From

Dr.S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub:-Schools - Government Training School for Women, Ramnad - Employment
of a 2nd peon - sanction - requested.

I have the honour to state that the Government Training School for Women, Ramnad, is held in a big building consisting of two stories - The school has 4 Training sections with a model school with standards I to VIII - The strength in the training section and the model school is 152 and 267 respectively. At present there is only one peon in the school. The Inspectress reports that a second peon is immediately necessary for the school as the Headmaster finds it difficult to carry on the work with only one peon, as his services are ~~too~~ inadequate for the school which has grown into a big institution. There are two peons in training schools of similar kind and in the circumstances, I request that Government may be pleased sanction the appointment of an additional peon in the Government Training School for Women, Ramnad.

for Director of Public Instruction.

Please see the reference from the D.P.G in the

C.F. and the draft order put up by E.H.H. overleaf.

The reorganisation sub-committee has recommended that a target of 25% reduction of peons should be aimed at by all Govt. offices as they consider

that the contribution of peons towards the efficiency of Govt. business is very little. No doubt the D.P.G states that several similar schools have two peons. But those schools which have two peons are likely to come

within the scope of the target referred to at 'A' above and it is likely that ^{one} ^{may} ^{be} ^{reduced} in such schools. This deptt may, therefore, suggest that the Govt school for Women, Ramnad should manage with one peon. ^{This} ^{proposal} ^{cannot} ^{be} ^{agreed} ^{to} ⁱⁿ ^{this} ^{deptt.}

The proposal cannot be agreed to in this deptt.
