R.O.C.No. 5471-K2/46 dated 30th September 1946.

Government Muhammadan College, Madras - Part II Proposals
for 1947 - 1948.

I have the honour to request that Government may be
pleased to sanction the following proposals for opening fresh
courses and for employing additional staff in the Government
Muhammadan College, Madras, from the academic year 1947-48:-

- (i) Opening of Hons. courses in Arabic and Urdu
- (ii) Employment of a Lecturer in Indian History
- (iii) Employment of an Assistant Lecturer in Economics
- (iv) Employment of a Physical Director for the Madrasa-i-Azam
- (v) Opening of Psychology under Part III of the Intermediate
Course and
- (vi) Employment of an additional clerk.

2. Opening of Honours Courses in Arabic and Urdu:-

The College is at present affiliated in Urdu under Part
III of the Intermediate course. The Principal states that the
students after completing the course find no way for further
study as there is no provision for the study in Hons. course in
Arabic and Urdu in any institution in the Presidency. If an
arrangements are not made for the teaching of these languages
upto the highest standard it will not be possible to secure
Honours graduates or M.A's in these languages especially for
providing staff for the colleges in the Presidency. The
Principal expects that about 10 students may take Urdu and
5 Arabic. The following staff will be required:-

1947 - 1948 ..	1 Lecturer	Rs. 200 - 700/-
	1 Asst. Lecturer	Rs. 100 - 200/-
1948 - 1949 ..	1 Asst. Lecturer	Rs. 100 - 200/-
1949 - 1950 ..	1 Asst. Lecturer	Rs. 100 - 200/-

3. Employment of a Lecturer in Indian History:-

In connection with the opening of the Honours courses
in Islamic History and Culture in the College in 1944-45, it
was arranged that the students of the college were to attend
the Presidency College History Honours class for instruction
in Politics, Economics and Essay and for the two Special
subjects in Indian History, the classes conducted by the
Indian History department of the University of Madras. The
Principal now states that the students find it inconvenient
to go to the University buildings due to the difficulty of
conveyance. This difficulty is greater in the case of the
gosha students. The Principal requests that a separate
Lecturer in Indian History be appointed for the college so that
the institution may be made self-contained for imparting
education in the subject. I support the request of the Principal
and recommend that a Lecturer in Indian History in the scale
of Rs. 200 - 700 be appointed.

4. Employment of an Assistant Lecturer in Economics:-

The present staff in the History and Economics department
in the College consists of a Lecturer and 3 Assistant Lecturers.

Each of the Lecturer and 2 Assistant Lecturers have 12 hours of lecturing work a week, while the third Assistant Lecturer has 13 hours of lecturing work besides the correction of note books. As stated in para 2 above, the students who attend the Presidency College, Madras for instruction in three subjects feel inconvenient to go there due to the shortage of conveyance facilities especially in the case of gosha students. If these students are to attend the classes in the Muhammadan College itself there will be an increase of work by 15 hours of lecture and 4 hours of essay. As it will not be possible for the existing staff to do this extra work, an additional Assistant Lecturer in the scale of Rs. 100-200 is necessary. I request that the employment of an additional Assistant Lecturer may be sanctioned.

4. Employment of a Physical Director for the Madras-i-Azam:-

The Principal has pointed out that being a premier institution with a strength of over 800, there should be a senior officer as Physical Director in charge of the Physical Education activities. The Physical Director of the College is an Officer in the U.O.T.C. and the strength of the College has also increased in recent years. Therefore, he cannot be expected to devote any portion of his time to school work. I consider that there should be a senior officer of the rank of a Physical Director for the High School also who would be responsible for all Physical Education activities of the school. There are at present 3 Physical Training Instructors and I recommend that one of the posts may be converted into that of a Physical Director.

5. Opening of Psychology under Part III of the Intermediate Course:-

The Principal recommends the opening of this subject so as to afford the students a varied course. Excepting an affiliation fee of Rs. 100/- to be paid to the University, there will be no extra expenditure on account of the opening of the subject as the present Logic Lecturer will be able to do the work. The opening of the subject from July 1947 may kindly be sanctioned.

6. Employment of an additional clerk:-

The Office establishment consists of an Upper Division clerk and two lower division clerks. The Principal has pointed out to me that with the opening of the science and Honours courses the strength of the college has increased which has eventually resulted in additional work to the office establishment. In spite of the fact that the staff work till late in the evening and also attend on holidays; the office work is not being attended to with the required promptness. The Upper Division clerk is in charge of all cash transactions, distribution of salary for the complete establishment of the college and High school, maintenance of all registers pertaining to cash transactions, besides the maintenance of 80 service books and leave accounts. The financial transactions of the college have grown a very unwieldy and that it is essential to have another clerk to relieve the upper division clerk with some of the existing items of work. It is not possible to transfer any of the work of the Upper Division to the other clerks as they themselves have enough work to attend to. In the circumstances, I request that Government may be pleased to sanction the employment of another lower division clerk on Rs. 30-55 with a Presidency allowance of Rs. 6-8-0 with effect from 1.5.1947.

