C.No. 726-E.4/47

Station MADRAS, Dated the 17th APRIL 1947.

From (Name) DR. S.R.U. SAVOOR, M.A., D.Sc., I.E.S.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

The Committee of Provincial Advisory Board of Education which was appointed to deal with the reply to the questionnaire, reports that the general consensus of opinion is in favour of the following principles being adopted in regard to the Committee of management and staff Councils of Secondary Schools.

- That the Headmaster should be on the Committee of Management of the school as an ex-officio member; wherever there is no committee of management as such,
- That there should be an Advisory Committee composed as hereunder

- The Headmaster of the School.
- One member from the other members of the staff by the teaching staff;
- A representative of the Parents' Association
- A nominee of the Department of Education preferably an educationist from the locality.
- A member nominated by the management

elected/

(c)

(c) That it is desirable to constitute a Committee of teachers with the Headmaster as President which will be a Staff Council for the school and its composition and function should be defined.

2. I have the honour to state that the Hon'ble Minister for Education desired that necessary action may be taken on these recommendations. The concerned rule of the Madras Educational Rules is Rule 12(d).

3. There are two ways of implementing these suggestions, by an executive order or by a change in the rules. An executive order will be known only to the managements and the Headmasters but not to the public. The alterations in the Madras Educational Rules will find a place both in the Gazette and in the Madras Educational Rules. The matter is also very important. It seems, therefore, that it will be better, if the Madras Educational Rules, is suitably amended. Accordingly I suggest that the following note may be added to the Rule 12 Madras Educational Rules:

NOTE: (1) The managing body constituted under Rule 12(d) shall have as one of its members the Headmaster of the school for the time being.

(2) In exceptional cases where the constitution of the managing committee has been waived, there should be an advisory committee consisting of the following:

- (a) The Headmaster of the school.
- (b) One member from the other members of the staff elected by the teaching staff;
- (c) A representative of the Parents' Association;
- (d) A nominee of the Education Department preferably an educationist from the locality.
- (e) A member nominated by the management;

(3) The Managing Committee and in its absence the Advisory Committee of a Girls' School shall have atleast one lady member excluding the Headmistress.

(4) Each school shall have a staff Council consisting of the Headmaster as President and from 4 to 10 members of the teaching staff according to the size of the institution. Each school will frame its own rules in respect of the actual constitution of the staff council and the conduct of its business subject to the approval of the District Educational Officer. The Staff Council shall have powers to advise the Headmaster on matters of discipline, promotion, selection and any other matter that may be placed before it by the Headmaster. Members of the Council may also submit to the Council such subjects as may be approved by the Headmaster. The Council will also offer advice to the managing committee or the Advisory Committee of the school on such matters as may be referred to it by that Committee".

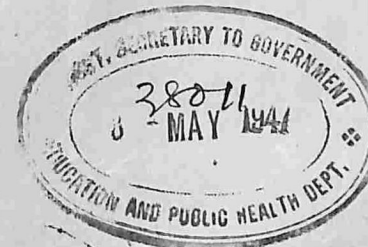

I may add that Note (iii) is in consonance with my recent executive orders on the subject. The need for such a provision is apparent.

for DIRECTOR OF PUBLIC INSTRUCTION.

Secretary, E. & P.H.

While considering replies to the Questionnaire, the Provincial Advisory Board of Education, approved the suggestion received in many of the replies to the Questionnaire that the headmaster of every school conducted by aided managements should be a member of the Managing Committee of the school. This is felt to be highly necessary for the proper administration of the school. The D.P.I. may be asked to submit the necessary alterations in the M.E. Rules to bring this into effect.
