Sir,

Ref: Government Memo No.17961-1-G.3 Edn. Dt.8-4-47. pp. 13-14 ante

It was possible to submit as required two additional copies of the catalogue of Books and Periodicals registered during the 2nd quarter of 1946, as roneoed copies of it were taken in the Office of the Registrar of Books itself. But from the 3rd quarter of 1946 onwards, the printing of the catalogue at the Government Press, Madras and its publication as supplement to Part I-B of the Fort St.George Gazette have been resumed and only a limited number of copies (viz. nine) are being supplied to the Registrar of Books by the Superintendent, Government Press, Madras as per G.O.No.Ms.2 Public (General) dated 3-1-33. Of these, 3 copies are submitted to Government and one is filed in this office. Remaining 5 copies are used in the Office of the Registrar for the purposes detailed below:

Not put up

(a) For being preserved as Office or Library copy (with registration number of each publication entered therein)	1

purposes in their day-today work, and for the use of bona-fide research students resorting to the library attached to this office. 1

(c) For cutting and furnishing extracts from the quarterly Catalogue to all the District Magistrates and the Chief Presidency Magistrate, Madras, for verification and report. 1

(d) For purposes of the card catalogue. 1

(d) For the work connected with the procurement and supply of copies of publications to the libraries of the India Office and British Museum. 1

Total. 5 Copies.

However, I submit herewith two more copies as a temporary measure by sparing one copy which is used by the Registrar for the last item above and the other sent to this office. As, in the circumstances stated above, it may not be possible to do so as a permanent measure I request thatthe Government may kindly authorise the Superintendent, Government Press, Madras to supply two more copies of the catalogue to the Registrar of Books in future starting with that relating to 3rd quarter 1946 to enable him to meet the Government's requirements.