The financial effect of all these proposals will be as shown hereunder:-

1947-48:

2 Lecturers on Rs. 200 - Rs. 700/-	3,200/-
2 Asst. Lecturers on Rs. 100-200/-	1,600/-
1 Physical Director in the scale of Rs. 70-130 (Rs. 70 - 130)	320/-
1 Clerk Rs. 30 - 55/-	330/-

or Rs. 5,500/- in round figures.

1948 - 1949:-

1 Asst. Lecturer on Rs. 100 - 200	800/-
-----------------------------------	-------

1949 - 1950:

1 Asst. Lecturer on Rs. 100 - 200	800/-
-----------------------------------	-------

Ultimate Cost:-

Average pay of 2 Lecturer Rs. 200-700	422 2/9 x 12 x 2 ..	10,133/-
Average pay of 4 Asst. Lecturers 100- 200/-	148 8/9 x 12 x 4 ..	7,147/-
Average pay of 1 Physical Director less the average pay of a Physical Training Instructors	104 2/3 x 12 - 42 2/9 x 12	745/-
Average pay of 1 clerk Rs. 30 - 55.	42 1/12 x 12 ...	505/-

Rs. 18,500/- in round figures.

8. I am including the necessary provision in Part II of my Budget Estimate for 1947-48.

Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department, Madras.

Sir, Sub:- Government Muslim College, Madras - Part II -
Proposals.

I have the honour to request that Government may be pleased to sanction the following proposals for opening fresh courses and for employing additional staff in the Government Muslim College, Madras, from the academic year 1948-49.

- (i) Opening of Hons. courses in Arabic and Urdu.
- (ii) Employment of a Lecturer in Indian History.
- (iii) Employment of an Asst. Lecturer in Economics.
- (iv) Employment of a physical Director for the Madrasa-i-Azam.

2. Items (i) and (iii) were submitted and recommended by me as Part II schemes for 1947-48 in my letter Re.No.5472 K2/46, dated 30-9-1946. In their order No.106 Edn., dated 23-1-47 Government however, did not accept them. The Principal of the College points out that as the College is already affiliated in Group D now for the Intermediate, it is necessary to open Honours courses in the College. I recommend that Government may kindly sanction the affiliation of the College in Honours courses in Arabic and Urdu. It is expected that about 10 students may take Urdu and 5 Arabic. The estimated fee income will be Rs.3094 in 1948-49, Rs.6188 in 1949-50 and Rs.9282/- in 1950-51. Three Assistant Lecturers, one for each year will be required. Therefore 2 lecturers in the College, one for Arabic and another for Urdu.

With regard to the employment of a Lecturer in Indian History and an Assistant Lecturer in Economics, I would invite attention to paras 3 and 4 of my letter Re.5472 K2/46, dated 30-9-1946 disposed of in G.O.No.106 Edn., dated 23-1-1947. I request that the employment of this additional staff may kindly be sanctioned.

(iv) There are at present 3 Physical Training Instructors in the Madrasa-i-Azam. The strength of the High School increased to more than 800 and the Principal considers that there should be a Senior Officer of the rank of Physical Director in charge of the Physical Education Activities. The strength of the College department has increased in recent years and consequently the Physical Director there is unable to devote his time and attention to school activities. I agree with the Principal that there should be a separate Physical Director for the School department and recommend that one of the posts of Physical Training Instructors may be converted into that of Physical Director.

3. The extra cost on account of the proposals will be as follows:-

PART II SCHEME - 1947-1948 - Govt. Muslim College, Madras - opening of new subjects and employment of addl staff.

57687A/46.

From the D.P.I. R.O. No. 5471K2/46, dated 30.9.46.

In connection with the Part II Estimates for 1947-48, the D.P.I. has submitted the following proposals for the Govt. Muslim College, Madras : --

- (1) Opening of Honours courses in Arabic and Urdu
- (2) Opening of ^{class in} Psychology under Part III of the Intermediate course.
- (3) Employment of a Lecturer in Indian History, ^{Asst.} Lecturer in Economics and an additional clerk.
- (4) Employment of a Physical Director for the Madra-i-Azam.

The proposals are examined below : --

(1) Opening of Honours courses in Arabic and Urdu.

The college has been affiliated with effect from 1944-1945. in Hons. course in Islamic History and Culture. The total number of students in the Branch is only 18. From 1946 - 1947 Govt. have sanctioned the opening of B.Sc. (Pass) course in the College. With a view to provide accommodation for the addl. courses Govt. have sanctioned recently construction of buildings for the college at an estimated cost of Rs. 6,25,000. The work has been not yet progressed. Any fresh course now opened will necessitate additional accommodation which it is not possible to provide at the moment. The Director's statement at A on p.l. c.f. cannot, it seems, be accepted as there are no other colleges except the Muslim colleges for Men and Women ^{which} would require Hons graduates or M.A. in Arabic or Urdu. Attention is invited in this connection to Secy's note in a similar case at (C). In the circumstances, the Director's proposal may be deferred.

