 Finance (Exp. B) 21-5-47

The draft order may be accepted. (There was a
 separate proposal to sanction the purchase of apparatus
 and materials for the same college at a cost of Rs. 5,49,000.
 though the expenditure was large, that proposal was
 not treated as a 'new service' as the expenditure would
 be met from the provision already made in the budget
 for 1947-8 and as the articles of equipment were required
 for

for the working of the college. Similarly, the
 proposal, in the present case also, need not be
 treated as a 'new service' though proposals to purchase
 additional machinery the cost of which exceeds Rs. 10,000
 non-recurring are ordinarily treated as 'new services'.
 The machinery are required for the working of the
 laboratory and the expenditure can be met from
 the provision allotted ~~for apparatus~~ to the college for the
 purchase of laboratory equipment ³ in 1947-8)
