Sub: Madras Educational Service - Mr. G.L. Lobo, M.B.E., Appointment as Special Officer for conducting the S.S.L.C. re-examination, 1947 - Terms and conditions.
Petition dated 21st April 1947 from Mr. G.L. Lobo, M.B.E., Special Officer, Office of the Commissioner for Government Examinations, Madras.

(Copy) Submitted.

2. The attention of Government is invited to G.O. Ms. No. 672 Edu., dated 3-4-1947. In the circumstances explained in the petition from Mr. G.L. Lobo, it is recommended that his request for the grant of the Duty Allowance and the Madras House Allowance during the period of his re-employment, may be favourably considered by Government. He has done very strenuous and responsible work in a very short time. He has devoted personal attention even to small matters of detail and it is through this that the printing and distribution of the papers was completed in so short a period.

For Director of Public Instruction.

To the Secretary to Government, Education & Public Health Department.

Copy of petition dated 21-4-47 from G.L. Lobo Esq., M.B.E., Special Officer for conducting the S.S.L.C. Re-examination, 1947 to the Director of Public Instruction, Madras.

Ref: Proceedings R.O.No.997 9-1/47 dated 11-4-47 communicating G.O. Ms.672 Edn., dated 3-4-1947.

When you requested me to accept the post of Special Officer, you assured me that I would receive the same pay and allowances as I was getting prior to the date of my retirement. The same assurance was given to me by the Deputy Director of Public Instruction (Personnel) when he came to me direct from the Minister for Education and informed me that I was recalled to duty as a Special Officer. Further I wrote to you the conditions under which I would accept the post. I am surprised that Government have not sanctioned the House Allowance and the Duty Allowance which I was drawing prior to the date of my retirement. If Government were not prepared to agree to the conditions under which I had agreed to serve, I could have been informed in time and Government could have selected any other officer for the post. It seems hardly fair to recall me to duty on a special job which requires greater responsibility and more strenuous work than any I have done before and then to refuse me the allowances which had been assured to me before I accepted the post.

As to the nature of the work, I have been doing since I took charge of the post, you are well aware that for several consecutive days I have had to work from 5 a.m. to 2 a.m. with a break of 30 minutes for lunch and of 2 hours between 6 and 8 p.m. On account of such strenuous work, working hand in hand with clerks and coolies, I was unable to despatch the question papers in time, though the papers from the Govt. Press were received very late. The work of tabulation of marks and publication of results will require equally well organized

and strenuous work. I leave it to you to judge whether I do not deserve better consideration than what I have received from Govt. I request you to be good enough to address Govt. to sanction me the Duty allowance and the house allowance which I was drawing prior to 13th March 1947.

for Director of Public Instruction.

3. Besides, the T.S.L.C. and the E.S.L.C. Examination results will be tabulated from the 4th of May 1947 and the results of these examinations are expected to be published by about the 20th May 1947.

4. As delay in the publication of the S.S.L.C. Public Examination results will cause great inconvenience to students who wish to apply for admission into colleges, special arrangements are being made to expedite the S.S.L.C. tabulation work. Without special arrangements for expediting work it will not be possible to publish the results by the 15th of June. I consider that having regard to the heavy and onerous nature of the work and the extremely limited time at the disposal, it is absolutely necessary that the Special Officer should be continued till all the work in connection with the T.S.L.C., E.S.L.C., and S.S.L.C., Examinations is completed, that is, till the results are published and the S.S.L.C. and other books are despatched to the schools concerned. Moreover, arrangements for the examination of the candidates undergoing Emergency course of training have also to be made by the 25th of June 1947.

S.S.L.C. Examination, 1947 - Conduct of re-examination - Appointment of Special Officer - Continuation of the temporary post and grant duty and Madras House Allowances - Sanction for.

Please see the letters from the D.P.I. in the c.f. The Director requests that (1) that the Duty Allowance and the Madras House Allowance may be sanctioned to ^{Mr. Lobo} the Special Officer appointed for conducting the S.S.L.C. Re-examination. (2) He also recommends that the temporary post may be continued up to 30th June 1947 for the reasons stated by him.

(1) above: The question of granting Duty Allowance and Madras House Allowance to the Special Officer, Mr. Lobo, was considered previously and it was decided that the officer was not eligible for the drawal of those allowances - vide note on pp.2-3 n.f. of G.O.No.672 Edn. dated 3-4-1947. It seems that Mr. Lobo agreed to be re-employed on the alleged assurance of the D.P.I. and Dy.D.P.I. that he would get ~~will not be~~ ^{will be} at all, he got as Deputy Director. ~~It is for orders~~ whether the allowances should be sanctioned in view of the representation from Mr. Lobo at pp.2-3 c.f. and the D.P.I.'s recommendation on p.1 c.f. The D.P.I. has not offered any remarks on the alleged assurances. If there had been any such assurance it should be taken to mean only such pay and allowances as are admissible under the rules. If the Special Officer was doing strenuous work during the period upto the date of despatch of question papers till 15-4-47, after that date till the receipt of marks for tabulation on 26-5-47 he will be practically having no work. There is no need to reconsider the previous orders.

(2) above: Apparently the D.P.I. is of the opinion that the existing staff will not be able to attend to the tabulation work ~~speedily and~~ in time.

Government of Madras
Abstract

Madras Educational Service - Lobo, Sri G. - Leave under Fundamental Rule 86 - Granted, relaxing rule.

Education and Public Health Department
G.O. No. 1125 Edn., dated the 3rd June 1947

Read:
1. G.O. No. 1055 Edn. dated 27-3-1947, G.O. No. 597 Edn., dated 24-3-1947
2. G.O. No. 672 Edn., dated 3-4-1947 and G.O. No. 1086 Edn., dated 26-4-1947
From the Director of Public Instruction No. 630-01/47 dated 23-2-1947.

Sri G. Lobo, formerly Deputy Director of Public Instruction, retired from service on 13-4-1947. He had formerly been refused leave on average pay for 6 months, preparatory to retirement, in the first of the G.Os. read above. He has since been re-employed as Special Officer for conducting the S.S.L.C. re-examination, 1947, from 21-3-1947 till the end of June 1947. For the period from 13-3-1947 to 21-3-1947 Sri Lobo will be granted part of the leave refused, as in item (1) of the notification in para 2 below. The remaining portion of the leave - namely, 5 months and 22 days - can be availed of by him, under Fundamental Rule 86(c), on the termination of his re-employment; but as the limit prescribed in Fundamental Rule 81(b)(ii) will have to be applied, only 4 months of leave can be taken on average pay and the rest will have to be on half pay since the period of leave will commence from a date later than 1-4-1947. But, the Government consider that the officers should be enabled to avail himself of the entire amount of leave on average pay, as his re-employment was ordered in the public interests. His Excellency the Governor of Madras, therefore directs, under section 24(5) of the Government of India Act, that the provisions of Fundamental Rule 81(b)(ii) be relaxed in favour of Sri G. Lobo and he be granted the leave specified in item (2) of the notification in para 2 below.

The following notification will be published in the Fort Saint George Gazette:-
