Refce: Education and Public Health Department Memo.No.11613-C2/47-2 dated 18-2-47.

======

With reference to the instructions contained in the above Government Memo, tenders for purchase and removal of waste paper from all Government Offices in this Presidency during the year 47-48 were called for on 17-3-47. The names of tenderers and the rates quoted by them are noted below:--

	Rate per ton.
1. Y.Babu Chetty, 7,Ramajujakutam St.,Washermanpet, Madras.	Rs. 165/-
2. S.Ranganatha Mudaliar, 20, Sreenivasa Iyer St.,George Town Madras.	230/-
3. The Salvation Army, 60, Broadway, Madras.	150/-
4. The Andhra Paper Mills Co.,Ltd., Rajahmundry.	140/- (Ex. site)

ASST. SECRETARY TO GOVERNMENT

P

(1) Y.Babu Chetty has not given any particulars as to which paper factory or mill~~s~~ he is attached.

(2) S.Ranganatha Mudaliar who has quoted the highest rate viz.230/- per ton was one of the tenderers for waste paper in 1943-44. Particulars of this tenderer were reported to Government in this letter No.B3.7884/42 dated 15-2-43 which was disposed of in G.O.No.Ms.464 Edn. dated 27-3-43.

H

(2) (3) The Salvation Army, Madras are the contractors for 46-47 and the rate~~s~~ for the current year is Rs.185/- per ton. They have however quoted a rate of Rs.150/- for 1947-48 in their present tender. It is said to be a flat rate ~~per~~ for all kinds of waste paper viz., Government records which are non-saleable in the local market and old gazettes, news papers obsolete and unwanted publications etc., which are not of a confidential nature and the sale of which in the local market for traders is not to be considered as objectionable and for which a better price can be expected if done so. A copy of the letter dated 13-3-47 enclosing the tender is herewith sent for perusal by Government. It would appear that they collect both the classes of paper mentioned above, sort them, grade them and then despatch them to the paper mills for pulping purposes. It has always been held that the Salvation Army is the only competent and trustworthy agents to handle Government waste paper which comprises record containing correspondence of ordinary and confidential nature and hence they say that the rate of Rs.150/- per ton is a flat rate.

X

p4 infra

(4) Tender from the Andhra Paper Mills,Rajahmundry was received much later than the scheduled time that is at 3-20 p.m. on 17-3-47. Further their rate~~s~~ is the lowest and cannot therefore be recommended for consideration.

X

~~As~~ The Salvation Army have been our contractor for the past six years and their services in regard to collection of waste paper and payment of cost therefor has been satisfactory. ~~I recommend that they ma be given the contract for yxx the year 1947-48 also~~.

Sir,

I am directed to invite your attention to the difficulties now being experienced by paper mills in obtaining their supplies of waste paper. At a recent meeting of the Working Committee on the Paper Industry the Members of the Committee representing the industry brought to the notice of Govt. that waste paper was being disposed of without reference to paper mills. It is pointed out that waste paper is a very valuable paper making material and as such it is considered essential that paper mills should be given the first option to purchase any waste paper including arisings from printing presses which may become available with you. It is, therefore, suggested that all arisings of waste paper including those from printing presses under your control should be offered in the first instance to the paper mills in your province or to the nearest paper mill as the case may be. If the paper mill is not in a position to take over the available quantity at a reasonable price of which the stockholder may be the sole judge, those may be disposed of in any manner considered most expedient by the Provincial Government/you.

I am to request, therefore, that specific instructions on these lines may be issued to all offices concerned under the Provincial Government/you with a view to ensuring that waste paper arisings are offered in the first instance to the paper mills in your province or to the nearest paper mill as the case may be before they are disposed of elsewhere.

The Superintendent of Stationery is informed that in this agreement, provision should be made reserving power to Government to withhold from sale waste paper from specified offices at Government's pleasure from time to time and for revision of the price fixed by them.

3. The supply of waste paper to hand-made paper factories of the Jail Department, ordered in G.O. No. 294, Education, dated 2nd March 1945, should be limited to the existing hand-made paper factories in the Central Jails at Coimbatore ~~and the District Jail at~~ Madura, Vellore and Salem and the Borstal School, Palamcottah. ~~The waste paper hitherto diverted to the Salvation Army~~. The waste paper collections in the Surgeon-General's office should be reserved for the hand-made paper factory in the Government Mental Hospital, Madras, and the surplus only sold to the ~~Salvation Army~~. Contractor.

4. The arrangements ordered in G.O. No. 1919, Education, dated 29th December 1944, provided for the supply of waste paper in Government offices from certain specified areas in the East Godavari district and from the Vizagapatam district to the Central Jail at Rajahmundry and the Andhra Paper Mills, Rajahmundry. Since the paper industry in the Rajahmundry Jail is abolished, the entire waste paper collections should be sent to the Andhra Paper Mills, Rajahmundry. The rate to be charged for waste paper will be Rs. ~~185 (rupees one hundred and eighty-five only)~~ 230/- (Rupees Two hundred and thirty only) per ton for the period from 1st ~~April~~ 1947 to 31st March 1948.