(2) Opening of Psychology under Part III of the Intermediate course.

As observed by the Principal of the college, the introduction of the course would afford the students a varied choice of subjects. The extra cost to Government is also only Rs. 100. The proposal may be accepted.

(3) Employment of a lecturer in Indian History and an Assist. Lecturer in Economics.

The proposals are to employ a lecturer in Indian History and an Assist. Lecturer in Economics.

in the M.E.S. on Rs. 200-700 and an additional Assistant Lecturer in Economics on Rs. 400-200 in the M.E.S.S. with a view to make the teaching of Honours courses in Islamic History and Culture in the college self-contained. The opening of the Hons. course was sanctioned in 1944-1945 as it was considered that the scheme though not essential, was not expensive; the course having been proposed to be conducted in co-operation with the Presidency College, Madras, and the History Department of the University of Madras. In view of the Finance u.o. note at (K), it is ^{inappropriate} ~~inappropriate~~ now to have the classes in History and Economics in the ^{new} college which will also necessitate the provision of addl. accommodation for students and the staff, which is not available. The proposal may, therefore, be deferred.

Clerk. In the absence of statistics on the total no. of currents read and dealt with in the college, the proposal cannot be accepted. The D.P.I. may be asked ^{to furnish} the necessary particulars for the same. A draft D.M. is submitted.

(4) Employment of an addl. Physical Director for the Madras-i-Azam.

There are at present no separate Physical Directors for the High School and College Departments in any of ^{the} Educational Institutions. The Presidency College, Madras which is the premier institution of the province, has ^{now} only one Physical Director. The total number of students in the Intermediate Classes of the Presidency College for whom physical education is compulsory is 683, and the total strength of the college is 1476. In view of the abnormal increase of strength in the college in the current year, the D.P.I. has asked for the employment of an additional Physical Director in the College from the current year. The total strength of the Muslim College is about 500 and including the strength of the Madras-i-Azam, the strength is 1300. In the circumstances, the D.P.I. is convert one of the posts of physical training instructors into a post of Physical Director may be accepted.

The file may be sent to Finance for remarks before circulation.

Part II scheme for 1947-8.

The proposals of E & P.H. are to sanction:-

- (1) The opening of Psychology in Part III of the Intermediate Course in the Govt. Mahomedan College, Madras.

Note. It is stated that no extra staff will be required and that the only charge will be the affiliation fee of Rs 100 to be paid to the University;

- (2) Conversion of one of the posts of Physical Training Instructors in the Govt. Mahomedan College into a post of Physical Director on Rs 70--130 involving an extra cost of Rs 159 p.a. recurring.

- (3) The employment of an additional L.D. Clerk to cope with the increased clerical work in the said college after obtaining statistics of the total number of currents etc. (The extra cost involved is Rs 847/- per annum).

Item (1) above. The proposal may be accepted subject to the condition that it does not commit the Govt. to any extra cost by way of staff in future.

Item (2) above. There is already a Physical Director in the college who is an officer in the U.O.T.C. and besides there are 3 posts of Physical Training Instructors in the High School, ^{Dept.} one of which it is now proposed to be converted into a post of Physical Director. E & P.H. themselves admit that Physical Directors have not been allowed ^{separately} for the College & High School Department in any of the other educational institutions under Govt. If the Physical Training Instructors ~~understand~~ require any help or guidance, they can take it from the Physical Director in the College. In this view of the matter and the present financial position of Government, it cannot be seriously contended that this proposal is one which is absolutely essential for the normal working of the department. Finance may ~~strongly~~ advise that it may be omitted.

Item (3) above. The receipt of statistics called for on p.5 C.F. may be awaited.

Pl. see the notes of Finance on p 3 ante. In the circumstances stated by them, it is for consideration whether the proposal for converting one of the Physical Instructor's post into that of a Physical Director's post in the Madras 1 Azam should be pressed.

The DPT has since furnished the particulars called for in respect of the proposal for the employment of an addl clerk in the Court, Muvattur College, Madras. From the statistics on p 7 CF, it is seen that there is justification for the employment of an addl clerk. The post may therefore be sanctioned.

As the cost on the proposals in the file (even if A above is to be pressed) does not exceed Rs 2500, Finance may be requested to advise whether the scheme should be treated as a Part II Scheme for 1947-48.

Attention is invited to the note of this dept. at 'X' on p 3 above. It is understood that the proposal for the appointment of a Physical Director in the Presidency College was deferred as ~~it was~~ ^{one that could} not be considered as essential there. The conversion of the Physical Instructor's post into that of a Physical Director also in the Govt Mahomedan College does not also seem to be absolutely essential and this dept. may strongly advise against the proposal.
