Respected Sir,

With reference to your memo. dated 22nd March 1947, I beg to bring the following few lines for your kind consideration and early favourable orders.

I am highly thankful to the Govt of Madras, for having granted me a special Scholarship. But at the same time, I am utterly disappointed by the low sum granted for the whole year. For this Academic year only, I have paid Rs 160/- towards Tuition & Exam fees. The other boarding and lodging expenses, say minimum nowadays, comes to Rs 60/- per mensem. To other students, the amount of Scholarships granted per head per year (P.T.O)

70
70
60
200

2 in the Law College, comes to nearly ^{Rs} 400/- to 500/- Even the Endowment Scholarships also are between ^{Rs} 400/- and 450/- per year

Therefore, in the above circumstances, I request your honor to increase the amount and see that is equated with the amount of other scholarships. ~~also~~.

Thanking you

I beg to remain,
Respected Sir,
Yours most Obediently,
K.B. Narasappa.

Sub: Grant of Scholarship for the Law course.
.....

Attention is invited to the notes with G.O.No. 591 Education dated 22-3-1947, in which a scholarship was granted to Sri K.B. Narasappa as a special case for undergoing the law course. The rates of the scholarship adopted are those for Harijans granted by the Labour department. The Labour department scholarship is intended to meet the cost of books to be purchased, payment of special fees etc., Harijans are totally exempted from payment of tuition fees in Arts and Professional Colleges whereas Narasappa, as he belongs ~~only~~ to a backward community, is eligible for exemption ^{only} from the half-fees. The tuition fee for F.L. and B.L. classes is Rs. 200 a year. There is no tuition fee for the Apprentice course. As it is the scholarship already granted to Narasappa will not cover the half fee ^{payable} by him. It is, therefore, for consideration whether the scholarship may be increased by Rs.100 for the F.L. and B.L.course or whether he may be totally exempted from payment of tuition fees for 2 years.

It does not seem that he should be given boarding and lodging charges also.

The endowment scholarship referred by Narasappa in his letter are those mentioned on pages 54 to 56 of the College Calendar put up. The Government are awarding only one scholarship in the Law College of the value of Rs. 131 tenable by Muhammadan or Orja student studying in the B.L. class.

The file may be sent to Finance for remarks before circulation.

What are the concessions which the Harijan students of the Law College have in respect of boarding and lodging?

M.V.S.
2-4-1947.

Scholarships for Harijan students reading in Law College were sanctioned by the Development department for the first time in G.O.No. 4358 Development dated 23-11-1946. They are non-residential scholarships. In the same G.O. the Commissioner of Labour has been empowered to convey

the scholarships to residential scholarships in very deserving cases.

Residential scholarships for Harijan pupils are granted by the Commissioner of Labour and the expenditure is met from the provision under the Labour Department. It is not known whether the Commissioner of Labour has converted any of the 11 scholarships for Harijan students in the Law College into residential scholarships and what the amount sanctioned is.

According to the scheme of Labour Department scholarships actually boarding and lodging charges up to a sum of Rs.25/- a month ordinarily may be sanctioned in the case of deserving students residing in hostels attached to Arts and Science Colleges. There is no hostel attached to the Law College; but the University Club is for all practical purposes considered as the hostel for Law College students. If Narasappa is residing in a hostel, he may perhaps be given a scholarship of Rs.25/- a month in addition to Rs. 100 recommended above.

Please see below
