Sir,

Sub: Schools - Government Muslim High School, Vellore -
Additional section in Form III - Employment of a
Secondary Grade teacher - Sanction - Requested.

40398

I have the honour to state that in the school year 1946-47 in the Government Muslim High School, Vellore, 44 pupils were promoted to Form III from the two Divisions in Form II and 11 were detained in Form III. The strength of Form III then went upto 55. I permitted the opening of an additional section in the Form and sanctioned under the powers vested on me and the Employment of a secondary grade teacher on fixed pay during the school year 1946-47. The Headmaster of the School requests ^{sanction} ~~some time~~ for the continuance of the additional section with the staff for a further period of 2 years from the School year 1947-48 for the following reasons.

The present strength of Form II is 53 and of the no. 50 would be promoted to Form III in 1947-48. The present strength of Form III is 51 and 3 may be ~~detained~~ in the Form and 10 more new admissions are expected. Thus the expected strength of Form III in 1947 will be 63 and an additional section is necessary in this Form in this school year 1947-48.

The present strength of Form I is 75 and these pupils (at 70 of them) would go to Form III in 1948-49. Hence there is a for the continuance of an additional section in Form III in 1948 also.

In the circumstances, I request that government may be pleased to permit the continuance of the additional section in Form III during the school year 1947-48 and 1948-49 and to sanction the post of an additional secondary grade teacher for the section for a period of two years from 1947-48.
