of three years from the date on which the deposits were due. The Director was also informed that delays exceeding three years will not be condoned by Government unless there are very special reasons.

3. In G.O.No.179 Education, dated the 5th February 1945, the Government directed that all cases of delays in depositing the teacher's subscription or the management's contribution or both to the Teachers' Provident Fund which occurred prior to 2nd June 1943 be condoned irrespective of the period of and the reasons for the delays. The Director of Public Instruction now reports that in view of the above orders and as a result of his definite instructions to the Inspecting authorities to see that the management deposit the contributions promptly, the cases of delays received by him and the D.E.O. are not very many. Director requests that the power to condone delays for

ld relieve the Director's office of much routine work and minimise
ays that would happen in getting the delays condoned by the Director.

4. Under ^{Sub} para to Rule 6(c) of the Teachers' Provident Fund Rules,
e provident fund contributions have not been remitted for any period
ing which a subscriber was employed in a school, the Director may
ndone such irregularities at any time for satisfactory reasons. The
rator requests that the power to condone in this regard may also be
egated to the D.E.Os. and Inspectresses as the work connected with this
of a routine nature and as the number of cases coming up for this
d of condonation is few and far between.

5. It is for orders whether the Director's proposals in paras
d 4 above may be approved and ^{whether} he may be requested to submit
necessary amendments to the rules. The remarks of Finance may be
invited U.O.

In both the cases - Cases of delayed
payments and cases of breaks in contribution -
it is reported that the number of cases reported
are not many but are few and far between.
Where then the necessity for delegation to Subordinate
Officers arises. Ask D.P.G. to report the number of
cases that has come up to him during each of the
last three years i.e. for 1944, 1945 and 1946.
