Sir,

Sub:- Establishment - Secondary - Appointment of L.T. teachers

It was represented to the Director of Public Instruction, in this office letter A5-6153/46 dated 5.2.47 that two Mathematics L.Ts, one History and Geography L.T., two Science L.Ts. and one English L.T. are urgently required for appointment in the Board High Schools under this District Board. The necessity to fix the initial pay of the L.T. assistants at Rs.90/ and 100/ per mensem in the time scale of Rs. 65-5/2-100 was already explained in this office letter referred to above and also in this office letter R.C.A5-6153/46 dated 8.1.1947 addressed to Government. Consequently in G.O.No.417 Edn., and P.H., dated 6.3.47, the Government were pleased to sanction the initial pay of three teachers at Rs.90 and 100.

One Sri S.P. Ramakrishnan, P.A. L.T. Mathematics assistant St. Antony's High School, Coonoor has applied for Mathematics L.T's post in the Board High School, Hubbathalai. He has put in a service of 11 years and hence he demands Rs.100 per mensem, i.e. the pay he is now drawing.

As qualified L.Ts are not available for appointment on the minimum time scale of pay, I request that Government may be pleased to accord sanction to fix the pay of this teacher at Rs.100 per mensem in the time scale of Rs. 65-5/2-100. Sir,

Having come to understand that there is a vacancy of a Mathematics L.T. post in the Board High School, Hubbathalai, I beg to offer my services for the same.

As for my qualifications I beg to state that I have put in eleven years experience as the Senior Mathematics Assistant in the St. Antony's High School, Coonoor. I had been handling the sixth Form in Elementary Mathematics from the time I was entertained in 1936. The S.S.L.C. Examination results in Mathematics had been uniformly above the Presidency average. The school average in Mathematics last year was 66 whereas the Presidency average was only 57. In this connection I wish to bring to your notice that of the 24 candidates presented for the examination last year, the percentage of marks scored by them ranged from 52 to 92. These results bear testimony to my teaching ability in Mathematics.

I am aged thirty-eight. I am now drawing the maximum of Rs.100. I desire to better my prospects by entering the District Board service. So, I have tendered my resignation to the management, giving three months' notice as per rules, in order to get me relieved by the first week of June 1947.

In consideration of my experience and record of service, I request that my initial basic pay may be fixed at Rs.100 per mensem if appointed.

Thanking you in anticipation.

Coonoor,
16-3-1947.

I beg to remain,

Sir,

Your most obedient servant,

S. P. Ramakrishnan
