With reference to Government Memorandum No.31324-4 F.1 Edn. dated 13-5-1947, I have the honour to state that though there is a fall in the sale of Post War Reconstruction Pamphlets the maintenance of different sets of accounts and registers and correspondence connected therewith will have to be continued. An increase in sale cannot also be ruled out. The existing staff is already overworked as there has been a progressive increase in other directions.

2 I would therefore request that Government may be pleased to accord sanction for the continuance of the temporary staff for a further period of one year from 4-5-1947 or until the copies are completely sold out which ever is earlier.

3 In this connection, I have to state that the sanction for the discontinuance of the sale of the pamphlet "Spring Board" has not been communicated to this office. A copy of the order may be furnished to this office.

The file has been sent to this department w.r.t. 'X' on p.4 ante. Out of 14,152 copies of the Post-War pamphlets sent to the S.G.P. for sale, 9172 copies have been sold. There still remaining 4980 copies to be disposed of. From the statement on p.7 c.f. it is observed that the sale of the pamphlets has gone down very much during the last few months. In April 1947, only 61 copies of the pamphlets have been sold. In the case of the pamphlet, "Spring Board, Madras, 1945" it has been decided that the remaining copies of the pamphlet should be distributed to the schools free of cost. This decision was taken as the sale of copies was not encouraging. It is for consideration whether the remaining copies of the P.W. pamphlets also will be distributed free of cost -- please see in this connection Pub U.S.'s note at B on p 2 ante. If so, Public (Information & Publicity) may be consulted in what way the remaining copies can best be utilised. Finance should also see.

If, however, it is considered that the remaining copies need not be distributed free of costs, E&P.H. may be requested to consult the S.G.P. whether it will not be possible to carry on the sales of the remaining copies without additional staff as the sale of the pamphlet "Spring Board, Madras 1945" has since been discontinued.

As there have been no sales recently, it has since been decided that the remaining copies of "Spring Board Madras, 1945" should be distributed to schools free of cost. *and to S.G.P. Madras is being instructed accordingly.* It is seen from the statement at page 7 c.f. that there is a steady fall in the sale of P.W.R. Pamphlets. *From 1946 generally the sale of more of the pamphlets has exceeded double digit figure for each month. In the circumstances and as already suggested at A on page 2 ante Pub (P & D VI) may consider the disposal of the remaining copies of the P.W.R. Pamphlets otherwise and inform their decision to E&P.H. Dept. to enable them to decide about the continuance of the staff for a 1st year*

Considering the low sales recently, which will perhaps taper off to 'nil' very soon, there seems to be no case for continuing the staff.

The sale of the item (1) on page 2 c.f. has since been discontinued, as it has been separately decided to distribute the remaining copies of this publication to the schools free of cost. The number of copies of items (2/3) on page 2 c.f., yet to be sold is 4980 and at as.6 per copy which is the sale price of each of these publications, the total that will be realised, even assuming that all the copies will be sold will be Rs.1867.80 while the cost of the staff sanctioned for selling (one Junior Accountant and one attender) works out to Rs.1716. P.A. It is not known whether at the rate of progress now noticed, these publications will be sold even in another year. As the cost of the staff is disproportionately high as compared with the stock on hand, Finance may agree with the Public department that the establishment may be disbanded at once. The question now remains as to how the unsold pamphlets are to be disposed of. Public (P.D) department suggest that they may be distributed free, but Pub(I.P) still seem to think that that there is some hope of selling these pamphlets if they are advertised in the papers at a cost of about Rs.250 to Rs 300. It is not likely that any advertisement will push up the sales of these pamphlets. The best thing appears to be to ask some leading booksellers eg., Higginbothams whether they are prepared to purchase these pamphlets at a concessional rate, say of 3 as. each (half the usual price) for re-sale to the public at any price they choose. If, however, no bookseller is prepared to take these pamphlets even at the concessional rate, the other alternative left will be to distribute them free in consultation with the Pub(I.P) dept. who have promised to work out a scheme for the free distribution of these pamphlets. This course will involve the Govt. in a loss of about Rs.1867.80 being the book value of these pamphlets at as.6 per copy.

21-5-47 21-5-47 21-5-47

I wonder whether some reputed booksellers will not stock & sell on a Commission basis. If this is not feasible we may agree to the distribution.

Et P.H. Dept.

The file relates to the request of the S.P. about the Continuance of the Temp Staff for a further period of one year from 4.5.47 in connection with the adl work involved in the Sale of the "Spring Board" and other postwar Reconstr. Pamphlets. Attention is, in this connection, invited to the note of Finance on page 7 ante. Which sums up the case. Finance ~~consider~~ ^{consider}

that ^{some} reputed book sellers ~~are~~ ^{may} stock and sell ^{them} on a Commission basis and they are of opinion that, if this is not feasible, they agree to the free distribution of Copies.

2/ In the circumstances stated by Public (P + D) and Finance Depts, this Dept. may agree that the existing Temp Staff establishment, which is proposed to be continued, may be disbanded, ~~at once~~ ^{the further continuance being limited from 4-5-47} to 31-5-47 or till the date of termination, whichever is earlier.