If the hand-made paper factories are unwilling to pay that rate, the entire press cuttings will be sold to the paper mills.

6. The Director of Industries and Commerce and Secretary, All-India Village Industries Association, should get into touch with the Superintendent, Government Press, and arrange to clear the requirements of the hand-made paper factories. As regards supplies to the paper mills, the Superintendent, Government Press, will despatch the press cuttings to them advising them of the weight of press cuttings despatched and the expenses incurred in despatch, e.g., cost of gunnies, transport to railway station, etc. The mills should arrange to pay the amount to the Superintendent, Government Press, promptly.

7. The prices of Rs. ~~185~~ 230 per ton for waste paper and Rs. 235 per ton for press cuttings will be exclusive of sales tax which should be paid separately.

Subject

Stationery – waste paper in Govt offices – Collection and removal for 1947-48

The S of S invited tenders for the sale of Govt waste paper for the period from 1-4-47 to 31-3-48. Four tenders have been received by the S of S. The lowest tender is that of the Andhra Paper Mills for Rs 140/- ex site. The next higher tender is that of the Salvation Army for Rs 150/- per ton. The highest tender is that of one Sri. S. Ranganatha Mudaliar for Rs 230/- per ton. Six tenderers tendered for the year 1946-47 (vide p. 29 cf of (L)) while only four tenderers tendered for the year 1947-48. The rates tendered for 1947-48 are much lower than ~~that~~ those tendered for 1946-47; ~~and~~ presumably the price for waste paper has gone down.

p 3 cf — p 3 cf

2. Sri Y. Babu Chetty who has tendered Rs 165/- per ton has not previously tendered for waste paper. The S of S reports that he has not given information as to which paper factory or mill he is attached. The highest tenderer, Viz, Sri. S. Ranganatha Mudaliar tendered for waste paper for the year 1943-44. His rate was also the highest among nine tenderers at that time: Please see the remarks of the S of S about this tenderer at portions marked 'A' on p 11 cf (H). His tender was not accepted for 1943-44. The rate of the Andhra Paper Mills being the lowest cannot also be accepted. Hence the only tender left is that of the Salvation Army for Rs 150/- per ton. This rate is of course much lower than their rate of Rs 185/- per ton for the ct. year. But considering the general fall in the rates tendered by private dealers who expect to make a profit, the rate tendered by the Salvation Army may not be considered as unduly low. Moreover the considerations that hitherto weighed with Govt in giving the contract for Govt waste paper to the Salvation Army alone in preference to other higher bids still hold good – vide pa

of the notes on p1 nf of Go No 793 Edn d. 12.4.46 and para 1 of the notes on p3 nf of Go No 1315 Edn d 4.7.46. The rate of Rs 150/- per ton tendered by the S.A. may therefore be accepted for the year 1947-48. (L)

3. Please see para 2 (4) of Go No 1315 Edn d 4.7.46 p1cf (L). If the tender of the S.A. is accepted, the rates quoted for the different varieties of paper therein will ~~under~~ have to be revised as those rates are based on the accepted higher contract rate of Rs 185/- per ton. The S.A. may be addressed on this after orders are passed on the tenders for 1947-48.

4. As regards the supply of waste paper to hand-made paper factories of the Jail Dept, they should be limited to the existing hand-made paper factories in the Central Jail at Coimbatore, the ~~Dt~~ Central Jail at Madura and the Borstal School at Palamcottah. Home have accepted this position vide their note on p1cf accepting para 2 of the Memo on p1cf. The waste paper collections in the S.G. & Office should also be reserved for the hand-made paper factory in the Govt Mental Hospl, Madras, and the surplus only sold to the S.A. 'A' — vide para 3 of the G.O at p1cf (L)

5. As regards the sale of 'press cuttings', the existing provision in paras 5 & 6 of Go No 1315 Edn d. 4.7.46 may apply for 1947-48. p1cf (L). Please also see para 3 of the notes on p4 nf of (L) in this connection. It does not appear necessary to address the Mills again on the subject of the rate for 1947-48. ~~As a consequence of the fall in the rates of waste paper~~ There is no connection between 'waste paper' and 'press cuttings' as the latter are superior to the former. If the Mills come up for a reduction in the rate consequent on the reduction in the rate for 'waste paper', the matter may be considered separately. K

6. The provisions in para 2 (1) to (3) and para 4 of the G.O at (L) may be applied to 1947-48 contract. The rate in para 4 will be the accepted rate for 1947-48

7. The case may be sent to Dev. Home & Fin for remarks.

The file deals with the disposal of waste paper and paper cuttings from the Govt.offices during 1947-8.

2.Paper cuttings: It is proposed to dispose of the paper cuttings in the same way as was done in the last year--please see para 5 of G.O.1315 E.P.H dated 4.7.46 and para 5 of E.P.H note on page 2 above. The rate adopted during 1946-7 was Rs.235/- per ton ex-site and E.P.H propose to adopt the same rate in the current year also subject to ~~please see~~ their remarks at K on page 3 above. (4) The Andra Paper Mills	..	140/-

cf P on p.3 cf.

Item (1) above:- It will be observed from portions marked A on page 11 and para 3 on page 12 c.f. of G.O.464 Edn.dated 27-3-43 ~~at (H)~~ that Sri.S.Ranganatha Mudaliar was not expected to dispose of the waste paper according to the exact terms of the contract in 1943-4 and hence his tender for that year though the highest was not accepted by the Govt. Now also his tender is the highest and yet the Supdt.of Stationery has not recommended its acceptance presumably for the same reasons that operated against him in 1943-4

(H)

Item (2) on p 3 cf

Item (2) above:- Sri.Babu Chetti's tender is the next highest. But it is stated that he has not given particulars as to which paper factory or mill he is attached. The Supdt.of Stationery has not therefore recommended his tender also.

Item (1) p 3 cf

Item (4) above:- The tender of the Andra Paper Mills is the lowest and the Supdt.of Stationery does not consequently recommend ~~them~~ it.

Item 4 on p 3 cf

Item (3) above: The Salvation Army have been the contractors for the past 6 years and the Supdt.of Stationery recommends the acceptance of their tender for the reasons stated at X on page 3 c.f.--see also page 4 c.f.

The rate of the Salvation Army for 1947-8(Rs.150/- per ton) is less by Rs.35/- than their rate for 1946-7 (Rs.185/- per ton) But E.P.H consider that having regard to the general fall in the rates tendered by the private dealers who are expected to make a profit, the rate tendered by the Salvation Army is not unduly ~~high~~ low. They therefore propose to accept the tender of the Salvation Army as recommended by the Supdt.of Stationery. Finance also may agree.

The other proposals of the E.P.H dept. may generally be agreed to in Finance and the case returned to E.P.H.

Fin agree to the acceptance of the tender of the Salvation Army. Please see the letters received from the G of I, Dept of Industries and Supplies on pp 5-6 cf. On account of the difficulties experienced by the Paper Mills in obtaining their supplies of waste paper, a very valuable paper making material, the G of I suggest that specific instructions ~~sh~~ be issued to all Officers concerned under the Provl Govt with a view to ensuring that waste paper arisings are offered in the first instance to the Paper Mills in this Province or to the nearest paper mill as the case may be before they are disposed of elsewhere. This criterion for the disposal of waste paper was hitherto kept in view in giving the contract for waste paper and was responsible for the Salvation Army getting the contract every year in spite of their low rates. If the contract is given to private tenderers it may not be possible to stipulate for this condition. The prices charged for waste paper by private tenderers may also be higher than those that will be charged by the S.A. for the Paper Mills. The centralised system of supply of paper for governmental needs continues and this Govt get their supplies of paper only through the C.P & S, India, who arranges for the supply of paper by the indigenous paper mills.

Please see the letter from the Govt (Dept of Industries and Supplies) on ff 5-6 c.f suggesting that all arisings of waste paper including those from printing presses should be offered in the first instance to the Paper Mills in this Province or to the nearest paper mill as the case may be. The Salvation Army who were the contractors for waste paper hitherto [from the year 1940 onwards] were regularly supplying waste paper to the Andhra & Punalur Paper Mills. In the tender notification issued by the S of S there is no stipulation that the successful tenderer should supply waste paper to the Andhra & Punalur Paper Mills.

ff 15-16 c.f

~~Hence it may not be possible to insist upon the successful tender this case, viz, Sri S. Ranganatha Mudaliar to supply waste paper the Andhra & Punalur Paper Mills. According to the tender.~~

According to the tender notification, the successful tenderer is bound only to meet the requirements of the hand made paper factories of the Industries Dept – vide para 6 of the tender notifn on f 15 c.f and the form of tender on f 17 c.f. A similar notifn was issued by the S of S in respect of the tender for waste paper for the period from 1-7-45 to 31-3-47, but in passing orders on the tenders received, Govt provided for the supply of waste paper to (1) the All-India Village Industries Assn (this assn was ordered to be included by the late ministry) and (2) the Andhra and the Punalur Paper Mills. In view of the G.O. & letter on ff 5-6 c.f, it seems better to ascertain first from Sri Ranganatha Mudr through the S of S whether he is agreeable to supply waste paper to the All India Village Industries Assn and the Andhra & Punalur Paper Mills. The S of S may be asked to ~~make the~~ enquiry ~~and report the result to Govt~~.

Waste paper intended for these jails will have to be excluded from the scope of the contract for 1947-48, though this has not been specified in the tender notification. This may be done.
